## EQAO

### EQAO for Grade 9 Students

<b>Dates</b>	Semester I – Two days between <i>January 10<sup>th</sup>, 2024, and January 2<sup>nd</sup>, 2024</i> Semester II – Two Days between May 29 <sup>th</sup> , 2024, and <i>June 26<sup>th</sup>, 2023</i>
<b>Info</b>	Parents will receive information about the exact dates when the practice test and the actual test will occur.
<b>Format</b>	The test will be administered exclusively online. This Assessment will have two parts. All students will complete the first part of the EQAO test and based on their answers on this part, they will be directed to take a second part corresponding to their level of math ability.
<b>Practice</b>	Teachers are already providing EQAO type questions and discussing tips for success during every unit of study Students will have the opportunity to complete a Practice Test once it is made available on the EQAO website.
