DAD JOKE OF THE WEEK

I opened my birthday card and a loads of rice fell out.

I knew right away who sent it...it was my Uncle Ben.

Quote for the week

“Relationships are like birds: if you hold them tightly, they die; if you hold them loosely, they fly. But if you hold them with care, they remain with you forever.”

A VICTORY FOR INDIGENOUS RANGERS

In a region of Australia where few Indigenous rangers are women, the Queensland Indigenous Women's Ranger Network (QIWRN) is proof that female Indigenous rangers can succeed in a male-dominated field.

Created in 2018, the initiative combines ancient knowledge with modern tools to monitor forest fires, land degradation and the Great Barrier Reef. It also provides a forum for female rangers to share experiences and ideas. To date, QIWRN has trained more than 60 women. And the initiative is getting noticed: Last December, Prince William and David Attenborough's Earthshot Prize awarded \$1.6 million to QIWRN for its work in protecting the Great Barrier Reef. —Robert Liwanag

Prayer

*Lord, make me an instrument of your peace:
where there is hatred, let me sow love;
where there is injury, pardon;
where there is doubt, faith;
where there is despair, hope;
where there is darkness, light;
where there is sadness, joy.
O divine Master, grant that I may not so
much seek to be consoled as to console,
to be understood as to understand,
to be loved as to love.*

*For it is in giving that we receive, it is in
pardoning that we are pardoned, and it is in
dying that we are born to eternal life.*

Amen.
