2019 College Information Program

Ontario Colleges are coming to you!

This is an excellent opportunity for your students to meet college representatives from across Ontario and find out more information to help them make their post-secondary education decisions.

CIP 2019 Schedule

Week 1: Northwestern Ontario (September 23 – 26)

Ignace, Dryden, Kenora, Fort Frances, Atikokan, Thunder Bay, Red Rock, Geraldton

Week 2: Northeastern Ontario (September 30 – October 4)

Sault Ste. Marie, Espanola, Sudbury, Timmins, New Liskeard, North Bay

Week 3: Eastern Ontario (October 7 – 11)

Oshawa, Whitby, Peterborough, Belleville, Kingston, Pembroke, Ottawa, Cornwall

Week 4: Southwestern Ontario (October 15 – 18)

Hamilton, London, Sarnia, Chatham, Windsor

Week 5: Southern Ontario and GTA (October 21 – 24)

Welland, Kitchener, Toronto

Week 6: Georgian Bay (October 29 – 30)

Owen Sound, Barrie, Orillia

2019 Ontario College Information Fair (OCIF)

The largest College Information Fair in Ontario!

Enercare Centre – Exhibition Place, Toronto

Wednesday October 23, 2019 - 5:00 pm to 9:00 pm

Thursday October 24, 2019 – 9:00 am to 2:00 pm

Send your students to the Fair on us!

OCIF offers bus subsidies of up to \$250/bus to any school who wishes to send their students to the event. Instead of planning your own College Fair, send your students to the largest College Fair in Ontario! ocif.ca

Events scheduled at time of print were accurate, but subject to change

We know you're busy. So we made it easy.

ocas.ca/guidance

INFORMATIONAL RESOURCES

Find all the OCAS information you need, always up to date and in one easy place.

PRINTABLE MATERIALS

Put college information right in your students' hands with materials that are easy to share.

DIGITAL MEDIA

Keep your students engaged with videos on the whys and hows of going to college.

FALL 2020 - IMPORTANT DATES

APPLY

Early October, 2019

The online application is available at ontariocolleges.ca.

February 1, 2020

The deadline for applying to highly competitive programs. Applications received and paid for before this date will be given equal consideration by the colleges.

NOTE: Applicants for all programs are encouraged to apply before this date, as website volumes are highest at this time.

OFFER

February 1, 2020

Earliest date the colleges may release offers to applicants. Offers will continue to be issued until programs are filled or waitlists are established.

NOTE: Applicants who have not met admission requirements for a program may be notified at any time during the application process.

ACCEPT

February 1, 2020

Earliest date that applicants may confirm an offer of admission.

May 1, 2020

The most common deadline for confirming offers of admission - but not the only one. Applicants should check their offers of admission for exact deadline dates.

June 1, 2020

Earliest date that colleges may require payment of tuition fees. Please check with the college.

DATA TRANSMISSION SCHEDULE

Data files from school boards and / or high schools are due at OCAS on the following dates:

October 2 - 4, 2019

Demographics, marks history, and current and projected registrations are due. OCAS requires marks history for all courses taken in grades 9, 10 and 11.

November 18 - 22, 2019

First semester midterm marks are due. Schools may transmit interim marks for full-year courses as soon as they are available.

February 7, 2020

For semestered schools: First semester final marks and currently enrolled second semester courses are due. For non-semestered schools: Interim marks are due.

April 20 - 24, 2020

For semestered schools: Second semester midterm marks are due. For non-semestered schools: Interim marks are due.

July 3, 2020

For semestered schools: Second semester final marks and proof of graduation are due. For non-semestered schools: Final marks and proof of graduation are due.

August 14, 2020

For semestered schools: Second semester final marks (and / or summer school final marks) and proof of graduation are due. For non-semestered schools: Final marks (and / or summer school final marks) and proof of graduation are due.

Need help with your transmission files?

What's new:	<p>All Campuses:</p> <ul style="list-style-type: none"> • Weston Family Scholarship in the Skilled Trades. Weston Family Scholars will receive an initial value ranging from \$1,500 to \$3,000. Scholars who mentor current and prospective students in skilled trades; participate in co-curricular activities; and maintain a minimum of 3.0 GPA will be awarded an additional \$1,000 per term. • Students may apply directly into some of our Co-op programs on OCAS. • “We Saved You a Seat” initiative is a three-year pilot program that will reserve 30% of the available seats in electrical engineering technician, mechanical engineering technology, electro-mechanical engineering technician and computer systems technician for women who meet the programs’ admissions. 		

	Perth Campus: Our Heritage Carpentry and Joinery diploma program has been recognized by the Ministry of Training, Colleges and Universities with its own program vocational standard. It is a one-of-kind program in Ontario and unique in Canada.
ADMISSIONS INFORMATION	
2019 Admissions scores and selection process for oversubscribed programs:	Cut-off scores vary from year to year; as a result we do not publish these scores. Applications are evaluated based on the published admission requirements. Some programs are ranked by the average of the required subjects; some programs are ranked by assessment results. http://www.algonquincollege.com/ro/apply-to-college-and-program-eligibility/program-requirements/how-applicants-are-selected/
Selection process for non-oversubscribed programs	Applications are evaluated based on the published admission requirements; once the applicants meet these requirements, an offer of Admission is issued, as long as space is available in the program.
Grade 11 marks:	Grade 11 marks are used only for ranking highly competitive programs.
Dual credits/SHSM programs:	1050 high school students may register for dual credit courses at all three campus locations. Admission into College programs is not given preference upon completion of dual credits or SHSM programs.
Alternate offers of admission:	Yes, we do offer alternative offers of admissions.
Supplemental admission requirements:	Portfolios, admission assessments, interviews or auditions. (Please refer to our publication or website for more information)
Differentials:	We do not differentiate between C, M, and U level courses; all are equally considered.
Workplace pathways:	Applicants taking Workplace courses have to write an admission assessment. Each student is assessed on an individual basis.
Upgrading pathways:	Academic Access Centre: caac@algonquincollege.com or 613-727-4723 ext. 5722 or online at: http://www.algonquincollege.com/access/
Post-graduate opportunities:	Post-Graduate programs are offered Full time and Part time. http://www.algonquincollege.com/future-students/graduate-certificates/ Articulation Agreements - Degree Pathways offered within Canada, US and abroad. http://www.algonquincollege.com/degree-pathways/
Deferral policy:	\$500 tuition deposit must be paid before June 15, 2016 with the Registrar's Office. The balance of tuition fees owing is due by the 4 week after the term begins.
Student with disabilities:	http://www.algonquincollege.com/cal/ or 613-727-4723 ext. 7200
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	The Financial Aid and Student Awards Office administers federal and provincial loan programs, which include OSAP and out-of-province funding, as well as scholarships and bursaries. The online bursary application, which considers students for all applicable bursaries in any given term, is available for approximately 6-8 weeks at the beginning of each term. http://www.algonquincollege.com/ro/financial-aid/
RESIDENCE INFORMATION	
Residence options:	Ottawa Campus: Houses 1,050 students in 525 two-bedroom suite style rooms. Each suite has a shared bathroom/kitchen space. Residence spaces are offered on a first come first serve basis. A non-refundable \$75 application fee is required with an application to residence. www.algonquincollege.com/residence Pembroke Campus: 3 privately owned residence buildings. Applications and deposits facilitated with the buildings, not Algonquin College. http://www.algonquincollege.com/pembroke-housing/ Perth Campus: The off-campus housing list is available from April to September. This is a compilation of local landlords who offer a variety of accommodations to students from rooms to apartments, houses or cottages for rent. http://www.algonquincollege.com/perth/current/student-services/student-accommodations/

INSTITUTIONAL INFORMATION

Student population:	Cambrian has a vibrant and diverse community of 4,700 students in 75+ full-time programs across three campus locations in Sudbury, Espanola, and Little Current (Manitoulin Island).	
New programs:	Electromechanical Engineering Technician – Mechatronics (EMTN) , 4 semesters, cambriancollege.ca/MMTN Electromechanical Engineering Technology – Mechatronics (EMTY) , 6 semesters, cambriancollege.ca/MMTY Applied Learning Disability Studies (LDGC) , 2 semesters, cambriancollege.ca/LDGC Workplace Safety and Prevention Technician (WSPG) , 5 semesters, cambriancollege.ca/WSPG	
Program changes:	<ul style="list-style-type: none"> Students in the School of Community Services can earn a certificate in Indigenous Studies by completing 4 Indigenous-focused elective courses. Business Analytics, Crime Analytics, and Health Analytics – Grade 12 math is now required Medical Radiation Technology – Any science or biology (U) is required (C no longer accepted). Applicants from other Ontario colleges must be graduates of a Pre-Health Sciences. 	
What's new:	<ul style="list-style-type: none"> 3 intakes are now available for select programs – September, January, and May. Learning spaces have been upgraded for a variety of programs, and included computer/IT upgrades and the introduction of mobile-friendly classrooms. Residence dorm and townhouse rooms have been updated. Skilled Trades and IT students won 6 medals at the 2018 Skills Ontario competition. Cambrian is one of the top 25 applied research colleges in Canada. The College signed an Indigenous Education Protocol in 2018 to advance Indigenous education and culture on campus. Cambrian continues to support and celebrate diversity on campus with its Bell Let's Talk Day events, the addition of a Pride room and crosswalk, and numerous events hosted by the Wabnode Centre for Indigenous Services. Cambrian has expanded pathway opportunities for graduates with 14 new articulation agreements with national and international colleges and universities. 	
Hidden Gems	Power Engineering Technician (PWTN)/Technology (PWTY) , 4 or 7 semesters – Students get hands-on experience in the College's 2 nd Class power plant, allowing them to prepare for 3 rd and 2 nd Class Operating Engineer certification. There is also the option for students to complete their technology-level classes online. cambriancollege.ca/PWTN and cambriancollege.ca/PWTY Animation (ANPG) , 6 semesters – This curriculum is based on Sheridan College's renowned curriculum. Students develop a portfolio of both 2D and 3D work, including storyboards, characters, and short films that are shared with industry representatives. cambriancollege.ca/animation Social Service Worker (SSPG) , 4 semesters – Two field placements, experiential learning, guest speakers, and an Indigenous Specialization option prepare students for immediate career opportunities. Mental health and dementia courses are also unique to Cambrian. cambriancollege.ca/socialservice Mining Engineering Technician (MNTN)/Technology (MNTY) , 4 or 6 semesters – Students gain the skills to pursue engineering-based careers in the global mining industry. A field camp, underground	

