Welcome	
Prayer	Prayer for the end of the school year At the end of this school year we give thanks to God: For all the teaching and learning that has taken place in our school, both in and out of the classroom, For the talents and gifts that have been shared and the challenges that have been faced; For the burdens that have been lifted and the hurts that have been healed; For the respect and care that has been given. We give thanks for the friendships that have just begun and for those that have grown. For the faith that has been lived in our daily struggles, For the hope that has lifted our hearts on the dark days And for the love that has kept us going. We give thanks for the community that we are, and we ask you Lord - Bless our students as they sit their culminating activities: may your Spirit inspire them with confidence and calmness Bless our families as we take our holidays, may our time together leave us with memories to cherish. Pour out your love on us that we may return renewed and refreshed to continue our journey together . We make this prayer through Christ our Lord. Amen
Land Acknowledgement	Halton as we know it today is rich in history and modern traditions of many First Nations and the Métis. From the Anishinabe to the Attawandaron, the Haudenosaunee, and the Métis - these lands surrounding the Great Lakes are steeped in Indigenous history. As we gather today on these treaty lands we have the responsibility to honour and respect the four directions, land, waters, plants, animals, ancestors that walked before us, and all the wonderful elements of creation that exist. We would like to acknowledge and thank the Mississaugas of the Credit First Nation for sharing their traditional territory with us.

PRO-Grant Mental Health Series update<ul style="list-style-type: none">▪ Three Events: Assumption; Notre Dame; Corpus Christi▪ Theme was Supporting Parents Supporting Children Through Mental Health▪ CSC found collaboration with ND and Assumption to be an enriching experience and beneficial to develop a larger network.▪ Going forward, considerations on if we partner with other schools, the theme we will focus on, and, how we advertise to engage parents.▪ Additional objective of the events was to get parents into the school and

foster networking amongst parents and the school staff.

- Concern with the saturation of a theme. Wondering if the turnout was lowered by numerous board/system presentations on mental health that watered-down our impact and interest level.
- Greater alignment and coordination between system/school groups to ensure themes and topics are not over-saturated through duplication.
