

HRT 3M

COURSE BREAKDOWN

Course Overview

- This course engages students in the examination of world religions, particularly Judaism, Christianity, Islam and the First Nations, Métis and Inuit Spiritualities and Buddhism and Hinduism.
- This is a survey course that will help students understand the basic similarities and differences between the religious traditions so they can interact with others with acceptance and familiarity.
- We live in a multi-faith global community and this course will help students in Catholic schools develop an objective and respectful understanding of other religious traditions from the perspective of the Catholic Church.

Take this if....

- you want a course with a more academic feel and expectations typical to an academic environment (with some hands on activities and projects mixed in).
- you are planning to apply to University and want them to consider your mark for early admission.
- you plan to take Grade 12 Mixed Religion.

YOU WILL LOVE....

- learning about other world faiths and the impacts those faiths have on our world.
- interactive and fascinating assignments like festival workshops and hot topics presentations.
- The Grade 11 Temple Tour which takes you inside mosques, gurdwaras and temples.

World Religions – Mixed Level

COURSE BREAKDOWN

Course Overview

- This course engages students in the examination of world religions, particularly Judaism, Christianity, Islam and the First Nations, Métis and Inuit Spiritualities and Buddhism and Hinduism.
- This is a survey course that will help students understand the basic similarities and differences between the religious traditions so they can interact with others with acceptance and familiarity.
- We live in a multi-faith global community and this course will help students in Catholic schools develop an objective and respectful understanding of other religious traditions from the perspective of the Catholic Church.

Take this if....

- you want a course with a more applied feel and more teacher guidance.
- you want/need more opportunities to experience hands-on applications of the concepts being studied.
- you prefer a 30% culminating over a culminating and exam.
- you like learning through real life examples and discussion about how the concepts apply to our society.

YOU WILL LOVE....

- learning about other world faiths and the impacts those faiths have on our world.
- becoming more informed about religion so you are able to positively interact with people beyond your own traditions.
- the Grade 11 Temple Tour which takes you inside mosques, gurdwaras and temples.

World Religions – Open Level