	experiences, and an optional co-op in third year are just some of the hands-on learning students undertake. cambriancollege.ca/miningMNTN and cambriancollege.ca/miningMNTY			
ADMISSIONS INFORMATION				
2019 Admissions scores and selection process for oversubscribed programs:	Program	# Seats	Benchmarks	<i>As of March 8, 2019, and is subject to change</i>
	Bachelor of Science in Nursing	80	80%	
	Dental Hygiene	48	68%	
	Diagnostic Medical Sonography – Ultrasound	30	88.25%	
	Medical Laboratory Technology	50	75%	
	Medical Radiation Technology	35	84.25%	
	Paramedic	60	77.69%	
Powerline	24	83%		
Selection process for non-oversubscribed programs	Open enrolment programs require that the applicant meets institutional requirements (OSSD or mature student status or equivalent) and the specific program requirements. If these are met, offers of admissions are made. Where any conditions are not yet met, conditional offers may be made. All conditions must be met before the start of classes.			
Grade 11 marks:	Grade 11 marks are used only when the admission requirement calls for either Grade 11 <u>or</u> 12 marks. If the requirement is Grade 12, the applicant's Grade 11 marks would not be considered.			
Dual credits/SHSM programs:	In partnership with the Rainbow District School Board and the Sudbury Catholic District School Board, Regional Planning Team 1 offers over 25 different delivery options for dual credits in the areas of arts, business, health sciences, trades, mining, and more. For more information: Chantale Roy, chantale.roy@cambriancollege.ca			
Alternate offers of admission:	Applicants who do not meet the admission requirement(s) for a chosen program will receive an alternate offer: Pre-Health Sciences Pathway to Advanced Diplomas and Degrees (for health-related applicants) and Pre-Trades/Technology (for technology-related applicants). Alternate offers go out once per year in March.			
Supplemental admission requirements:	If there are additional admission requirements for an applicant's program of choice, they will be identified on myCambrian, the applicant's secure web portal.			
Differentials:	Cambrian College does not apply differentials/weights, as per Ministry requirements.			
Workplace pathways:	Applicants with workplace-level English can apply to the Pre-Trades/Technology program (PRET), Independent Music Production program (MPCP), or pursue Academic Upgrading (UPGR).			
Upgrading pathways:	Academic Upgrading (UPGR) , cambriancollege.ca/upgrading General Arts and Science – English for Academic Purposes (EAPP) , cambriancollege.ca/eap			
Post-graduate opportunities:	Cambrian offers 15 graduate certificate programs in business, health, community services, law and justice, and information technology. Cambrian also has 750+ articulation agreements with universities for graduates to pursue degree opportunities. cambriancollege.ca/gradcerts ♦ cambriancollege.ca/pathways			
Deferral policy:	We do not defer offers of admission and do not carry over waitlists from year to year.			
Student with disabilities:	For more than 20 years, The Glenn Crombie Centre for Student Support has been a leading accessibility centre in North America. Supports and services include testing accommodations, assistive technology, personal care rooms, learning skills advisor services, counselling, assessment services, classroom supports, and specialized orientation programs. cambriancollege.ca/accessibility			
SCHOLARSHIP AND FINANCIAL AID INFORMATION				
Scholarships, bursary and awards application information and deadlines:	The Joyce Foundation Access Bursary is a \$3,000 renewable entrance award open to all applicants under 21 years of age. Cambrian College Foundation awards more than \$600,000 in scholarships and bursaries each year. cambriancollege.ca/studentawards			
RESIDENCE INFORMATION				
Residence options:	Cambrian's residence is located on campus, just steps away from academic buildings. Students can choose from 2 types of residences: 2-bedroom dorms and 6-bedroom townhouses Cost: Approximately \$6,900-\$7,600/academic year Application deadline: Apply by April 15 for equal consideration. Room deposit fee: \$500 due by April 15 Application deadlines and application form: cambriancollege.ca/residence

INSTITUTIONAL INFORMATION

Student population:	4,500
New programs:	Aircraft Structural Repair Technician – Manufacturing and Inspection, Business Management and Environmental Technology
Program changes:	None
What's new?	<p>Canadore College officially opened its new 38,000 sq. ft. facility living and learning wellness community, The Village. Programs have moved into their new spaces and classes are running.</p> <p>Canadore and the Liver Care Canada (LCC) have entered a formal agreement to create a Liver Centre of Excellence. The Centre will be housed in The Village and will service North Bay and area communities. The new centre will provide proactive screening for high-risk populations, ranging from blood analyses to non-invasive assessments through LCC's FibroScan® diagnostics program.</p> <p>The Ground Breaking for Phase 2 of The Village, a seniors' living facility, will be this coming April.</p>

ADMISSIONS INFORMATION

2019 admission scores and selection process for oversubscribed programs:	<p>Each applicant is scored and ranked based on admission requirement marks for the program to which the student applied. Canadore may use grade differentials for applicants with previous post-secondary courses when scoring, depending on levels achieved. By using this weighting factor, the College is able to recognize academic achievement in an equitable manner and increase academic success and student retention.</p> <p>Practical Nursing- 84% Respiratory Therapy- 80% Dental Hygiene- 83% Occupational Therapist/Physiotherapist Assistant- 85%</p>
Selection process for non-oversubscribed programs:	Receipt of application at ontariocolleges.ca (prior to February 1), prerequisites, secondary school academic standing, test results (where required)
Grade 11 marks:	Each program has specific requirements. Grade 11 Mathematics, Biology and Chemistry may be used for some programs.

Dual credits/SHSM programs:	Dual credits: Automotive Service Technician, Aviation Fundamentals, Broadcasting, Building Construction, Counselling, Early Childhood Education, Electrical Techniques, General Carpentry, Graphic Design, Health, Human Care and Wellness, Leadership and Program Planning, Manufacturing, Motive Power, Plumbing Techniques, Small Engines, Truck and Coach Technician, Parry Sound campus - Multiculturalism in Canada and Anatomy & Physiology
Alternate offers of admission:	Alternate offers are given if an applicant does not qualify for the program to which they applied based on admission requirements, or has been placed on a waitlist. The applicant will automatically receive an alternate offer of admission to a program with similar content.
Supplemental admission requirements:	First aid, CPR, immunization records, portfolio, admissions testing, auditions (for some programs)
Differentials:	Canadore may use grade differentials for applicants with previous postsecondary courses when scoring, depending on levels achieved.
Workplace pathways:	Academic and Career Entrance Program (ACE) Literacy and Basic Skills (LBS) http://canadorecollege.ca/programs-courses/academic-upgrading-and-career-preparation
Upgrading pathways:	Academic and Career Entrance Program (ACE) Literacy and Basic Skills (LBS) http://canadorecollege.ca/programs-courses/academic-upgrading-and-career-preparation
Post-graduate opportunities:	Graduate Certificates- Business Management, Environmental Management, Health Care Administration, Post Production and Youth at Risk Intensive programs- Early Childhood Education, Mental Health & Addiction Worker, Social Service Worker, Recreation programs, and Strength and Sport Conditioning.
Deferral policy:	Canadore does not offer program deferrals
Students with disabilities:	We offer comprehensive, student-focused services designed to help students succeed. They include but are not limited to: Summer transition programming, Study skills workshops, Peer tutoring, Career guidance, Mental health & wellness tips and strategies, Resource centre, Assistive devices, and Student Food Bank http://www.canadorecollege.ca/departments-services/student-success-services
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Application information and deadlines for scholarships, bursaries and awards:	Online Entrance Scholarships applications are open to all first year students currently enrolled in a full-time program at any of Canadore College's campuses. Online Bursaries are awarded on the basis of financial need and/or satisfactory academic progress. Online Scholarships are awarded based on a combination of academic excellence, attendance and overall contribution to the classroom. All students wanting to be considered for any of the above listed awards must apply with an Online application located at https://www.canadorecollege.ca/support/money
RESIDENCE INFORMATION	
Residence:	Residence offers everything you need to make your College experience an enjoyable and safe time. Take part in the weekly events Residence offers and get to know your fellow residents and communities. Canadore Offers 2 and 4 Bedroom suites for students to choose from with full kitchen and living facilities. First year students who apply by May 1st are guaranteed a spot in Residence. https://www.canadorecollege.ca/experience/residence

INSTITUTIONAL INFORMATION

Student population:	25,000 Full-Time Students, 20,000 Part-Time Students
New programs:	<ul style="list-style-type: none"> • Arts and Entertainment Journalism (Graduate Certificate) • Aviation Technology - Avionics Maintenance & Management (Advanced Diploma) • Cybersecurity (Graduate Certificate) • Heavy Duty Equipment - Motive Power Technician (Diploma) • Insurance Management (Graduate Certificate) • Trades Foundations - Motive Power (Certificate) • Truck and Coach - Motive Power Technician (Diploma)
Program changes:	The following programs have been temporarily suspended (alternative programs available): Refrigeration & Air Conditioning Mechanic – Heating, Refrigeration & Air Conditioning Technician; Electrician: Construction & Maintenance - Electrical Engineering Technician
What's new:	<ul style="list-style-type: none"> • The Downsview Aviation and Aerospace campus at Downsview Park opened in January 2019; the \$72-million project features 138,000 square feet of instruction space and a new hangar large enough to accommodate today's commercial jets, and represents the first step towards creating an aerospace training and research hub for the development of new technologies in Ontario. • The Centre for Applied Research and Innovation Services launched a 4500 square foot Innovation Hub, where students collaborate with industry on projects in three critical fields: aerospace, health technologies and cybersecurity. • Centennial College continues to enhance its applied research portfolio with a 10 per cent rise in research income for a total of \$7,003,000 in 2017, a significant increase that places the college seventh in Canada, according to Research Infosource's annual ranking of Canada's Top 50 Research Colleges.

ADMISSIONS INFORMATION

2019 Admissions scores & selection process for	Highly competitive program applicants are ranked based on a pre-determined formula using required subjects. Offers for our highest ranked applicants are sent starting on February 1. We will hold some offers for applicants who may register in second semester courses to meet admission requirements.
---	---

oversubscribed programs:	<p>Practical Nursing & Practical Nursing Flex: Minimum 12C, 75% each for English, Math, Biology & 1 additional science. Four course average of 83% to be competitive.*</p> <p>Paramedic: Minimum 12C, 75% each course for English, Math, Biology & 1 additional science. Four course average 97% to be competitive.*</p> <ul style="list-style-type: none"> • <i>Subject to change based on competition.</i>
Selection process for non-oversubscribed programs	Beginning February 1 st , and continuing until the program fills we send offers of admission to every applicant who meets the program requirements. Applicants can log in to centennialcollege.ca/myApplication to check the status of their application.
Grade 11 marks:	Centennial looks at grade 12 marks; in instances where the grade 12 course is in progress and midterm information is unavailable, we may issue a conditional offer based on final grade 11 marks for math and sciences.
Dual credits/SHSM programs:	Higgen Li, SCWI Officer hli@centennialcollege.ca Special consideration is not granted for Dual Credit or SHSM courses for admission. Some Dual Credit courses may be used as a transfer credit after beginning a program.
Alternate offers of admission:	Where possible, we will send alternate offers to related programs that best suit the applicant, based on their original choice and their grades submitted (or test scores). For some programs there is no alternate offer.
Supplemental admission requirements:	Supplemental requirements for programs (ie: portfolios, writing samples or letters of reference) are listed in brief on the program page in the Full-Time Calendar and in detail on the program page on the website. Communication is sent directly to the applicant.
Differentials:	Centennial applies a 10 or 15% grade differential for competitive programs. These are by individual program and are based on the academic school's determination for the success in the program. Please Note: <i>The ministry is currently reviewing the policy of using differential when calculating admissions averages.</i>
Workplace pathways:	Students with Grade 12 Workplace English may apply to: Auto Body Repair Techniques, Food Service Worker, Hospitality Foundations, Motorcycle and Power Sports Product Repair Techniques, and Trades Foundations – Motive Power.
Upgrading pathways:	English for Academic Purposes; General Arts and Science; Academic & Career Entrance(ACE); Career and College Transitions; Liberal Arts.
Post-graduate opportunities:	Centennial offers over 45 Graduate Certificate programs in Business, Hospitality, Tourism & Culture, Engineering Technology, Communications, Media & Design or Health Sciences Learn more at centennialcollege.ca/programs
Deferral policy:	Centennial does not defer offers of admission.
Student with disabilities:	Students seeking support should connect with the Centre for Accessible Learning and Counselling Services (CALCS) office as soon as they confirm their offer. Students should bring with them all the documentation they have including Individual Education Plans. centennialcollege.ca/csd csd@centennialcollege.ca
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	Students are asked to complete a Scholarship & Bursary questionnaire; after students have completed this questionnaire they will receive emails informing them of scholarships and bursaries they are eligible to apply for. centennialcollege.ca/financialaid
RESIDENCE INFORMATION	
Residence options:	Applications for September occupancy open in early February. Applicants are considered on a first-come, first-served basis. Placement is not guaranteed. There is no application deadline, but early application is recommended. A \$250.00 security deposit is required with a \$100 application fee. Accessible rooms available. Centennial-place.ca

