How to Apply

Which application is right for me? Answer a few statements to guide you to the proper undergraduate application.

THE APPLICATION PROCESS FOR UNIVERSITY

In previous years, the OUAC (Ontario Universities' Application Centre) would provide each student who is applying to university with a PIN code, which was required to create an OUAC account. New for this year students will not require a PIN code.

Instead, students will provide their Name, DOB, Address, Home School and OEN number to create their own Username and Password

The base application fee, covering the initial 3 program choices, for the Undergraduate Application will be \$156 for all applicants

Deadline for applying January 15th, 2024,

- Your top 6 grade 12 U/M marks will be used, including prerequisites and any supplement information to determine your admission average.
- ALL marks are sent electronically – you do NOT have to provide a paper transcript to any Ontario university.
- Universities will review:
Grade 11 marks and your Grade 12 marks
Grades will be shared with the universities using the timeline below:

Grades are transmitted in Oct/Nov 2023, February, April, June, July and August 2024

MARKS

- Submitted 5 times : October/November, February, April, July and August
- Full disclosure
- University : 6 grade 12 U or M level course (ENG4U being one)
- There are a few programs that require a certain number of U level courses
- College : prerequisites and grade 11 and 12 O, C, M or U marks unless you are applying to a University Degree Program (Top 6 U/M grade 12 marks)

OUAC Important Dates 2023/24

January 15, 2024

Deadline for Ontario high school students to submit their completed application to OUAC. Note: The OUAC still processes applications received after this date and distributes them to the universities; however, specific university deadlines will apply. The initial application includes all final grades from completed Grade 11 and 12 courses and a list of all current-year courses in progress.

May 2, 2024

Target date for Ontario universities to receive all midterm/final grades available for 4U/M courses and interim grades for full-year courses from the OUAC. The OUAC will send the grades we receive before the deadline to Ontario universities when they are received.

May 29, 2024

The latest date all high school applicants who submitted their application by the January application deadline can expect a response from an Ontario university. This includes: An offer of admission; a refusal; or a deferral, once additional information is received.

June 3, 2024

The earliest date an Ontario high school student may be required to respond to an Ontario university offer of admission and give a financial commitment (e.g., registration deposit, residence deposit, etc.).

All other admission-related elements, including scholarships, other forms of student assistance or financial incentives, and offers of residence are considered part of the offer of admission. Therefore, a student may accept these other offers before June 1, 2023, but Ontario universities will not compel a student in any way to make a decision earlier than this date.

UNIVERSITY ENTRANCE REQUIREMENTS

1. Check <https://www.ontariouniversitiesinfo.ca>
2. Minimum # of courses needed to apply (6 Grade 12 U/M courses)
3. What is the admission average based on?
4. Pre-requisite courses. i.e., ENG4U
5. Do prerequisites courses have a minimum average?
6. Additional admission criteria: audition, portfolio, interview, essay, supplementary application

OTHER CONSIDERATIONS

- Why carry more than 6 grade 12 U/M courses?
- Night school/online courses/repeated courses
- All offers are conditional!!

IMPORTANT THINGS TO KNOW.....

- If you are taking a course outside of Aquinas it is ***your responsibility*** to provide Student Services with an official report card.
- Students must tell their guidance counsellor that their mark needs to be updated on OUAC or OCAS (***marks from private institutions do not get automatically uploaded***) This is the responsibility of the student to inform the appropriate people
- ***It is the students' responsibility to have all required courses.*** If you plan on retaking a course, please note that you will not receive two credits. It will show as a repeat.

ROYAL MILITARY COLLEGE

Applying to the Royal Military College of Canada

- The Royal Military College of Canada (RMCC), located in Kingston, Ontario, is not part of the OUAC's processing service. A separate form, along with additional application materials, must be obtained from a Canadian Forces Recruiting Centre. Visit the RMCC website at: www.rmcc-cmrc.ca.

OUT OF PROVINCE AFFILIATES

The OUAC assists the following out-of-province institutions in collecting academic data for Ontario secondary school students who have applied through the OUAC:

- Acadia University
- Bishop's University
- The University of British Columbia
- The University of Calgary
- Concordia University
- Dalhousie University
- McGill University
- Saint Mary's University
- Simon Fraser University
- The University of Victoria

Students who complete an application form for these out-of-province universities can provide authorization for a university to request their academic information from the OUAC. To provide authorization, the applicant must include their 11-digit OUAC Reference Number on the institution's application form. Note: In all cases, the eleventh digit should be "0".

