## GOOD NEWS STORIES

### THIS TRAINER TEACHES INDEPENDENCE THROUGH FITNESS

*“Gyms can be intimidating places at the best of times, but this can be particularly true if you have a disability or are elderly. That’s why former pro cricket player and powerlifting athlete Javeno Mclean opened a gym to cater specifically to this crowd.*

*At his J7 Community Health Centre in Manchester, United Kingdom, he is working with 15 children living with disabilities—some have cerebral palsy, others use a wheelchair—and about 30 older adults. His goal is to help them improve their fitness, gain more independence in their daily tasks and build up their physical and mental strength.*

*In an interview, Mclean said that training at his gym helps his clients increase their range of movement and, more importantly, gives them the confidence to try new things long after they’ve exited his health centre.*

Prayer

*Loving God,  
we all know that actions speak louder than words. Jesus didn't just say a lot of nice things, he gave us an example of how to behave and treat others. Help me be more than just a bunch of words that are disconnected from my actions. Help me be the kind of person that preaches what I believe in all my actions and attitudes. Give me courage to live Your gospel values.  
Amen.*