INSTITUTIONAL INFORMATION

Student population:	Full-time students: 16,500 Apprenticeship: 3,338 Part-time: 38,000+
New programs:	<ul style="list-style-type: none"> • Bachelor of Engineering - Power Systems Engineering degree • Bachelor of Engineering - Building Systems Engineering degree • Mechanical Techniques - Precision Machining and Tooling certificate of achievement • Game – Design diploma
Program changes:	Hospitality Management – Hotel and Restaurant (Co-op) name has changed to Food and Beverage Management - Hotel and Restaurant Operations . The APS and MTCU codes remain the same.
What's new:	<p>Conestoga celebrates grand opening of Waterloo campus. The \$58M expansion project provides 150,000 additional square feet of classroom, lab and student space. Special features include state-of-the-art culinary and hospitality labs, a new, expanded student-run restaurant open to the public, technology-enabled classrooms and a Welcome Centre that provides access to programming and services for full and part-time students, newcomers to Canada and individuals seeking career counselling or job search support.</p> <p>Conestoga College, in partnership with the Ontario Dairy Council (ODC) and La Cité, will launch a new Centre of Excellence for cheesemaker training that will feature the province's most extensive hands-on training programs to address the growing demand for skilled workers and artisans for the dairy processing industry.</p> <p>Two Conestoga alumni joined the ranks of Ontario's most distinguished college graduates on November 26, when they were named as 2018 recipients of Premier's Awards. The awards, established in 1992, acknowledge the social and economic contribution that Ontario college graduates make to the province and throughout the world.</p>

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	<p>Electrical Technician – Industrial (Optional Co-op) - 77%</p> <p>Powerline Technician (Optional Co-op) – 78% + profile</p> <p>Nursing (BScN) and RPN to BScN – Min. avg. of 75% + CASPer</p> <p>Practical Nursing – 75% + HOAE + Min. mark of 75% in Biology</p>	<p>Paramedic – 85% + digital portfolio, requirements changing for 2020. Adding grade 11 or 12 math C or U and grade 11 or 12 chemistry or physics C or U. Cutoff may change for 2020.</p> <p>Pre-health – Between 70% to 75%</p> <p>Respiratory Therapy – 80% + digital portfolio</p>
Selection process for non-oversubscribed programs	Varies depending on the program. Some programs have minimum admission averages and some programs require supplemental admission information.	

Grade 11 marks:	Where the minimum subject requirement is grade 12, grade 11 marks in required subjects may be used in the calculation of academic strength for those applicants currently enrolled in the required subjects. For example, where grade 12 math is a subject requirement and the applicant is currently enrolled in that course but no midterm mark has been submitted, we will use the grade 11 math mark in the calculation of academic strength. In such cases, any offers of admission would be conditional upon the successful completion of the required Grade 12 course and the final grade in that course.
Dual credits/SHSM programs:	Conestoga College, in partnership with School College Work Initiative and ten area school boards, offers a variety of dual credit courses and OYAP programs. SHSM reach ahead activities and workshops are available. These opportunities offer pathways to postsecondary programs, trades and apprenticeship, connecting students to their future and beyond. For more information please contact Rosie Hessian Chair, Community Outreach, Pathways and Youth Engagement at rhessian@conestogac.on.ca
Alternate offers of admission:	Where possible, alternate offers of admission will be made to programs similar in nature to the original program and for which applicants meet admission requirements.
Supplemental admission requirements:	Depends on the program and may include mandatory information meetings, portfolios, interviews, resumes and/or questionnaires. Details about these requirements can be found online on the program page.
Differentials:	For all certificate, diploma and advanced diploma programs, secondary school marks for required courses will be awarded a 10-mark bonus as follows: Any U Level, any U/C or M level, any courses at the advanced level from the old curriculum – Advanced Level OAC. Note: differentials will NOT be applied to academic strength calculations for any degree or graduate certificate programs.
Workplace pathways:	Conestoga offers numerous programs that require an OSSD or equivalent with no specific course requirements. These include: Business Fundamentals, Food Service Worker, Bartending, Bookkeeping, Construction Techniques (multi trade), Brick & Stone Fundamentals and Community Integration through Co-operative Education.
Upgrading pathways:	Academic Upgrading and Preparatory Programs provide individuals, with and without their high school diploma (or equivalency), the opportunity to complete the required admission/prerequisite courses for entry into certificate and diploma programs. Free programming is available based on eligibility. upgrading@conestogac.on.ca
Post-graduate opportunities:	Agreements between Conestoga College and other post-secondary institutions are designed to allow our students the opportunity to study elsewhere, usually in the pursuit of a degree or other academic credential. www.conestogac.on.ca/credit-transfer/agreement.jsp
Deferral policy:	Not applicable
Student with disabilities:	Conestoga provides support for students with permanent and temporary disabilities. We work with students to understand the impact of their disability in the college environment and develop a success plan that considers your goals and the academic and testing accommodations available to support your full participation in Conestoga life. www.conestogac.on.ca/accessibility-services/
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	We make it very easy for students to apply for awards, bursaries and scholarships. Student Financial Services provides students with one online application, which they complete in the first month of the fall and winter semester to be considered for most of Conestoga's awards, bursaries and scholarships. Availability and deadlines are emailed to each student. www.conestogac.on.ca/financial-services
RESIDENCE INFORMATION	
Residence options:	Residence is on a first come, first serve basis and we continue to accept students until we are full (no application deadline). Historically, Residence is full around the end of May or early June. There is a non-refundable application fee of \$100.00 that is to be paid before a student is accepted to Residence. www.conestogac.on.ca/residence/

INSTITUTIONAL INFORMATION

Student population:	13,000 full time students and approximately 1000+ apprentices.
New programs:	<ul style="list-style-type: none"> • Carpentry and Renovation Technician • Police Foundations (fast-track) • Protection, Security and Investigation (fast-track) • Artificial Intelligence Analysis, Design and Implementation (graduate certificate) • Journalism (six semesters)
Program changes:	N/A
What's new:	<ul style="list-style-type: none"> • New Residence opening September 2019 at our Whitby campus • Centre for Collaborative Education – four story building at the Oshawa Campus, opened this past September • New lab space built for Fitness & Health Promotion students including studio, training, assessment and research space • New Cooperative Education options available*see page 6 in the college guide • Whitby Campus expansion- new 60,000-sq.-ft. centre

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	Admission is based on the average of four prerequisite senior-level (grade 11 and grade 12) subjects at the C, M or U levels, excluding co-op, and any other admission requirements noted on the program page. Please see our website for details. Highly competitive programs for 2019 are as follows: <ul style="list-style-type: none"> • Paramedic • Practical Nursing • Dental Hygiene • Occupational Therapist Assistant/Physiotherapist Assistant • Social Service Worker
Selection process for non-oversubscribed programs:	Applications received by February 1st will receive equal consideration. Following this date all applications will be considered on a first-come, first serve basis. Applications are evaluated based on published admission requirements.

Grade 11 marks:	Where grade 12 marks are not available because a student is either in the process of completing, or is registered for, a grade 12 prerequisite subject, the grade 11 mark for the same subject will be substituted. If a grade 11 chemistry mark is not available, the average final chemistry mark from the previous year's qualified applicant pool for the same program will be used for ranking.
Dual credits/SHSM programs:	<ul style="list-style-type: none"> • Dual credits are considered for credit transfer. • SHSM credits are not considered in the admission/selection process.
Alternate offers of admission:	Applicants who do not receive an offer to their program of choice should contact the Student Recruitment office.
Supplemental admission requirements:	Additional requirements can include testing, portfolio submission, questionnaire, interview, etc. Please see the program page for details.
Differentials:	Durham College does not apply differentials to C, M or U level credits.
Workplace pathways:	Prerequisite subjects required for admission to Durham College must be at the C, M or U levels.
Upgrading pathways:	<ul style="list-style-type: none"> • For applicants 19 and older Academic Upgrading is available: www.durhamcollege.ca/ace • Durham College offers Foundation programs in all areas of study • We also offer a variety of General Arts & Science and Pre-Health pathway options: www.durhamcollege.ca/academic-schools/school-of-interdisciplinary-studies
Post-graduate opportunities:	<ul style="list-style-type: none"> • Durham College offers eighteen graduate certificate programs: www.durhamcollege.ca/grad • There are many diploma-degree options available to graduates: www.durhamcollege.ca/pathways
Deferral policy:	Durham College does not defer acceptances.

INSTITUTIONAL INFORMATION

Student population:	6,000
New programs:	Community Pharmacy Assistant: This two-semester program is flexible in its delivery (online and in class) which allows you time to work while completing your coursework.
Program changes:	New Semester Abroad – Ecosystem Management Program: 4 th semester students will travel to the Pidwa Wilderness Reserve where the ASKARI conservation program is run. The partnering Educational Institution is with the University of the Witwatersrand Johannesburg. Only a select few educational institutions have secured a partnership with this institution: (Stanford U – Harvard U and University of Arizona). Practical Nursing: Grade 12C math now a requirement. Fish and Wildlife Technology: Students interested in the Fish and Wildlife Technology program are required to enter via the Fish and Wildlife Technician level of the program. During the second year of the technician level, students can apply, through an internal application process, to be considered for entry to the technology level. New May Intake: Carpentry Renovation Techniques; Mechanical Techniques- Plumbing; Mental Health and Addiction Worker
What's new:	New articulation agreements with our university partners: Wilfrid Laurier University - Bachelor of Arts in Environmental Studies pathway for graduates of Fleming's Environmental Technician, Ecosystems Management Technician, and Fish and Wildlife Technician programs; Queen's University - Bachelor of Health Sciences pathway for Fleming's Pre-Health Sciences graduates; University of Northern British Columbia - Bachelor of Science in Wildlife and Fisheries pathway for graduates of Fleming's Fish and Wildlife Technician or Technology programs

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	First consideration will be given to qualified applicants who submit applications by the Equal Consideration deadline. The number of seats will be determined proportional to number of applicants in each pool (i.e. high school, post-secondary). Selection of most academically qualified applicants from each pool. Practical Nursing (78%); Paramedic (84%) *averages from 18/19.
Selection process for non-oversubscribed programs:	Selection based on meeting admission requirements which can be complete or in progress at time of application.

