

Registration Information for Identified Students from outside the HCDSB

Does your son or daughter have an Individual Education Plan (IEP)?

If yes, then please ensure you provide:

- A copy of their **most recent** IEP
- A copy of any assessments or reports that inform their IEP (i.e. psychoeducational assessment, audiology report, medical notes with diagnoses, vision reports, etc.)

Please contact the Department Head for instruction on how to give consent and share this information.

Once we have reviewed your application package we will contact you with next steps.
