Offers of Admission

- When a college issues you an Offer of Admission it will be posted here, so check this page regularly.
- You should receive an admission decision from each college where you submitted your application. If you don't receive any documentation regarding your application, contact the college directly.
- Once you receive an offer of admission, it is your responsibility to research all offers and understand the terms of each offer, in order to make an informed decision. For details on your offer, including conditions if applicable, please review your Offer Package and refer to your Offer of Admission letter from the college for more information, or contact the college directly.
- You may accept only ONE offer of admission at a time. If after accepting an Offer of Admission you change your mind or receive another offer which you prefer, you may accept the new offer as long as it is active (i.e. the offer is not expired or revoked). This new acceptance will cancel the previous acceptance and ontariocolleges.ca will notify the college(s).
- How Do I Select an Offer of Admission? Click the 'CONFIRM' button in the left column for the offer you wish to accept.

- In another window, you will be prompted to confirm your selection. Upon confirming your selection, the offer to which you confirmed and the date you accepted the offer will appear in the 'Current Status' box at the bottom of this page. You will also receive an email confirming that your confirmation was successful.
- How do I decline all offers of admission? Click the 'Decline All Offers' button. In another window, you will be prompted to confirm your selection. Upon confirming that you are declining all offers, ontariocolleges.ca will notify the colleges. If after you have declined all offers, you change your mind or receive another offer, you may accept the offer as long as it is active (ie. The offer is not expired or revoked).

Summary: You have 1 active offer(s) of Admission at this time. You have not confirmed to any offer.

Changing Your Confirmation of Acceptance

You may receive more than one offer of admission, depending on the number of colleges and/or programs to which you have applied.

You may accept only one offer at a time. However, if you change your mind or receive another offer that you prefer, you may change your acceptance as long as the offer has not expired. Your current acceptance will automatically cancel your previous acceptance.

Note that you may only confirm an offer once per day. If you have already confirmed an offer and change your mind later that day, you must wait until the next business day to confirm the new offer.

Confirmation Deadlines

You must confirm your acceptance to college by **May 1**, unless the offer was made to you after this date. Each college determines its own confirmation deadline on offers made after May 1.
