There would be mass confusion.

## GOOD NEWS STORIES

**IDENTICAL TRIPLET SISTERS ALL BECAME OB-GYN DOCTORS--AND THEY ALL WORK WITH THEIR MOM!**

*"Identical triplets Joanna, Vicky and Sarah Bedell were only 8 years old the first time they saw their mom, Dr. Janet Gersten, deliver a baby. Almost 3 decades later, all 3 have followed their mom's footsteps. Vicky said "mom being very collected and having confident control of the situation, which was very cool to watch." The mom said she never pushed for them to go into the same field but is glad they did. The triplets tell Good News Movement: "Working with our family has been really great. It provides a different type of fun and enjoyment to the work environment." Also they say it was a decision that kind of fell into place over time.*

Prayer

Loving God,

*I admit sometimes I go along with the crowd even when I know what they are doing or saying is wrong.*

*Give me courage to be my authentic self, to hang out with, stand up for, and reach out to someone who needs someone like me as their friend.*

*Amen.*
