Equity Dignity Respect

Welcome all Jags!

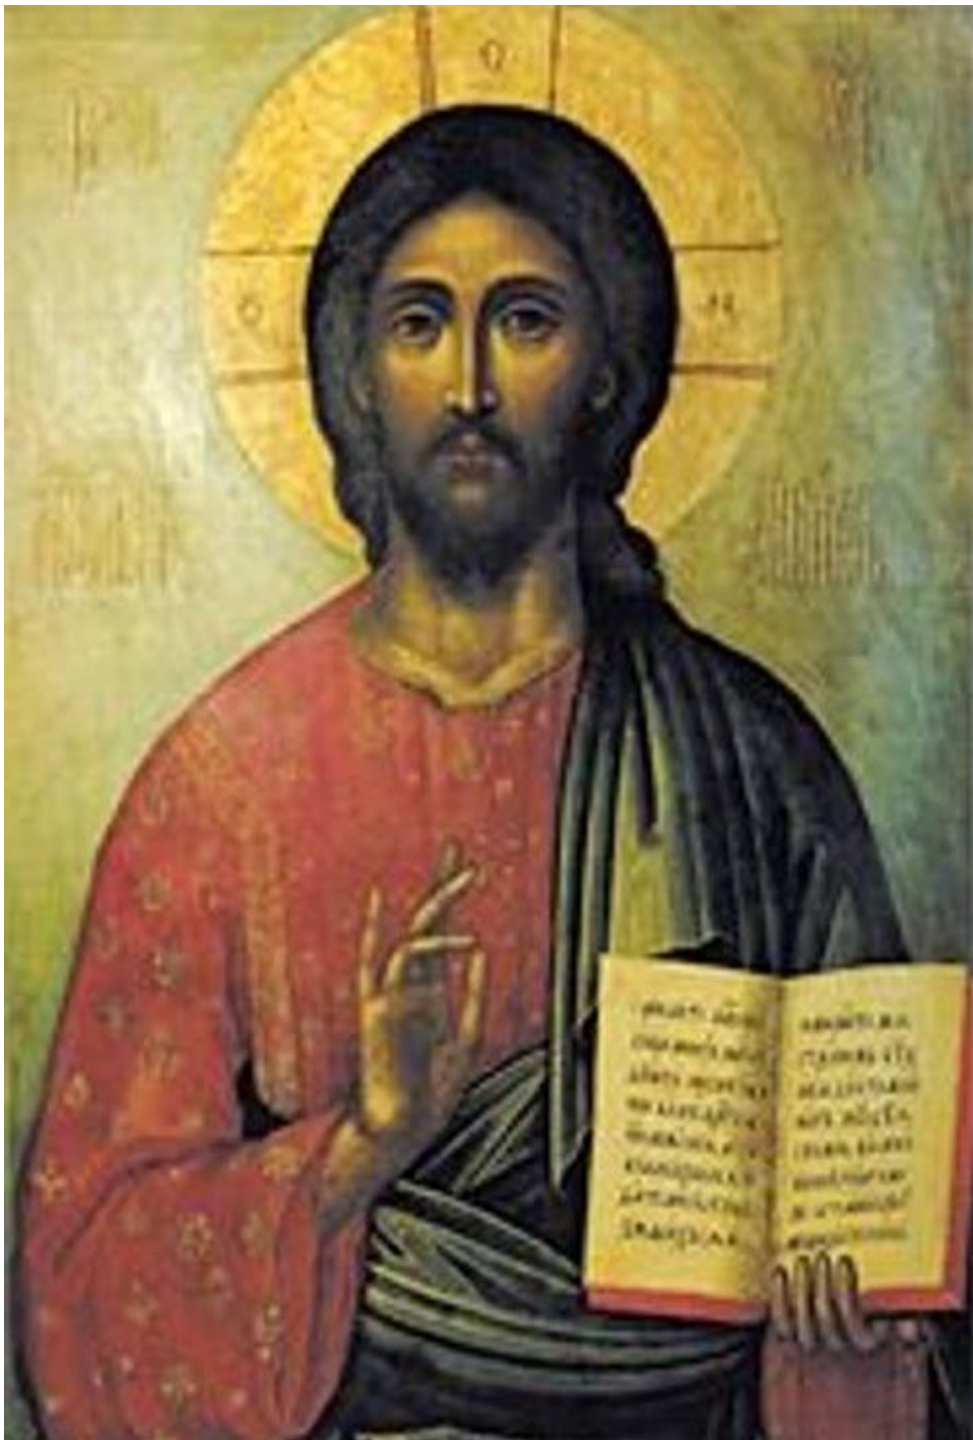

Christ the King Opening Prayer

Mr. Mark De Cicco—Guidance Counsellor

Christ the King School Prayer

Christ our King, you are the embodiment of God's love.

Your perfection inspires us to a life of excellence. Help us imitate you in all that we do. May we always be committed to continuous improvement, so your love can shine through us more each day.

It is your strength that helps us live lives of sincerity, integrity and honesty, and it is your teachings that give us a passion for learning. By the grace of the Holy Spirit, help us to discern your truth in all things, so that we will always seek what is good.

Jesus, your endless love for all humanity was so deep, so pure and so good that you gave your life for us. Inspired by that love, may we care for all life with compassion, and treat every person with equity, dignity and respect - so that like you we will rise again!

Amen.

Honouring the Land and Territory

Halton as we know it today is rich in history and modern traditions of many First Nations and the Métis. From the Anishinabe to the Attawandaron, the Haudenosaunee, and the Métis - these lands surrounding the Great Lakes are steeped in Indigenous history.

As we gather today on these treaty lands we have the responsibility to honour and respect the four directions, land, waters, plants, animals, ancestors that walked before us, and all the wonderful elements of creation that exist.

We would like to acknowledge and thank the Mississaugas of the New Credit First Nation for sharing their traditional territory with us.

Welcome
