

# SHORT TERM YOUTH EXCHANGE WITHIN CANADA

## ROTARY EXPERIENCE CANADA SCHOLARSHIP PROGRAM JULY - AUGUST 2022

### THE EXPERIENCE

Be part of a new short-term exchange program within Canada! Rotary Youth Exchange started in 1927. It is the world's largest exchange program with up to 10,000 students on exchange. Due to the COVID-19 pandemic, international youth exchange is post-poned this year. Our goal with this program is to provide Canadian youth with opportunities to experience a very different part of Canada and to grow a broader sense of community and understanding.

Students from Burlington will have the opportunity to exchange homes and communities with students from the Moncton area in New Brunswick. Volunteer placements will be provided as well as trips in the local area.

### ELIGIBILITY

The Experience Canada Scholarship Program is open to students ages 15.5 to 17 (not yet 18 on Sept. 1, 2022). Students with a strong work ethic, involved in the community with communication and leadership skills. Be willing to try new things!

### PROGRAM COST

Students are sponsored by their local Rotary Club. Students pay for return transportation and insurance. Rotary is responsible for room and board (with exchange family), monthly allowance, local transportation, and scheduled activities and trips.