Grade 11 marks:	Overall average is calculated on all completed Grade 11 and 12 courses (final grades only). Courses required for admission can be in progress at time of application and in this case an offer of admission will be conditional upon successful completion.
Dual credits/SHSM programs:	Dual Credit programming is offered in partnership with local school boards. Dual Credits earned either through Fleming or through other Colleges may be credited toward diploma or certificate programs. No preferential admissions given to SHSM graduates. Contact William Howe, Manager, Dual Credit Operations william.howe2@flemingcollege.ca.
Alternate offers of admission:	Alternate offers are extended to related programs for qualified applicants of oversubscribed programs who meet admission requirements. Acceptance of alternate offers does not impact consideration of students on waitlist for initial programs of application. Up to 25% of seats are reserved in Practical Nursing, Paramedic and Occupational Therapist Assistant and Physiotherapist Assistant for graduates from Fleming's Pre-Health Sciences Pathway to Certificates and Diplomas program.
Supplemental admission requirements:	No mandatory requirement for admission consideration (i.e. portfolio). See individual program web pages for information about First Aid, CPR, immunization requirements.
Differentials:	No differentials for C, M, U level courses.
Workplace pathways:	Blasting Techniques, Carpentry Renovation Techniques, Carpentry Renovation Technician, Esthetician, Heavy Equipment Operator, Outdoor Adventure Skills, Outdoor and Adventure Education, Personal Support Worker, Mechanical Techniques-Plumbing, Trades Fundamentals, Welding Techniques, Welding and Fabrication Technician (note: OLC 40 meets the English requirement)
Upgrading pathways:	Academic upgrading available with continuous intake.
Post-graduate opportunities:	18 Post Grad Certificates, 70 Advanced Standing Opportunities and many University and College Articulations.
Deferral policy:	Students may re-apply for consideration to a subsequent entry point.
Student with disabilities:	Peterborough: 705-749-5527 or toll free: 1-866-353-6464 ext. 1527 Lindsay, Cobourg, Haliburton: 705-324-9144 ext. 3320 or toll free 1-866-353-6464 ext. 3320
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	Visit flemingcollege.ca/financial for all award, scholarship and bursary information and deadlines. Financial Need Bursary: Over the last two years, approximately 75% of those who applied with a complete application were eligible to receive this bursary.
RESIDENCE INFORMATION	
Residence options: Residence Application Lottery Deadline: April 12, 2019 Residence Guaranteed: No All fees and deposit information can be found on the Housing Website	Residence available at Sutherland (Peterborough) 705-749-5100 and Frost (Lindsay) 705-878-9328. <ol style="list-style-type: none">1. What's new	<p>George Brown College is excited to be home to Ontario's first tall wood, low carbon institutional building: The Arbour. The Arbour is a 12-storey mass timber building at our Waterfront Campus and will mark an important step forward in Canadian mid-rise wood structures and will be the first project of its kind in Ontario. Construction of this exciting new \$130-million building is scheduled to begin in 2021, across from the Daphne Cockwell Centre for Health Sciences at Waterfront Campus.</p> <p>George Brown College has opened a state-of-the-art Smart Welding Lab to provide cutting edge training in one of the world's most essential trades. The new facility will help ensure George Brown students stay on top of rapid developments in the construction industry. The Smart Welding Lab offers:</p> <ul style="list-style-type: none"> • Monitors and highly specialized cameras that allow instructors to demonstrate and digitally document welding techniques • 6 virtual welding units that allow students to practice using realistic simulations • An accessible welding station for people with special needs <p>Students enrolling in Design programs for September will be part of the first fall intake at the recently opened Daniels Waterfront building. The new facility provides 103,000 square feet of space for hands-on learning and collaboration, both among students and with industry partners.</p>
-------------------	---

RESIDENCE INFORMATION

Residence options	<p>George Brown's student residence, The George, offers fully furnished 2-bedroom suites with a kitchenette. Included in each suite is Wi-Fi, cable television, phone/local calling, and all utilities. It is located approximately 15-minute walk from both Waterfront and St. James campuses and is on a major transit line. With ample community spaces like a state-of-the-art games lounge, fitness area, BBQ patio, and study spaces, the residence combines the complete student experience with proximity to all the city's amenities.</p> <p>Residence application has no deadline. Applications are based on a first come, first served basis. As such, there is also no guaranteed residence for any student. The room deposit fee is \$475 and is refundable for Fall/Winter applicants if they cancel by June 17th and for Summer the refund deadline is April 1st. Applications can be found at georgebrown.ca/residence or email info@georgebrownresidence.ca.</p>
--------------------------	---

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs	Oversubscribed programs can change year to year. First round offers are issued to applicants with highest marks in course prerequisites (and any supplemental requirements, if applicable).		
	Program	Recommended Grades to be Competitive	Supplementary Requirements
	Bachelor of Science in Nursing (S118)	80-90% in required courses	Supplementary form for specific applicants
	Child & Youth Care (C133)	70% in English	N/A
	Dental Hygiene (S124)	80 to 85% in English, Math, Bio, Chem or Physics	N/A
	Denturism (S101)	75% in English, Math, Bio, Chem or Physics	N/A
	Early Childhood Education (C100)	70% in English	Mandatory information session for applicants with a conditional offer
	Orthotic/Prosthetic Technician (S102)	75% in English, Math, and Biology	Interview, written test, and dexterity test
	Practical Nursing (S121)	80 to 90% in English, Math, Biology, and Chemistry	Video interview for the highest ranked applicants only
Social Service Worker (C119)	75% in English	N/A	
Selection process for non-oversubscribed programs	Highest marks in the program prerequisites and any relevant supplementary admission requirements as applicable will receive an "Offer of Admission" in the first round of offers. The program waitlist is determined based on the quality and number of applicants. Meeting the minimum requirements does not guarantee admission to a program.		
Grade 11 marks	Minimum of 60% in Grade 11 C or U English can be used to receive a Conditional Offer in certain programs.		
Dual credits/SHSM programs	George Brown does not give any advantage to applicants with Dual Credits or Specialist High Skills Majors (SHSM) in making admissions decisions.		
Alternate offers of admission	Applicants who do not meet the program admission requirements or are not competitive enough may receive an "Alternate Offer" of admission to a related or Foundation-level program.		
Supplemental admission requirements	Some programs require a letter of intent, interview, portfolio, audition, etc. Academic Departments will issue notification to applicants regarding supplemental admission requirements. See individual program admission requirements for details at georgebrown.ca/programs .		
Differentials	George Brown does not use grade differentials.		
Workplace pathways	College Vocational program (A101) accepts students from "Workplace" programs. Learn more about School of Work and College Preparation programs at georgebrown.ca/preparation/programs .		
Upgrading pathways	Academic Upgrading is available for Mature Students. High school students are not eligible for Academic Upgrading. georgebrown.ca/preparation/programs .		
Post-graduate opportunities	A diploma or degree is an admission requirement for most Postgraduate programs. Some programs also have a work experience requirement. georgebrown.ca/postgrad/ .		
Deferral policy	George Brown does not defer Offers of Admission. Apply in the year and term you are able to attend.		
Student with disabilities	Students who have a permanent or temporary disability or who suspect they have a disability and are awaiting an assessment are eligible to receive academic accommodations from Accessible Learning Services. Accommodations may include, but are not limited to: extra time and use of a computer to write a test, note-taking assistance in class and negotiated extensions for assignments. To register, fill out our confidential intake form and submit it to our office along with supporting documentation for your disability or disabilities. georgebrown.ca/accessible-learning-services/ or contact us at letstalk@georgebrown.ca .		
SCHOLARSHIP AND FINANCIAL AID INFORMATION			
Scholarships, bursary and awards application information and deadlines	In 2018-19, over \$120 million was disbursed in funding from OSAP, awards, scholarships and bursaries. Information about various financial assistance programs is available at georgebrown.ca/financialaid . Students at George Brown College can apply for various in-course scholarships, awards and bursaries by logging into the Stu-View portal. Information about the types of awards and application deadlines is posted on georgebrown.ca/financialaid/awards . Check in August for the availability of awards and bursaries for the upcoming year. The college also participates in the HigherEdPoints.com program, which allows family and friends to donate Aeroplan Miles and convert them into funds to cover education costs.

<p>What's new:</p>	<p>The new Peter B. Moore Advanced Technology Centre is a game-changing, \$30-million facility at the Barrie Campus. Students will use its leading-edge labs and spaces to collaborate with faculty and industry partners on relevant research projects and new products to grow the regional economy. GeorgianCollege.ca/ATC Georgian is Canada's first designated changemaker college. Georgian's Centre for Changemaking and Social Innovation helps students and non-profit organizations address social challenges and affect positive change. GeorgianCollege.ca/CCSI</p>

ADMISSIONS INFORMATION	
2019 Admissions scores and selection process for oversubscribed programs:	Applicants are ranked using academic grades and other selection tools such as testing, resumés, etc. Once the desired number of offers has been reached through rounds of offers, only qualified applicants may be placed on a waiting list.
Selection process for non-oversubscribed programs	Applicants are ranked based on academic grades. Once the desired number of offers has been reached, qualified applicants are placed on a waiting list.
Grade 11 marks:	Some programs will accept Grade 11 math with a minimum grade of 60 per cent. For programs requiring Grade 12 courses, and if a Grade 11 final grade has been provided, we may use the Grade 11 mark as an estimate until a mid-term or final grade for the Grade 12 course is received. It is always recommended that students challenge themselves in high school and complete the highest levels of a subject to better prepare for success in college.
Dual Credits/SHSM programs:	Dual Credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption or credit transfer.
Alternate offers of admission:	Eligible students who were not admitted to an oversubscribed fall semester program may be offered a spot in a winter intake. If there is no winter intake, Georgian may offer students seats in preparatory programs such as Pre-Health Sciences or other programs of interest.
Supplemental admission requirements:	See individual program web pages for information about G2 driver's license, First Aid, CPR, immunization requirements, Police Vulnerable Sector Check, portfolios and all other non-academic requirements.
Differentials:	Georgian does not use grade differentials for C, U or M courses.
Workplace pathways:	All postsecondary programs at Georgian require a minimum of C, M or U level courses. Workplace credits may be considered as part of an application to the Community Integration Through Co-operative Education (CICE) program. Applicants who have workplace levels in required courses will be counselled to pursue academic upgrading through the Academic and Career Preparation program.
Upgrading pathways:	Applicants taking upgrading can apply to all certificate and diploma programs. Once enrolled, students have pathway options to transfer into degree programs offered at Georgian. GeorgianCollege.ca/degrees
Graduate certificate opportunities:	Georgian offers 23 graduate certificates allowing diploma and degree holders to fast-track into the workplace in just nine to 12 months.
Deferral policy:	Offers of admission and waiting lists are valid for the current term only. Deferrals are not available.
Student with disabilities:	All Georgian students with disabilities are eligible for accommodations and support services. The Student Success Services team provides students with supports that are essential for their success at college. GeorgianCollege.ca/accessibility
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	More than 750 awards and scholarships with an average value of \$1,000 are available to students each year. GeorgianCollege.ca/awards Georgian distributes approximately \$2 million per year in bursaries to students in financial need. GeorgianCollege.ca/bursaries Over \$11-million in scholarships, bursaries and awards are offered through Lakehead University. LakeheadGeorgian.ca/financialaid

