

May 9 - Family Email

Good Afternoon Loyola Families,

We hope everyone had a wonderful weekend and enjoyed the beautiful sunshine and spring weather. Happy Mother's Day to all our Loyola Mother's and Mother figures out there. Thank you for all that you do to support our students and our community.

Thank you for your partnership in honouring and celebrating Catholic Education week last week. We are doing a lot of great things together and have many things that continue to nurture hope and instill gratitude in us.

Loyola Hawks Coming Together in Support of Mental Health:

We wanted to remind our community of the exciting event we have planned for Tuesday May 11 from 8:35-11:30. We will be welcoming Dennis Windego, an acclaimed speaker and Indigenous psychotherapist. This morning will be an opportunity for our community to come together, learn about Indigenous healing and wellness knowledge and support each other as a community of faith.

The flyer with event information is attached to this email. Parents are welcome to join us.

Students are reminded that they are expected to log into their morning class as per their usual routine. Their teacher will take attendance and share their screen for the presentation.
