Select the course you want to take by double clicking.

Read the course & check to make sure that this is the course you want and in later years to make sure you have the prerequisite.

The screenshot shows a web interface for selecting courses. A modal window is open for the 'English' course. The background interface includes a 'Plan' tab, a search bar, and a list of 8 results found. The modal window displays the course details for 'English' Grade 9 (ENG1D1), including a description, course status buttons, and an 'Add Course' button.

English

Grade 9 • ENG1D1 • 1 Credit • Academic

This course is designed to develop the oral communication, reading, writing, and media literacy skills that students need for success in their secondary school academic programs and in their daily lives. Students will analyse literary texts from contemporary and historical periods, interpret informational and graphic texts, and create oral, written, and media texts in a variety of forms. An important focus will be on the use of strategies that contribute to effective communication. The course is intended to prepare students for the Grade 10 academic English course, which leads to university or college preparation courses in Grades 11 and 12. Students considering moving from one destination to another (e.g., applied to academic; academic to applied) are strongly encouraged to take a summer school course to encourage success in the transition.