INSTITUTIONAL INFORMATION				
Student population:	More than 33,000 full-time students and more than 23,000 part-time and continuing education students. <table border="1" data-bbox="505 995 1511 1031"> <tr> <td>North Campus: 20,878</td> <td>Lakeshore Campus: 12,305</td> <td>Orangeville Campus: 186</td> </tr> </table>	North Campus: 20,878	Lakeshore Campus: 12,305	Orangeville Campus: 186
North Campus: 20,878	Lakeshore Campus: 12,305	Orangeville Campus: 186		
New programs:	North Campus: Building Construction Technician Diploma; Carpentry and Renovation Techniques Certificate; Construction Engineering Technology Advanced Diploma; Radio and Media Production (PG); Transfer Services Sales Representative (formally known as Funeral Pre-Planner Certificate) Lakeshore Campus: Film and Multiplatform Storytelling (PG)			
Program changes:	Beginning September 2019 all applicants interested in the DSW part time program and Police Foundations part time program must apply via OCAS. Beginning September 2019 Protection, Security and Investigation – Crime Scene Investigation, has been replaced by Forensic Identification (PG). The admission requirement is a diploma, advanced diploma or degree. Humber Motorcycle Training Program (CE) will cease being offered at the end of 2019.			
What's new:	Humber Academic Division's transition from Schools to Faculties: Faculty of Applied Sciences and Technology (FAST); Faculty of Business (FB); Faculty of Health Sciences and Wellness (FHSW); Faculty of Liberal Arts and Sciences and Innovative Learning (FLA); Faculty of Media and Creative Arts (FMCA); Faculty of Social and Community Services (FSCS). Humber North and Lakeshore Campus have both attained FairTrade Designation . Humber is a Smoke Free College as of January 1, 2019 . Humber is the first public College in Canada to formally adopt the Okanagan Charter , committing us to health and wellness in all aspects of our culture. Humber students will have a fall reading week starting September 2019. IGNITE (Student Government) has a new Dispute Resolution Clinic on campus and at the North Campus they opened a Pay What You Can Soupbar . Tzu Chi Clinic of Traditional Chinese Medicine officially opened earlier this year.			

ADMISSIONS INFORMATION	
2019 Admissions scores and selection process for oversubscribed programs:	Cut-off marks vary from year to year depending on the applicant pool. Please see ontariocolleges.ca/apply/highly-competitive-programs to search over-subscribed programs and admission requirements.
Selection process for non-oversubscribed programs:	Grades are generally used for admission to non-oversubscribed programs. There are some competitive programs (i.e. Practical Nursing), and health-related programs, where grads are not used when issuing an admission offer. Instead successful completion of a mandatory test, (which is comprised of English, Math, Chemistry and Biology) is the basis of issuing an offer. Some non-oversubscribed programs do have secondary requirements such as portfolios or auditions. Please see program pages at humber.ca/program for information on individual program selection processes.
Grade 11 marks:	Grade 11 marks are used to evaluate applications and issue conditional offers. For degree applicants, grade 11 marks will be used as placeholders for incomplete grade 12 courses. For certificate and diploma applicants, grade 11 marks may be used as elective courses and be used for GPA calculation.
Dual credits/SHSM programs:	Please see humber.ca/dualcredit for dual credit courses. Connect with us at student.recruitment@humber.ca for SHSM partnership opportunities.
Alternate offers of admission:	Applicants may receive alternate offers to related or preparatory programs.
Supplemental admission requirements:	Additional admission requirements (where applicable) can be viewed by clicking the “View Additional Requirements” button on the Admission Requirements tab. These can be found on each program page located on humber.ca/program .
Differentials:	Humber does not use grade differentials for admission purposes.
Workplace pathways:	Humber will only review courses at the C, M or U level for admissions.
Upgrading pathways:	Humber offers different upgrading pathways for students including; foundation programs such as arts, design and media; General Arts and Science programs in areas such as College or University Transfer, Health and Science and Technology. We offer a range of pre-apprenticeship programs including Electrical, Plumbing, Welding and the Mechanical Techniques – Millwright. Please see http://humber.ca/admissions/transferoptions/transfer-within/humber-pathways.html .
Post-graduate opportunities:	Humber offer in total 50 Ontario Graduate Certificates in various disciplines.
Deferral policy:	Humber does not defer admission.
Student with disabilities:	Humber’s Accessible Learning Services facilitates equal access for students with disabilities by coordinating academic accommodations and services. Click on Accessible Learning Services at wegotyout.humber.ca for more information on services and supports for students with disabilities.
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	Humber offers over \$10 million in scholarships, bursaries and awards each year. A wide range of scholarships and bursaries for First Generation, Aboriginal, degree-bound, diploma graduates transferring to degrees, students with financial need and many others are available. On-campus Work Study jobs are also available. Please see humber.ca/financial-aid and http://www.humber.ca/studentawards for more information on awards, application procedures and deadlines.
RESIDENCE INFORMATION	
Residence options:	Dorm & Suite-style rooms. Meal plan is mandatory for all students living in Residence. Residence applications are processed on a first-come first-served basis. A \$500 deposit is due with the submission of a Residence application until we waitlist, after residence reaches a waitlist the deposit is due once a room offer is made. Application deposit is a non-refundable after June 8th 2019 . First year students are not guaranteed a Residence space at Humber. Please see humber.ca/residence for the online applications form as well as rates, room layouts, information on wait lists, and more.

Upcoming events:	Fall & Spring Open House: lambtoncollege.ca/openhouse - March 30, 2019
INSTITUTIONAL INFORMATION	
Student population:	3,600 full-time students & 6,500 part-time students
New programs:	New Programs in 2019: Heating, Refrigeration & Air Conditioning Technician – 2 year diploma Power Engineering Techniques – 1 year certificate Occupational Therapist Assistant & Physiotherapist Assistant – 2 year diploma Tourism – Operations Management – 2 year diploma Cyber Infrastructure Specialist – 2 year diploma Launched in 2018: Chemical Lab Technician – 2 year diploma Culinary Management – 1 year accelerated diploma Esports Entrepreneurship & Administration – 2 year diploma Recreation Therapy – 2 year diploma
Program changes:	Computer Programmer: This program has moved to a 7-1-7 delivery model based on seven weeks of classes, a one-week break and then another seven weeks of classes (7-1-7). There is no specific exam week in this model but exams may be held in the last week of class. Capstone Projects: Newly added to a variety of programs are capstone projects, which take place in the last term. Capstones are major projects designed to utilize all the skills students have learned in their training. Nipissing Pathway for Technology: Graduates from our CPET, ICET & PETC programs are now eligible to complete a Bachelor of Commerce or Bachelor of Business Administration through Nipissing University at Lambton College using a mixture of in-class and online delivery
What's new:	Nova Chemicals Health & Research Centre: This newly constructed 60,000 sq. ft. facility has been intentionally designed to provide optimal exposure to the healthcare industry through interdisciplinary learning. Athletics & Fitness Complex: This 40,000 sq. ft. facility houses a double gymnasium and a 6,000 sq. ft. multi-purpose fitness and studio space. Centre of Excellence in Energy & Bio-Industrial Technologies: \$11 million renovation and upgrade boasts facilities, simulators, and collaborative spaces to provide enhanced education, training, and applied research opportunities. Esports Varsity Team and Arena: Lambton was the second Canadian college to create a Varsity Esports team. The Esports Arena was the first dedicated gaming space at a Canadian college, housing 22 gaming computers and world-class equipment. This space is open to the public for recreational use.

What's New Continued:	<p>Nuclear Accreditation Agreement: An agreement with Bruce Power for Instrumentation Control Engineering Technology, Chemical Production Power Engineering Technology and Millwright Mechanic Technician. Will allow students to do field or cooperative experiences.</p> <p>Research: Lambton College is ranked #1 in Canada for applied research activity and #1 in Canada for the number of paid research students (students involved in applied research projects that were paid for their work) at a medium-sized college.</p> <p>Enactus Lambton: In 2018, Enactus Lambton was crowned World Champions at the Enactus World Cup in recognition of their innovative One Seed project. Enactus is made up of a group of students using business ventures to support communities locally and abroad.</p>

INSTITUTIONAL INFORMATION

Student population:	Approximately 3,000
New programs:	<ul style="list-style-type: none"> • Advertising & Marketing Communications – Creative Design: This two-year program prepares students to develop plans and create engaging concepts to connect brands with their customers through a range of media, advertising and marketing strategies. • Computer Networking & Technical Support: In this two-year program, participants learn the specialized skills needed to develop, operate, troubleshoot and maintain computer network systems. • Cannabis Applied Science: This one-year post-graduate program is the first of its kind in Canada to allow students to build on their degree or Ontario College diploma with the in-depth skills to support cannabis product development, inform process optimization, and address natural product quality, consistency and safety.
Program changes:	Child & Youth Care: Two delivery options are now available; program requirements are completed in six semesters, either in a three-year traditional or two-year accelerated program structure.
What's new:	<ul style="list-style-type: none"> • When it comes to Ontario college graduates getting jobs, Loyalist is the top College in the province, according to Key Performance Indicator (KPI) results released in November by Colleges Ontario. The research shows that 90.8 percent of 2016-17 Loyalist graduates were employed within six months after graduation, compared to the provincial average of 85.7 percent for Ontario's 24 colleges. • Loyalist College signed pathway agreements with the Limerick Institute of Technology and the Institute of Technology Tralee in Ireland. Graduates of numerous Loyalist two- and three-year diploma programs have the opportunity to earn a degree in as little as one academic year through advanced standing entry into Bachelor programs. • Loyalist College and Queen's University signed a pathway agreement that provides graduates of the College's Pre-Health Sciences Pathway to Advanced Diplomas and Degrees Certificate program with the opportunity to pursue a Bachelor of Health Sciences (Honours) Degree at Queen's University through online learning.

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	An applicant must first meet the minimum required grade(s) in each of a program's pre-requisite course(s) and then be ranked by an overall average in these courses and any other courses specified. Additional OSSD credits and overall GPA are not calculated during the competition. In the event that the required credits are in progress, the Admissions team may refer to the applicant's relevant Grade 11 mark. Meeting the minimum admission requirements does not guarantee admission.
Selection process for non-oversubscribed programs:	All qualified applicants who apply before Feb. 1 are issued an offer. Qualified applicants who submit applications after Feb. 1 will receive offers on a first-come, first-served basis.
Grade 11 marks:	For non-oversubscribed programs, Grade 11 marks are not evaluated during the application process unless the credit is a specific requirement of a program.

