

Hello,

I hope that you are keeping well during this time.

As your regional recruiter at Seneca College, I would like to extend an invitation to visit us for an exciting Day-in-the-Life (DITL) virtual experience. Our DITL sessions allow prospective students to connect with various academic and service areas and learn more about what Seneca has to offer. Our visits provide valuable and interactive sessions, with a general presentation from our recruitment team and engaging virtual campus tours. If there are particular academic and/or service areas that you and your students would like to connect with, we would be happy to arrange an interactive session accordingly, based on Seneca staff availability.

Please complete the guest form hyperlinked in this email and provide us with two alternate preferred dates and times at your earliest convenience - [Guest Form](#). Upon confirming with our program and/or service areas, we will follow up with a consolidated agenda and other event information.

Should you have any questions or concerns, please do not hesitate to connect with me.

I look forward to hearing from you,

Judy
