Lovina Father. I stand before You in the midst of confusion and complexities of life. My future sometimes seems distant and unknown. Give me, O Lord, the vision to see the path You set before me. Grant me the courage to follow Your way, that through the gifts and talents You have given me, I may bring Your life and Your love to others. I ask this through Jesus, Your Son and my Brother. Amen

The 4 Step Inquiry Model and Pathways Planning

Pick Your Experience, Pick Your Classroom

- Play to your interests and strengths
- What are you passionate about?
- Make the plan your own and research your options
- Consider EXPERIENTIAL LEARNING...

Make your Pathway **YOUR OWN!**

Think about your peers in this room...
What percentage of them will:

Go to **college?**

Pursue an **apprenticeship?**

Enter the **workforce?**

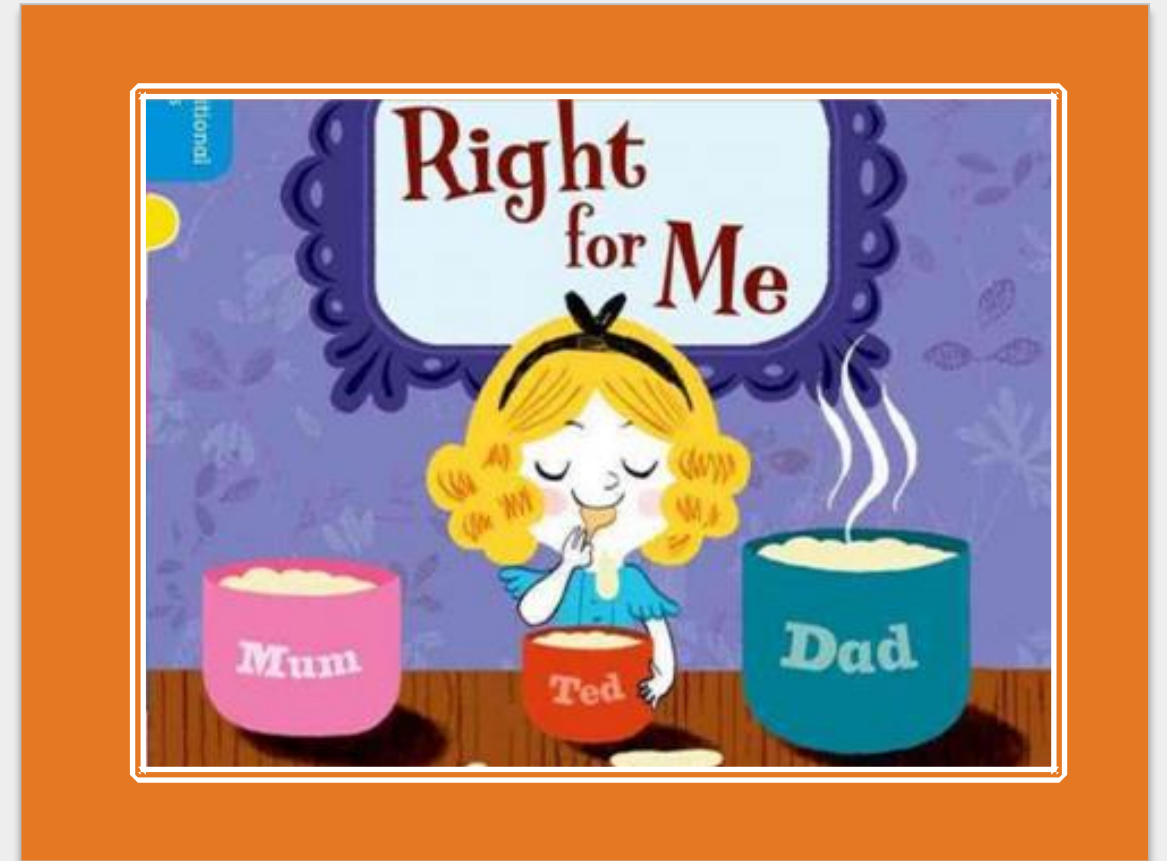

Attend **university?**

The Data Tells Us....

51% - College or University

49% - Apprenticeship,
Workplace, Gap Year

There is no BEST pathway; but there is the RIGHT one for you...

How Do I Know Which Pathway is Right For *Me*?

1. Explore
2. Choose and reflect
3. Collaborate with your parents and counsellor

Ontario Youth Apprenticeship Program

- Student can explore **Apprenticeship** through a **Cooperative Education** work placement and have their coop hours count towards apprenticeship hours
- Students can be registered as an apprentice through the Ministry of Training, Colleges and University (MTCU)
- <http://studentsuccess.hcdsb.org/where-do-i-start/ontario-youth-apprenticeship-program-oyap/>

Why Choose an Apprenticeship?

- **40%** of new jobs in the next 20 years will be in trades and technologies
- **50%** of current trades people are set to retire in the 10 years
 - **90%** of your post-secondary education is paid
 - There are more than 160 Skilled Trades in Ontario
 - Conference Board of Canada

Ontario Youth Apprenticeship Program

A typical apprentice

- Earns OSSD
- Gets signed on as an apprentice, goes to college to complete Levels 1, 2 and possibly 3 of their apprenticeship training
- Complete between 6,000 – 10,000 hours working with a journeyperson (very \$\$\$!)
- Red Seal

Concentrated OYAP

- Students will take a number of courses in a specialized area
- 2 credit co-op
- Learn from a certified journeyperson for a specific number of hours
- Students access the same learning and training for about \$250 and in a shorter time period than a regular apprenticeship program!
- OYAP students will often have the opportunity to complete Part 1 of their training and use the hours towards their apprenticeship.