Dual credits/SHSM programs:	Loyalist currently offers approximately 35 dual credit courses for secondary school students in the following local area school boards: Algonquin and Lakeshore Catholic; Durham Catholic District; Durham District; Hastings and Prince Edward; Kawartha Pine Ridge; Limestone; and Peterborough, Victoria, Northumberland and Clarington Catholic. For more information, please visit loyalistcollege.com/dual-credit or contact scwi@loyalistcollege.com .
Alternate offers of admission:	Students who do not meet the minimum admission requirements for a desired program, or who are unsuccessful in an admissions competition, are issued an alternate offer to a similar program for which they qualify.
Supplemental admission requirements:	Supplemental admission requirements may be required. Requirements may include portfolios, criminal record checks, immunization records, CPR and anaphylaxis certificates.
Differentials:	C, M, U credits are all weighted equally where applicable. Applicants for our Bachelor of Science in Nursing degree program must possess the required U and M level credits.
Workplace pathways:	Please see Workplace pathways page.
Upgrading pathways:	Certain conditions may allow applicants to gain admission to their desired program by completing our Career & College Prep program or by successfully completing the Mature Applicant Pre-Entry Test.
Post-graduate opportunities:	Please visit loyalistcollege.com/postgrad for a full list of post-graduate programs, including Public Relations – Event Management, Human Resources Management and Cannabis Applied Science, among others.
Deferral policy:	N/A
Student with disabilities:	AccessAbility Services assists students with disabilities in adjusting to the College environment. Since each student’s needs are unique, supports and accommodations are arranged on an individual basis. Disabilities may include learning, ADHD, mental health, autism spectrum disorder/Asperger’s, deaf, hard of hearing, blind, low vision, mobility, medical, and brain injury. Services are free, voluntary and confidential. Students must self-identify and are encouraged to contact AccessAbility Services well in advance of attending to arrange a time to discuss services and supports. For more information, please contact studentsuccess@loyalistcollege.com or call 613-969-1913, ext. 2519.
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	<ul style="list-style-type: none"> • Specialist High Skills Major Award: This annual bursary is available to students who have received their SHSM designation and are entering first year in a post-secondary program at Loyalist College. Five awards of \$1,000 will be granted based on a 500-word essay on the student’s SHSM experience and how it impacted their post-secondary pathway. Students will apply for this award through myloyalist.com in August. • The Weston Family Scholarship in the Skilled Trades: Designed to attract students to skilled trades careers, The W. Garfield Weston Foundation Fellowship offers tuition and bursary incentives to help students train for and succeed in this growing labour market. During the course of their studies, recipients who maintain a specified minimum average can receive up to \$4,000 in awards and a tuition credit. For deadlines and application details, visit loyalistskills.com. • Loyalist College Entrance Scholarship: Students who have a high school average of 87% or higher and accept our offer of admission by May 1 are eligible to receive a \$1,000 scholarship (average is based on all Grade 11 and the top six Grade 12 courses). Students must maintain their 87% average through to graduation to receive the scholarship.
RESIDENCE INFORMATION	
Residence options: Residence application Deadline Residence guaranteed? Room deposit fee Online application form	Loyalist offers five suite-style Residences with enough space for 476 students; these fully furnished Residences are set up apartment-style, with six single bedrooms, two bathrooms and a kitchen that is equipped with a fridge, stove, microwave and dishwasher. Loyalist also has four fully furnished townhouse accommodations with four single bedrooms. Students can request a quiet building or an alcohol-free building as well as a roommate preference. Students are accepted on a first-come, first-served basis. Potential students may apply before confirming an offer of admission. There is no application deadline, and students can apply through the myLoyalist student portal. A \$50 application fee is required, and a \$500 deposit is necessary to hold your space.

INSTITUTIONAL INFORMATION

Student population:	Mohawk College delivers quality education to more than 32,000 full-time, part-time and apprenticeship students, 660 Indigenous students, 4,200 international students from more than 70 countries and 1,000 academically at-risk high school students.
New programs:	452 – Construction Techniques
Program changes:	562 – Computer Engineering Technology – Mechatronic Systems replaces 552 – Computer Engineering Technology; 563 – Computer Engineering Technician – Mechatronic Systems replaces 583 – Computer Engineering Technician; 378 – Photography – Still and Motion replaces 277 – Creative Photography – Still and Motion; 354 – Business Fundamentals – Small Business replaces 179 – Small Business and Entrepreneurship
What's new:	<p>Mohawk launched a new partnership with Schlegel Villages in January 2019. Students in the Personal Support Worker certificate have the opportunity to work with older adults at the new training facility at The Village of Wentworth Heights. The first of its kind for Mohawk's Personal Support Worker program, the community site includes a classroom, computer lab, skills lab, faculty offices, a student lounge and a mock apartment identical to those at the long-term care facility. Clinical placements to take place on site.</p> <p>A new Interactive Digital Centre (IDC) was announced in October 2018 in partnership with EON Reality Inc., the world leader in Augmented and Virtual Reality-based knowledge transfer for industry and education. Mohawk will host the IDC's VR Innovation Academy where students can specialize in Virtual Reality and Augmented Reality development, coding, modelling and animation. The student work will focus on applications for the technology in industrial, medical, and educational settings. The first cohort started in January 2019 and a graduate certificate will be introduced in September.</p> <p>Opened in September 2018, The Joyce Centre for Partnership & Innovation is a showcase of sustainability, technology and leadership in education and is the result of the college's vision to be a leader in campus innovation. The 96,000-square-foot centre is Canada's largest and the region's first zero carbon institutional building. The building houses the cutting-edge Digital Creativity Centre and labs specializing in digital health, avionics, renewable energy testing, energy and power management, industrial automation and cyber security. The labs are designed to be flexible in order to accommodate collaboration with industry partners on projects of any size.</p>

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	Eligible applicants to oversubscribed programs, who have applied before the Equal Consideration Date (Feb 1), are ranked by grades of required courses. Additional selection criteria may be applicable. We do not publish cut-off scores for oversubscribed programs as they are determined based on the applicant pool and vary from year to year.
Selection process for non-oversubscribed programs:	All eligible applicants who have applied before the Equal Consideration Date (Feb 1) receive an offer of admission.
Grade 11 marks:	When an applicant does not have a midterm or final grade for their Grade 12 requirement(s), we will consider their Grade 11 final grade, when ranking for competitive programs only.

Dual credits/SHSM programs:	Health & Wellness, Design/Engineering, Welding, Media, Automotive and Indigenous Studies complement the existing General Education, Technology, and OYAP programs offered on campus and in secondary schools throughout the Golden Horseshoe and Haldimand-Norfolk communities. Visit mohawkcollege.ca/dualcredit
Alternate offers of admission:	Applicants to waitlisted programs, and applicants not eligible to their program of choice who are not pursuing upgrading or testing options, may be sent an alternative offer for a related program.
Supplemental admission requirements:	Additional selection criteria may be used for oversubscribed programs. Examples are standardized testing (HOAE), portfolios, interviews, reference letters, auditions, questionnaires, testing, etc.
Differentials:	Information on how C, M or U level courses are considered as part of our admissions process: As per the Ministry's Binding Policy Directive, all C, M or U level courses are considered equally for the purpose of admissions decisions.
Workplace pathways:	Applied Music Preparatory (105) Art & Design Foundations (270), Career Pathways (361), Human Services Foundation (276), Pre-Justice (250), Pre-Media and Entertainment (194), Mechanical Techniques (571-579) Visit mohawkcollege.ca/preparatory-studies
Upgrading pathways:	Opportunities exist through Continuing Education and through the Academic Upgrading program funded by Employment Ontario (EO). For English as a Second Language applicants, we offer General Arts & Science- English for Academic Purposes mohawkcollege.ca/278 (Domestic) and mohawkcollege.ca/478 (International).
Post-graduate opportunities:	Mohawk offers a number of graduate programs. Visit mohawkcollege.ca/gradstudies .
Deferral policy:	n/a
Students with disabilities:	Mohawk has a comprehensive Accessible Learning Services department to support Academic Accommodations for students with disabilities. Visit mohawkcollege.ca/als
AWARDS AND FINANCIAL ASSISTANCE INFORMATION	
Scholarships, bursary and awards application information and deadlines:	Mo' Money Financial Literacy Resource Centre supports students in becoming more confident with their finances. Whether saving for school, making a budget, or planning for a major purchase we can help. Visit us any time at mohawkcollege.ca/momoney . Application for Awards and Bursaries open six weeks prior to the start of each semester. For specific dates, visit mohawkcollege.ca/awards .
RESIDENCE INFORMATION	
Residence options:	Residence applications open on February 1 each year. Spaces are limited, with applications being accepted on a first-come, first-served basis. A security deposit of \$350 is due at the time of application (which is a refundable amount at the end of your stay in residence). Should a student choose to cancel their application, they must do so before June 15 in order to receive their \$350 deposit back. Visit mohawkresidence.ca and click the 'Apply Now' button in the top right hand corner to get started. General application inquiries can be sent to info@mohawkresidence.ca .

INSTITUTIONAL INFORMATION

Student population:	<p>Over 11,000 Full-time students</p>
New programs:	<p>Fall 2019 Sport Administration – 2 year post-secondary Diploma Nutrition for Sport and Performance – 1 year online Graduate Certificate</p>
Program changes:	<p>New Intake: Spring 2020 – Hairstyling</p>
What’s new:	<p>Niagara College has completed the \$64-million Campus Redevelopment project which provides new and expanded facilities at both campuses. The facilities include a new cafeteria and student commons at the Welland Campus, and the Marotta Family Innovation Complex at the Niagara-on-the-Lake Campus which hosts a 49,000 square foot fitness centre, agri-food research complex, training facilities for student engagement and entrepreneurship, research and innovation laboratories, and an incubation space for business development.</p>

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	<p>For competitive programs, applications received on or before the application deadlines are equally considered, based on published admission requirements and residency priority. Selection is based on the average of final grades in all required courses and, if required, pre-admission test or portfolio scores. Course averages are based on the highest final grade available at the time of evaluation. Mid-term grades are not considered for competitive programs. However, grade 11 final grades are considered where the required grade 12 course is in progress. For detailed Pre-Admission Requirements and important dates visit: NiagaraCollege.ca/PAR</p>
Selection process for non-oversubscribed programs	<p>Applications to open programs are evaluated based on published admission requirements. Acceptances are issued upon receiving admission requirements and continue to be issued until the program reaches capacity.</p>

