

Good Evening Loyola Families,

We hope everyone is doing well and staying safe. While we still don't know when the stay-at-home order will be lifted to return to school in person, we need to start planning for quadmester three starting on Monday February 8, 2021.

Please note that each quadmester students in cohort A or B revert back to their alphabetical grouping. (Cohort A- A-K, Cohort B- L-Z). Only students who have been contacted by the school will be moved to a non-alpha cohort to ensure class sizes are maintained. If you do not hear from the school, please follow the cohort schedule according to your last name. The only exception to this are students in cohort C who remain in the online cohort.

Please complete this request form **ONLY** if you want to change your child's cohort **from in-school to online OR online to in-school.** Students will remain in their Quadmester 2 cohort unless this request is submitted by **Monday February 1 at 2:30 PM.** The form must be completed by the student's parent or guardian, unless they are 18+.

If you are switching to in-person learning, this change will only take place when the Ministry of Education, Public Health and the HCDSB have advised that it is safe to do so. **Until this announcement, all students will continue to attend school virtually.**

Thank you for your continued support. Please contact us if you have any questions.

Sincere thanks,
