

Course Selection and Registration (Working Copy for Students)

Please use this option sheet as a guide as you make your selections into myBlueprint. Note: There is a \$65 activity fee (this fee is an annual voluntary fee that is used to offset costs for school initiatives, materials, and activities that enhance the school experience for our students. In accordance with policy II-47, it is our Board’s commitment that every student should have equal opportunity to benefit from the school environment, regardless of financial hardships or barriers. Families who are unable to pay school fees are encouraged to contact the school Principal). Changes to elective courses can be made up until June.