Grade 11 marks:	Grade 11 final grades are considered where the required grade 12 course is in progress. (Example: When an applicant is enrolled in a required grade 12 English (and has no previous final mark for grade 12 English), evaluation will be based on the final mark for grade 11 English. Offers of admission granted in this circumstance will be conditional upon successful completion of the required grade 12 English).
Dual credits/SHSM programs:	Dual credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/transfer credit opportunities. Niagara College offers a \$1,000 Specialist High Skills Major Scholarship for eligible applicants applying for admission into an identified related Niagara College program. For details visit: NiagaraCollege.ca/SHSM
Alternate offers of admission:	Alternate offers of admission may be issued to related or preparatory programs.
Supplemental admission requirements:	We refer to supplemental admission requirements as Pre-Admission Requirements. Additional fees may apply. For detailed Pre-Admission Requirements and important dates visit: NiagaraCollege.ca/PAR
Differentials:	Niagara does not differentiate between C, M or U level courses.
Workplace pathways:	All post-secondary program at NC require a minimum of C, M or U level courses. Workplace credits may be considered on an individual basis for admission to some preparatory certificate programs or as part of admission to the Community Integration through Continuing Education (CICE) program
Upgrading pathways:	Preparatory Certificate programs are offered in Pre-Health, Pre-Community, Pre-Technology and College Exploration. The Academic and Career Entrance (ACE) certificate program is available for candidates who are at least 19 years of age and do not have the required courses for admission. NiagaraCollege.ca/ACE
Post-graduate opportunities:	Graduate Certificate programs are offered at Niagara College. Niagara College also offers pathways to other degrees and diplomas at both Niagara College and other institutions. To review established pathways visit: NiagaraCollege.ca/Pathways
Deferral policy:	Offers of admission and waiting lists are valid for the current term only. Deferrals are considered on an individual basis when documentation (ex. medical note) is provided
Student with disabilities:	Accessibility Services Welland Campus: 905-735-2211 ext. 7778/7635 Niagara-on-the-Lake Campus: 905-641-2252 ext. 4408/4449 For types of support and accommodations visit: NiagaraCollege.ca/AccessibilityServices

INSTITUTIONAL INFORMATION

Student population:	1,800 Full-time students + 6,700 Part-time and Continuing Education students
New programs:	Global Business, Entrepreneurship and Technology – 2 year diploma Healthcare Management – 1 year post graduate certificate Building Inspection Technician – 2 year diploma
Program changes:	Pre-Service Firefighter Program - Timmins Fire Department is now offering Northern College students the unique opportunity to gain real world experience as volunteers within all five of their departments. Students will become more than just a student; they will become an active member of the Timmins Fire Department. The training Northern provides to students in the first 4 months of the semester allows for them to begin working safely as volunteer firefighters, while they continue their formal training at the college.
What's new:	Northern College and Algoma University are offering “2+1” and “2+2” Academic pathways, along with Joint Admission. Students can continue onto degree studies at the Timmins Campus, and/or Algoma Campuses. Current pathways available are between Northern College Business diploma programs to Algoma’s Bachelor of Business Administration. Computer Engineering Technician to Bachelor of Computer Science via eCampus.

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	Varies from year to year, only minimum requirements are published. However, the cut off for highly competitive programs is higher than the minimum requirement issued. Highly competitive programs are programs that receive more applications than seats available in the program. As a result, applications received by February 1 st are ranked in order of priority according to highest academic achievement in the admission requirements published for the program. After the February 1 st equal consideration date, applications are waitlisted should seats become available in the program.
--	--

Selection process for non-oversubscribed programs	Must meet minimum admissions requirements or be in the process of obtaining admission course requirements to receive a conditional offer. Proof of registration in high school courses or upgrading is required. Applicants continue to be assessed until September, or until the program cap is reached and then a waitlist is created.
Grade 11 marks:	Admissions may use marks from Grade 11 for students in highly competitive programs where Admissions does not have Grade 12 marks to base their offer. However, we recommend that applicants if possible, try to have Grade 12 requirement course(s) for a highly competitive program completed in the first semester of their last year to be more competitive in the process.
Dual credits/SHSM programs:	Dual credits would be looked at for credit exemption. List of dual credit programs available upon request.
Alternate offers of admission:	Applicants that do not meet admission requirements for selected programs may be provided an alternative offer where they do meet the admission requirements, dependent on availability of seats in any given program.
Supplemental admission requirements:	No admissions testing - Veterinary Sciences, Health Sciences and Community Services placement (First Aid, CPR, Immunization records, police check). Admission testing is offered to mature students who do not have the required English or Math, (no testing available for sciences).
Differentials:	Northern College does not use differentials.
Workplace pathways:	Students with workplace level courses are able to study our Animal Grooming Certificate program. We also offer academic upgrading. For more information, please visit the Northern College website regarding workplace level courses.
Upgrading pathways:	Academic upgrading available. Preparatory programs; Pre-Health Sciences Pathway to Advanced Diploma and Degrees. General Arts and Science – Exploratory.
Post-graduate opportunities:	Companion Animal Physical Rehabilitation, Healthcare Management, Paramedic Bridging, Welding Design – International.
Deferral policy:	Only in extenuating circumstances – requests must go to our Registrar and are considered on an individual case-by-case basis.
Student with disabilities:	Timmins Campus: 705-235-3211 ext. 2237 lecuyers@northern.on.ca Haileybury Campus: 705-672-3376 ext. 8818 jibbw@northern.on.ca Kirkland Lake Campus: 705-567-9291 ext. 3625 oreillys@northern.on.ca Moosonee Campus: 705-336-2913 ext. 5603 smallw@northern.on.ca

Upcoming events:	Tentative fall Red Carpet Days: November 20, 2019 – Equine Industry Programs (Clinton) November 26, 2019 - Veterinary Industry Programs November 27, 2019 - Agriculture, Environmental Management, Horticulture.

INSTITUTIONAL INFORMATION

Student population:	Approximately 660 full-time students (Approximately 40 students in Clinton)
New programs:	No new programs for fall 2019
Program changes:	No changes at this time
What's new:	<ul style="list-style-type: none"> • First Associate Diploma in Equine Care & Management class graduating in spring 2019. • Applicants to the Associate Diploma in Veterinary Technology are no longer required to provide proof of 40 hours of related work experience <p>We currently have many different experiential learning opportunities for students:</p> <ul style="list-style-type: none"> • Proposal stage: Equine Programs Study Tour to Britain (equine programs) • Kentucky Equine Tour (equine programs) • Belize Study Tour (agriculture and horticulture programs) • World Dairy Expo Tour (agriculture program) • USA Ag Study Tour (agriculture program) • European Landscapes & Gardens Tour (horticulture program)

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	<u>Associate Diploma in Veterinary Technology</u> <ul style="list-style-type: none"> • Grade 12 C/U Math and English, Grade 11C/U Biology, Grade 12C/11U Chemistry. • College level courses must each have a minimum final average of 75% and University level courses must each have a minimum final average of 65%. • Applicants are required to write the Health Occupational Aptitude Exam (HOAE). Test results are due by the end of February of the application year.
Selection process for non-oversubscribed programs	OSSD or equivalent, a minimum 60% average, in 6 Grade 11 or Grade 12, C, M, O, or U courses, excluding Co-op credits. Within the 6 courses, including a minimum of Grade 11C Math and Grade 12C English.
Grade 11 marks:	Grade 11 grades will be considered as part of the 6 courses for their required admissions average. If we are looking for a final Grade 12 mark for admissions into an oversubscribed program, we will consider Grade 11 marks in the

	assessment process, but the Grade 12 marks must still meet the minimum required average.
Dual credits/SHSM programs:	N/A
Alternate offers of admission:	Alternate offers may be made to applicants who have applied to the Veterinary Technology Conventional program. An offer to the Veterinary Technology Alternative program may be granted. If applicants are not successful in an offer of admission to our Veterinary Technology diploma, they are encouraged to consider our other animal-related program options (Agriculture Diploma, Equine Care & Management Diploma, Performance Horse Handler Certificate, or Vet. Office Admin. Certificate).
Supplemental admission requirements:	N/A
Differentials:	For Veterinary Technology admissions, our minimum grade for college level courses is 75% and for university level courses is 65%.
Workplace pathways:	N/A
Upgrading pathways:	N/A
Post-graduate opportunities:	N/A
Deferral policy:	For deferrals, students can connect directly with our campus registrar for more information. Deferrals can be granted for all programs except the Veterinary Technology diploma programs.
Students with disabilities:	Students with disabilities are encouraged to contact our Student Accessibility Services Co-ordinator, Amy Wszol, to discuss their accommodations needs and can be reached at rcsas@uoguelph.ca or 519-674-1500 ext. 63206
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	Fall Awards Program, approx. 40 awards, totaling approx. \$35,000 Winter Bursaries, approx. 40 bursaries, totaling approx. \$80,000 Spring Grad Awards, approx. 58 awards totaling approx. \$34,000 Deadlines for entrance, bursaries and in-course awards will be in October 2019 Deadlines for graduation awards will be in April 2020
RESIDENCE INFORMATION	
Residence options:	Students are encouraged to apply by the residence deadline of May 31, 2019 if they want to live on-campus in Steckley Hall Residence. Steckley Hall is a dormitory-style, co-ed residence that can hold approximately 190 students. The residence application can be found on the campus' website and a \$500 deposit is due at the time of the residence application submission. Double rooms —2 students per room - are approx. \$1,268/semester/student Single rooms —1 student per room - are available by request and are approx. \$2,536/semester/student Students who live in Steckley Hall are required to purchase the meal plan which is approx. \$1,484/semester/student. The meal plan runs Monday through to Friday at lunch. Students are responsible for their own meal provision for Friday dinner as well as Saturday and Sunday.

Find the real you.

	Practical Nursing	75% in four required courses	200	2,200
	Veterinary Assistant	Min. 65% 12C English	80	400
	Veterinary Technician	Min. 85% in required courses	100	930

Grade 11 Marks:	In the absence of mid-term or final Grade 12 marks for pre-requisite subjects for a given program, Grade 11 marks may be considered as criteria in the selection process.										
Dual credits/SHSM Programs:	<ul style="list-style-type: none"> Seneca offers more than 50 dual credit courses over three semesters supporting over 1,000 high school students with successful transition to postsecondary. Many of these courses also support SHSM programs in the following sectors: Agriculture, Arts & Culture, Business, Construction, Energy, Health & Wellness, Hospitality & Tourism, Information & Communications Technology, Justice, Community Safety & Emergency Services, Manufacturing, Non-profit, Sports & Transportation. Seneca offers a non-renewable \$1,000 dual credit bursary to full-time students in their first year who have successfully completed a dual credit course at the College while in high school and who demonstrate financial need. Eligible students must apply in Sept. of their first year of studies. 										
Alternate Offers of Admission:	When a student does not meet the admission requirements, they may be given an alternate program recommendation which is relevant to their chosen area of study.										
Supplemental Admission Requirements:	Some Seneca programs use additional admission criteria such as portfolios or skills tests. The following are some programs with additional requirements: <table border="1" data-bbox="516 737 1425 909"> <thead> <tr> <th>Program</th> <th>Supplemental Admission Requirement</th> </tr> </thead> <tbody> <tr> <td>Acting for Camera & Voice</td> <td>Acting résumé and audition</td> </tr> <tr> <td>Broadcasting Radio/Television</td> <td>Applicant profile and writing assignment</td> </tr> <tr> <td>Graphic Design</td> <td>Portfolio of work and design assignment</td> </tr> <tr> <td>Independent Illustration</td> <td>Portfolio of work and drawing test</td> </tr> </tbody> </table>	Program	Supplemental Admission Requirement	Acting for Camera & Voice	Acting résumé and audition	Broadcasting Radio/Television	Applicant profile and writing assignment	Graphic Design	Portfolio of work and design assignment	Independent Illustration	Portfolio of work and drawing test
Program	Supplemental Admission Requirement										
Acting for Camera & Voice	Acting résumé and audition										
Broadcasting Radio/Television	Applicant profile and writing assignment										
Graphic Design	Portfolio of work and design assignment										
Independent Illustration	Portfolio of work and drawing test										
Differentials:	Seneca does not use differentials in the selection process.										
Upgrading Pathways:	Free academic upgrading in Math, English, Biology and Chemistry. In some cases, a Seneca certificate may fulfill the entry requirements for a program. For more information visit: www.senecacollege.ca/programs/fulltime/AUC.html										
Post-graduate Opportunities:	Diploma and degree graduates who want a competitive edge can apply to a Seneca graduate certificate program. For more information visit: www.senecacollege.ca/programs/fulltime-bycredential/graduate-certificate.html										
Deferral Policy:	An applicant may change their start date at OCAS within the same application cycle and will be considered for an offer as long as there is room in the program. There is no guarantee of a seat if the program is highly competitive.										
Student with Disabilities:	Seneca Counselling & Accessibility provides short-term supportive counselling and academic accommodations to students who have documented permanent or temporary disabilities (e.g., learning, physical, sensory, mental health disabilities) or medical conditions. We also offer assistive technology training, learning strategy instructions, workshops, groups and more. Visit senecacollege.ca/counselling . Seneca continues to offer the Program for the Education and Enrichment of Relational Skills (PEERS®), an evidence-based social skills program for young adults experiencing Autism Spectrum Disorder.										
SCHOLARSHIP & FINANCIAL AID INFORMATION											
Scholarships, Bursary and Awards Application Information:	Seneca offers millions of dollars in entrance scholarships, bursaries and other awards each year. Renewable scholarships for Seneca degree programs are available to students whose Grade 12 average is at least 70%. First year students applying to OSAP may also qualify for up to \$2,000 in tuition assistance towards degree programs or up to \$1,000 towards diploma or certificate programs. For more visit: senecacollege.ca/registrar/financialaid										
RESIDENCE INFORMATION											
Residence:	Residence living is an opportunity to build friendships, gain independence and experience life on campus. Applications are completed online and will be accepted on a first-come, first-served basis. Applications received prior to June 2019 will be guaranteed residence at Newnham Campus. Visit: senecaresidence.ca