UNIVERSITY APPLICATION – NEXT STEPS

- The base application fee, covering the initial 3 program choices, for the Undergraduate Application will be \$156 for all applicants,
- Additional choices beyond the first 3 will remain at \$50. The international service fee for applicants who are not Canadian citizens or permanent residents (landed immigrants) will remain at \$10.
- Apply on-line by January 15th , 2024

THINKING ABOUT COLLEGE PROGRAMS?

- **One-year certificate programs** that help you build skills and get working fast
- **Two and three-year diploma programs** that prepare you for the career you would like
- **Graduate certificate programs** that build on the education you already have
- Diverse **College trades and Apprenticeship programs**
- Over **200 degree programs**
- **Transition programs/Bridging programs** such as General Arts and Science for **two years** and then transfer to university (check transfer agreements)

ONTARIO COLLEGES AND SKILLED TRADES

- If you're interested in the trades, a college program is a great place to start working toward your career.
- plumbing, auto mechanic, carpentry, hairstylist and esthetician, baker, computer hardware technician, educational assistant, network cabling technician, special events coordinator, vet tech ***are some examples***
- Not only will you learn from skilled and experienced tradespeople, you will also benefit from a network of industry connections that can lead to apprenticeships and jobs.

DIPLOMA PROGRAMS

- Two or three years in a special career related area
- Will usually require:
 - Grade 12 English
 - Graduation from high school
 - Senior level courses
- Some programs may require specific courses such as:
 - Biology, Tech Math, Grade 11 or 12 Math

ENTRANCE REQUIREMENTS FOR DIPLOMA PROGRAMS

- Based on all Grade 11 and 12-marks including Co-op
- Averages are usually 65% or above
- Highly competitive programs are much higher**
- Prerequisite courses marks are included
- May prefer a good grade in College English and Math courses instead of a mediocre grade in the University level

JOINT/BRIDGING/DEGREE PROGRAMS

- Earn a degree and a diploma at the same time from the partner schools in four years (college and university components)
- Examples: **Nursing, Journalism, Game Design, Business Administration, Commerce, Food Studies, Animation**
- Will require 6 U/M level courses

OYAP AND SPECIALTY PROGRAMS

- For those students who aren't sure if college or university is their destination right after high school, the HCDSB and the HDSB offer many different types of specialty programs and OYAP programs
- **What is OYAP?**

In Halton, students have two options to participate in the Ontario Youth Apprenticeship Program (OYAP):

OYAP Co-op

Participating in a cooperative education placement in any of the 144 Ontario apprentice trades

Concentrated OYAP

Students can take any of our Concentrated OYAP programs. These pre-trade programs give students the knowledge and experience necessary to start their career in one of the many skilled trades.

OYAP AND SPECIALTY PROGRAMS

- Why Take OYAP?
- OYAP allows you to explore and find the right career for you. And if you discover you want to change direction you can, because many skills are transferable. Skilled trades people feel a sense of accomplishment seeing the results of their efforts at the end of the day.
- For more information about OYAP programs throughout Halton Region visit:
- <https://www.haltonpathways.ca/>

Specialist high skills major programs at CC include: Arts and Culture, Business, Environmental and Fitness and Health Promotion

To graduate with your SHSM red seal the following graduation requirements must be met:

Each SHSM program offers students a bundle of 8 - 10 credits. These courses are regular Ontario secondary school courses that allow students to work towards their Ontario Secondary School Diploma but have been bundled as the most relevant courses to prepare students for a future in the specific SHSM selected sector.

The bundle includes: • 4 “major” credits in the selected SHSM sector at the Senior level (Grades 11 and 12) and 4 to 5 additional credits including coop

Courses are dependent on the focus of each respective program – contact Lead Teachers or Guidance contacts for information about specific course offerings / requirements.

- Supporting credits, which include Contextualized Learning Activities - opportunities for students to learn the subject in the context of the selected sector.
