Prior to Arrival at the School- Daily Self-Assessment and Screening

All students accessing HCDSB locations must conduct and pass a self-assessment and screening for symptoms of COVID-19 prior to entering the school/site each day. <https://covid-19.ontario.ca/self-assessment/>.

ALL STUDENTS who attend in person learning at school will be required to verify the completion of the self-assessment prior to the beginning of learning every day.

Attendance

Students who arrive late for school are to travel DIRECTLY to their classroom and will be marked late by the classroom teacher. Only students who report to school AFTER 8:40 a.m. daily must sign in through the attendance office.

Entrance/Exit

Students will use the school zone door associated with their classroom for entrance and exit to the school. A list of classrooms and doors is posted on our school website. Students are asked to ensure they are using the appropriate door and not another door. Students should not be crossing zones without direct instruction from school staff. Students will enter the building at 8:05am and are asked to dress weather appropriately.

Masks

Unless a medical exemption has been granted all students will be expected to wear their masks *at all times inside the school and outside where physical distancing cannot be maintained*. Students are encouraged to bring two masks to school each day so that they have a spare mask in case one gets wet. Should a student require a mask, the school will provide one for them. Students are asked to not congregate either before or after school, and maintain physical distancing at all times.

Morning Announcements

Will be limited to the playing of the National Anthem, prayer and essential notifications. All other announcements will be posted electronically as needed.

Uniform

Students are expected to be in full uniform in class at school. Students are free to wear appropriate civvies while completing their learning at home.

Washrooms

Our goal is to minimize the gathering of students in any one washroom at any time. It is our expectation that no more than one student be permitted to use the washroom at a time from a class. Students will use the washroom found in their zone. This will be monitored by the commissionaire and administration throughout the day. Teachers will complete a daily washroom every day.

Visitor Protocols

For the safety of our staff and students, we are limiting visitors in our HCDSB locations to essential visitors only. Please refer to the attached documents regarding school visitors.