Upcoming events	Fall Open House occurs on Saturday, November 9, 2019 from 10 a.m. to 2 p.m. across all our campuses.
INSTITUTIONAL INFORMATION	
Student population	23,000 full-time students
New programs	<p>Honours Bachelor of Community Safety: This program is the first of its kind in Canada. It addresses the need for a new way of looking at community safety focusing on prevention, preparedness and social justice. Opportunities exist for students who complete a Police Foundations (MTCU 53008), Community and Justice Services (MTCU 50705), or Social Service Worker (MTCU 50721) diploma to apply to enter year 2 of the Honours Bachelor of Community Safety program.</p> <p>Honours Bachelor of Engineering (Mechanical Engineering): This degree program in Mechanical Engineering offers technical options in either Mechatronics or Energy.</p> <p>Pathways to degrees: Degree completion opportunities are available in Business, Early Childhood Education, Information Science and Mobile Computing. More info: pathways.sheridancollege.ca</p>
Campus location change	Human Resources Management and Office Administration will be offered at HMC only. English Language Studies (ESL) will no longer be offered at the Davis Campus but will continue at both Trafalgar and HMC.
ADMISSIONS INFORMATION	
Selection process for oversubscribed programs	Applicants to some oversubscribed programs are admitted based on a combination of both academic criteria and the ranking of a supplemental item. These scored supplementals are used in conjunction with the applicant's academic performance. Minimum admission GPAs can be found at guidance.sheridancollege.ca
Selection process for non-oversubscribed programs	Applicants to some programs are admitted based on academic criteria alone. Selection is based on the average of their six highest senior-level credits, including required courses. Sheridan uses a limit of one cooperative education mark as part of the average.
Grade 11 marks	For certificate and diploma programs, appropriate grade 11 marks can be used as electives in the calculation of an admissions average, as long as the applicant is registered in the required courses. Unless specified as an admission requirement, grade 11 courses are NOT used in determining eligibility for admission to degree programs.
Dual credits/SHSM programs	Marks for dual credits and/or SHSM courses are used in the calculation of admission averages and are treated as electives, if they are part of the six highest senior-level marks used in the average. They are not used as pre-requisite courses.
Alternate offers of admission	Applicants who do not meet the admission requirements for their program of choice will be assessed and advised, and may be considered for other related programs.

Supplemental admission requirements	Supplemental admission requirements can include portfolios, auditions, resumes, questionnaires, creative projects, essays, etc. The Health Occupations Aptitude Exam (HOAE) is required for Pharmacy Technician, Practical Nursing and Veterinary Technician programs.
Differentials	Sheridan does not use grade differentials for C, M or U courses.
Upgrading pathways	Academic Upgrading provides students with the opportunity to obtain a grade 12 equivalency certificate or to complete courses that may be needed to apply to a college certificate or diploma program. Refer to Sheridan’s website for more information.
Deferral policy	Sheridan defers offers of admission only under extenuating circumstances supported by appropriate documentation. All deferrals are at the discretion of the Registrar.
Students with disabilities	<p>Accessible Learning can assist eligible students with disabilities by coordinating appropriate academic accommodations and support services. Students are encouraged to self-identify with the services as early as possible after acceptance to the College so their needs can be met in a timely manner. Students must present documentation of disability to be eligible to receive services. An IEP may not be sufficient to support accommodations.</p> <p>Transitioning into post-secondary: Students with disabilities can also participate in programming to assist in their transition to college. These programs aim to familiarize students with Sheridan and prepare them to become successful students.</p>
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursaries and awards	Sheridan provides more than \$6 million each year in financial assistance to students based on residency, citizenship and demonstrated financial need. Our One-Stop application is available to students through their Student Centre account.
RESIDENCE INFORMATION	
Number of rooms, features, deadlines	The Trafalgar Residence accommodates 824 Trafalgar students, and the Davis Residence houses a total of 350 Davis and HMC students. Features include: two-bedroom suites with a kitchenette and three-piece bathroom, common kitchens and laundry rooms, and fitness, games and movie lounges. Residence is guaranteed to all first year students who apply before March 31 st and meet the terms & conditions. For more information: www.sheridanresidence.ca .
WHAT’S NEW?	
<p>Sheridan is thrilled to announce our five-year Strategic Plan. Sheridan 2024 – Galvanizing Education for a Complex World. At the core is Sheridan’s commitment to its Creative Campus philosophy – a purposeful, cross-curricular approach that challenges students to use creativity and creative thinking to re-imagine ideas, experiment, collaborate, take risks and build a resourceful, resilient and flexible mind.</p> <p>Work has begun on a Student and Athletics Centre addition to the Hazel McCallion Campus. This project brings new student study, service, socializing, and recreational spaces to the Mississauga campus, aiming to improve the student experience.</p> <p>In the fall of 2019, the first cohort of students will start in the new Bachelor of Engineering (Mechanical Engineering) degree at the Davis Campus. The degree offers a new project-based approach for mechanical engineering education, which stems from the internationally recognized CDIO (Conceive, Design, Implement, Operate) framework. In co-operative education, a new option for completing program requirements is available through the Co-op on the EDGE program. Students who are interested in pursuing their own business venture are able to work with mentors at Sheridan’s Entrepreneurship Discovery Growth Engine (EDGE) at the Hazel McCallion Campus.</p> <p>At the 91st Academy Awards, Sheridan Animation grad Domee Shi won the Oscar for Best Animated Short Film for her directorial debut <i>Bao</i>. She is the first female to direct a short film for Pixar and is currently directing a feature length film for the studio.</p>

New Programs:	New Honours Bachelor of Applied Arts in Social Justice & Legal Studies New Post-Graduate Certificate: Advanced Medical Esthetics Practitioner	
Program Changes:	International Business Management (B989) is now International Business Management – Logistic Systems (B999)	
What's New:	New Zekelman School of Business & Information Technology location downtown Windsor Coming Soon to Windsor Campus: \$21.5 million Sports Park	

ADMISSIONS INFORMATION

2019 Admissions scores and selection process for oversubscribed programs:	With the exception of the Collaborative Nursing Program, admissions to oversubscribed programs will be based on the average of all grade 11 and 12 marks. In addition, the HOAE test is required for Cardiovascular Technology, Dental Hygiene, Diagnostic Medical Sonography, Medical Laboratory Science, Respiratory Therapy and Veterinary Technician programs. <i>*Collaborative Nursing is based on the average of final first semester grade 12 required (U) courses. If you have not taken the required Chemistry or Biology in your first semester of Grade 12, your Grade 11 (U) marks will be used.</i>	
Selection process for non-oversubscribed programs:	Ontario Secondary School Diploma (OSSD) with a majority of credits at the College (C), University (U), College/University (M), or Open (O) level or equivalent. All applicants must meet program specific requirements.	
Grade 11 Marks:	For oversubscribed programs, with the exception of Collaborative Nursing, applicants are ranked by the average of all grade 11 and 12 marks. Also for selected “popular” programs, a grade 12 English mark will be used for ranking purposes. If a grade 12 English is not available, the grade 11 English mark will be used. NBE 3(C) or 3(U) Contemporary Aboriginal Voices is considered a Grade 11 English for ranking purposes.	
Dual Credits/SHSM Programs:	St. Clair College offers a number of courses through the Dual Credit Program. For further information, please contact: Andrea Brown at ABrown@stclaircollege.ca 519-972-2727 ext.5403	

Alternate offers of admission:	No alternate offers of admission are automatically given, unless requested by applicant.
Supplemental admission requirements:	Music Theatre Performance – Audition Graphic Design – Portfolio Animation 2D/3D – Drawing Test Paramedic – Questionnaire Most Health Science programs – Health Occupations Aptitude Examination (HOAE)
Differentials:	St. Clair College does not differentiate between C, M, and U level courses; they are treated equally.
Workplace Pathways:	Applicants who have workplace/essential/basic levels in required courses will be counselled to pursue academic upgrading through the Academic Career Entrance, Community Integration through Cooperative Education, General Arts & Science & Pre-Health programs.
Upgrading Pathways:	Pre-Health Science, Academic Career Entrance (ACE) or General Arts & Science
Post-graduate Opportunities:	Autism and Behavioural Science, Child and Youth Care – Accelerated, Development Service Worker – Accelerated, Early Childhood Education – Accelerated, Event Management, Human Resource Management, International Business Management – Logistic Systems, Media Convergence, Paralegal – Accelerated, Web & Interactive Advertising
Deferral Policy:	\$100.00 Deferral fee to be paid to the college for students awaiting OSAP
Student with Disabilities:	To receive services, students must meet with an Accessibility Services counsellor and present documentation that provides written verification of the diagnosis. This could include: <ul style="list-style-type: none"> ▪ Medical reports ▪ Clinical psychologist report ▪ Psychiatric report ▪ Educational assessments (Individual Education Plans – IEP, Individual Placement and Review Committee – IPRC) The student and Counsellor will then develop an appropriate Accommodation Plan which will outline the in-class, instructional testing, and out-of-class accommodations to be provided by St. Clair College. If you have any questions or concerns regarding services for students with disabilities, please contact Learning Commons at: Email: lcommons@stclaircollege.ca or Phone: 519-972-2727 ext.4226
