Welcome to the  
**Halton Catholic**  
District School Board!

*Now that you have registered at one of our schools, the next step for newcomer students and English language learners and their families / guardians is to make an appointment to visit one of our Welcome Centres.*

*As part of the registration process, all newcomer students and English language learners are assessed at a Halton Catholic District School Board Welcome Centre. This helps us understand what level of additional language or academic support — if any — they might need.*
