

HRE20D

Course Overview

- Grade 10 religion focuses on the New Testament and what it tells us about Jesus and the Catholic faith.
- The overall goal of the course is to look at the context of Jesus' life and teaching to better understand that message. We then work to apply those understandings to our own modern culture.
- Additional topics covered include: Mary, the Apostles and the Early Church, Prayer and Social Media, Self Image, Saints, Dating Relationships, Justice for the Poor and Vulnerable and more.
- *The content of this course is the same as the other grade 10 option.

Take this if....

- you enjoy art, drama and music (it doesn't matter if you excel at them).
- you enjoy a more non-traditional classroom setting (more moving around, drama games, etc.).
- you want to do assignments that allow you to express your creativity (re-writing song lyrics, creating art, performing skits etc.).

YOU WILL LOVE....

- having drama games, music and a wide variety of artwork woven throughout the course.
- creative end of term assignments like cooking a meal from Jesus' time and creating collages that deconstruct the negative images in advertising.
- a chance to go out into the world and do justice on the grade 10 retreat.
