- All student parking is located in the North lot at the North side of the school. Students are **not** to park in the angled parking spaces along 6th line. Absolutely no parking on the South side along the Recreation Centre.
- Vehicles must display the current Parking Tag on the windshield.
- Vehicles are to be locked at all times and students are not to congregate in or around the vehicles.
- Car radios are to remain off while parked on school property.

I understand that I must drive safely on school property at all times and park only in the designated areas. Failure to observe safe driving practices, parking in non-designated areas, or not displaying the parking tag will lead to the vehicle being tagged and/or having the parking privileges suspended or revoked.
