

# Resource Guide 2020

## Introduction

The Ontario Universities' Guidance Dialogues are a series of perennial events dedicated to delivering admission updates between Ontario universities and high school guidance counsellors. University representatives and counsellors alike collaborate at Guidance Dialogues to share feedback, network and engage in topical issues in support of their shared goal to promote high school students' access to Ontario universities.

The Guidance Dialogues 2020 Resource Guide is brought to you by the General Committee on Student Recruitment (GCSR) in partnership with the Ontario Universities' Application Centre (OUAC). This Resource Guide was designed at the request of Ontario guidance counsellors and is written for them rather than students. The best resource for your students is Ontario Universities' Info (OUInfo): [www.ontariouniversitiesinfo.ca](http://www.ontariouniversitiesinfo.ca).

Download the 2020 Resource Guide from April through December at:  
[www.ouac.on.ca/guidance/events/guidance-dialogues](http://www.ouac.on.ca/guidance/events/guidance-dialogues).

We hope this guide helps answer your frequently asked questions.

Sincerely,  
The GCSR and the OUAC

## Introduction

Les Dialogues entre les conseillers et les universités de l'Ontario sont une série d'événements vivaces et consacrés à la mise à jour, par les universités de l'Ontario, des renseignements sur les admissions aux conseillers des écoles secondaires. Des représentantes et représentants des universités et des conseillères et conseillers collaborent aux Dialogues dans le but de partager leurs rétroactions, de réseauter et de se pencher sur des questions d'actualité, avec un objectif mutuel de promotion de l'accès aux études universitaires ontariennes par les élèves du niveau secondaire.

Le Guide de ressources : Dialogues 2020 vous est présenté par le General Committee on Student Recruitment (GCSR), en partenariat avec le Centre de demande d'admission aux universités de l'Ontario (« OUAC »). Ce Guide de ressources a été conçu à la demande des conseillères et conseillers en orientation de l'Ontario et s'adresse à ces derniers plutôt qu'aux élèves. La meilleure ressource à consulter par les élèves est Info des universités de l'Ontario (Info-UO) : [www.ontariouniversitiesinfo.ca/fr](http://www.ontariouniversitiesinfo.ca/fr).

D'avril à décembre, téléchargez le Guide de ressources 2020 à l'adresse suivante :  
[www.ouac.on.ca/guidance/fr/evenements/dialogues](http://www.ouac.on.ca/guidance/fr/evenements/dialogues).

Nous espérons que ce guide aide à répondre à vos questions les plus fréquemment posées.

Cordialement,  
Le GCSR et l'OUAC

**Nota :** La compilation de ce document a été effectuée avant la pandémie de COVID-19. Les dates et procédures peuvent faire l'objet de modifications. Veuillez communiquer directement avec les universités pour obtenir les plus récents renseignements à ce sujet.
