

Good Afternoon Bishop Reding Community,

This is an important message from Student Services regarding summer school and course changes for the 2020-2021 school year.

1. Student schedules have been completed for the 2020 2021 school year. Counsellors are only contacting students who had conflicts with their course selection.
Please be advised that during the scheduling process your child's alternate choice may have been used by the scheduling system to create a full timetable. Alternate choices were approved by parents/guardians when course submissions were submitted in February.
Student Timetables will be available through the SIS on September 4th, 2020. Further information and instructions regarding booking appointments to make level changes in August will be emailed during the summer so please monitor your email.
2. Be advised that space in BR's classes is extremely limited for the 2020-2021 school year. In many cases elective classes are full. Students who are thinking of enrolling in a full credit summer school course should be aware that there is no guarantee that they will be able to take their alternate course in 2020-2021 and may have to take a course at a different grade level. Counsellors will be in touch with students if this is the case. **Reminder that the firm deadline for registering for Summer School is June 24th, 2020.**
3. Students who have already requested a summer school course would have received one of their alternates, chosen when courses were submitted in February via myBlueprint. You will be able to see this change to your timetable on Friday, September 4th, 2020.
4. **From Friday June 19th to Thursday June 25th**
 1. Students can request **LEVEL changes only** (e.g. Academic to Applied, University to College) using the following google form: <https://forms.gle/inEAq45vTZwDj32n9>. A reminder that the last day to make elective changes was April 30th, 2020. **Student Services will not be making any other elective changes for the 2020 2021 school year at this time.**
 2. Current Grade 11 students who are entering Grade 12 this September can request spares using the following google form: <https://forms.gle/inEAq45vTZwDj32n9>. A reminder that you must have 30 credits earned by the end of grade 12 to request a spare. You are only permitted to have one spare per semester (2 spares total).

**All of this information can also be found on our D2L page entitled "Student Services."
Please check back regularly for updates.**

We hope everyone is doing well and keeping safe as we complete the final two weeks of school.

Wishing you all good health,

Student Services
