## DAD JOKE OF THE WEEK

I can give a brief explanation of what an acorn is: in a nutshell, it's an oak tree.

## Quote for the week

*"I can't change the direction of the wind, but I can adjust my sails to always reach my destination."*

## CLOUD CHARACTERS

On a cloudy day, most people see just that—clouds. But Dublin-based artist Chris Judge has seen a bear, a dog and much more. In 2020, Judge began sharing his cloud art on his Instagram account, *A Daily Cloud*. Using an app, he draws lines around the edges of clouds, transforming them into whimsical characters he now shares with more than 429,000 followers. “There are certain times in the day when the sun hits the clouds and makes them look huge and three-dimensional,” he told People. “And after a rainstorm, clouds always seem to look incredible.” Judge also accepts fan submissions—encouraging others to look up, lest they miss out on something amazing.

*Prayer*

*God of graciousness and love,  
I pause to become aware that You are present  
within and around me. Your loving grace fills  
me now and strengthens my soul to see what is  
good, and true and beautiful and loving.  
Help me to allow Your powerful present  
to fill me and increase my ability  
to see and hear You.  
Guide my actions today that I might be  
earnest in my search for truth and just in  
how I treat those around me.  
Let Your grace fill me now.  
Amen.*
