

If you have questions about these courses or any of the supports provided by Special Education at Corpus Christi, please contact us.

The logo for Corpus Christi High School is a shield-shaped emblem. At the top, an orange banner contains the text "CORPUS CHRISTI" in white, serif, all-caps font. The shield's background is white. In the upper left, there are three black books, with the top one open. In the upper right is a black silhouette of a longhorn head. Centered in the shield is a large orange cross. The cross's vertical stem is a single line, while its horizontal bar is a thick orange rectangle. Behind the lower portion of the cross is a large white circle. At the bottom of the shield, three black banners with white text are arranged horizontally. The left banner reads "Knowledge", the middle banner reads "Faith", and the right banner reads "Excellence".

Promoting Dignity, Equity, and Respect

Why Take General Learning Strategies?

- French exemption. You can take GLE10 instead of taking French in Grade 9
- Get to know your Resource Teacher (SERT) and the members of your Special Education Department Support Team
- Explore how to use technology and web 2.0 tools to complete your school work
- Provides students with personal management study skills to improve their learning and achievement in other subject areas.
- GLE is a credited course that is offered grades 9-12
- Learn how to create an effective cover letter and resume

GLE10 and GLE20

GLE 10: Grade 9, Open Level

GLE 20: Grade 10, Open Level

Learning Strategies—Skills for Success in Secondary School

These courses focus on learning strategies to help students become more independent learners. Students will learn how to develop and apply literacy and numeracy skills, personal management skills, interpersonal and teamwork skills to improve their learning and achievement in school, the workplace and the community. These courses help students build confidence and motivation to pursue opportunities for success in secondary school and beyond.

Prerequisite: Recommendation of the school Principal

GLE30 and GLE40

GLE 30: Grade 11, Open Level

GLE 40: Grade 12, Open Level

Advanced Learning Strategies—Skills for Success after Secondary School

These courses improve students' learning and personal management skills, preparing them to make successful transitions to work, training and/or postsecondary education destinations. Students will assess their learning abilities and use literacy, numeracy, research skills and personal management techniques to maximize their learning. Students will investigate trends and resources to support their post secondary employment, training, and/or education choices and develop a plan to help them meet their learning and career goals.

Prerequisite: Recommendation of the school Principal
