

Resource Guide Spring 2021

Introduction

The Ontario Universities' Guidance Dialogues are a series of perennial events dedicated to delivering admission updates between Ontario universities and high school guidance counsellors. University representatives and counsellors alike collaborate at Guidance Dialogues to share feedback, network and engage in topical issues in support of their shared goal to promote high school students' access to Ontario universities.

The Guidance Dialogues Resource Guide Spring 2021 is brought to you by the General Committee on Student Recruitment (GCSR) in partnership with the Ontario Universities' Application Centre (OUAC). This Resource Guide was designed at the request of Ontario guidance counsellors and is written for them rather than students. The best resource for your students is Ontario Universities' Info (OUInfo): www.ontariouniversitiesinfo.ca.

Download the Resource Guide at:
<https://guidance.ouac.on.ca/events/guidance-dialogues>.

We hope this guide helps answer your frequently asked questions.

Sincerely,
The GCSR and the OUAC

Introduction

Les Dialogues entre les conseillers et les universités de l'Ontario sont une série d'événements vivaces et consacrés à la mise à jour, par les universités de l'Ontario, des renseignements sur les admissions aux conseillers des écoles secondaires. Des représentantes et représentants des universités et des conseillères et conseillers collaborent aux Dialogues dans le but de partager leurs rétroactions, de réseauter et de se pencher sur des questions d'actualité, avec un objectif mutuel de promotion de l'accès aux études universitaires ontariennes par les élèves du niveau secondaire.

Le Guide de ressources printemps 2021 : Dialogues vous est présenté par le General Committee on Student Recruitment (GCSR), en partenariat avec le Centre de demande d'admission aux universités de l'Ontario (« OUAC »). Ce Guide de ressources a été conçu à la demande des conseillères et conseillers en orientation de l'Ontario et s'adresse à ces derniers plutôt qu'aux élèves. La meilleure ressource à consulter par les élèves est Info des universités de l'Ontario (Info-UO) : www.ontariouniversitiesinfo.ca/fr.

Téléchargez le Guide de ressources à l'adresse suivante :
<https://guidance.ouac.on.ca/fr/evenements/dialogues>.

Nous espérons que ce guide aide à répondre à vos questions les plus fréquemment posées.

Cordialement,
Le GCSR et l'OUAC

Haven't received an Ontario university offer?

Use the Admission Information Service (AIS)

Starting June 4, 2021, Ontario high school students can use the AIS to find possible openings at Ontario universities.

To begin your search, visit www.ouac.on.ca/ouac-101 and click:

SEARCH OPEN PROGRAMS

Once you find an open program of interest, add it to your 101 application.

Requirements:

- You will be completing or have completed the OSSD (or equivalent), including six 4U/M courses, by early September 2021.
- You must have an average of at least 60%, although higher averages are usually required.

To find out more:

- Visit: www.ouac.on.ca/ouac-101
- Call: 519-823-1063
- Email: 101sup@ouac.on.ca

Vous n'avez pas reçu d'offre d'une université de l'Ontario?

Utilisez le Service d'information sur l'admission (SIA)

À compter le 4 juin 2021, les élèves du secondaire de l'Ontario peuvent utiliser le SIA pour trouver d'autres possibilités d'études aux universités de l'Ontario.

Pour débiter votre recherche, rendez-vous à l'adresse www.ouac.on.ca/fr/ouac-101, puis cliquez :

CHERCHER PROGRAMMES OUVERTS

Dès que vous aurez trouvé un programme ouvert, ajoutez-le à votre demande 101.

Exigences :

- Vous détenez, ou détiendrez, un DESO (ou l'équivalent) et avoir réussi 6 cours 4U/M, au plus tard au début de septembre 2021.
- Vous devez avoir une moyenne minimale de 60 % – à noter toutefois que les moyennes exigées sont plus élevées, en règle générale.

Pour plus d'information :

- Visitez : www.ouac.on.ca/fr/ouac-101
- Composez le : 519 823-1063

University Information

Introduction	<ul style="list-style-type: none"> The Université de l'Ontario français (UOF) is a new kind of university that fosters global citizenship and empowers young people to thrive in the jobs of tomorrow. Students develop necessary skills and competencies through a transdisciplinary, experiential and inductive pedagogic approach that emphasizes collaboration and digital technology. This French-language university is passionately connected to the world.
Location	<ul style="list-style-type: none"> UOF is located at 9 Lower Jarvis, in the innovation hub of Toronto, the largest city in Canada, which has a population of 6 million across the metropolitan area. One of the most multicultural cities in the world, Toronto attracts more students, visitors and immigrants than any other Canadian city. It is the dynamic heart of the arts, business, communications and hospitality sectors in the country – a dream place to study, start a career and enjoy living in Canada.
Admission	<ul style="list-style-type: none"> Admission to our honours bachelor's degree programs requires six 4U/M courses as part of the Ontario Secondary School Diploma, where 3 years of study were completed in a school where French is the primary language of instruction. One of the 4U courses must be French (FRA4U, FIF4U or FEF4U). Applicants without 1 of these courses can submit a DELF (level B2, 70%) in lieu of a French prerequisite.

Programs

Digital Cultures	<ul style="list-style-type: none"> The Honours BA in Digital Culture addresses creativity, innovation and the challenges of the digital age. Explore new forms of human interaction, communication and creation using digital media and technologies, including artificial intelligence, social media, video games, virtual reality, art and advertising. Examples of job opportunities: Multimedia designer, digital marketing and advertising specialist, communications professional, artist, director, artistic producer or graduate student.
Economics and Social Innovation	<ul style="list-style-type: none"> The Honours BA in Economics and Social Innovation addresses the socio-economic transformations that are reshaping the local and global world, the challenges they pose for the development of communities and the possibilities they present for social innovation. It develops knowledge and skills relating to entrepreneurship, management of organizations and human resources, social responsibility, ethical development and the social economy. Examples of job opportunities: Economic advisor, entrepreneur, policy analyst, international development consultant, human resources manager or graduate student.
Human Plurality	<ul style="list-style-type: none"> The Honours BA in Human Plurality addresses human diversity with a focus on the challenges and change processes that mark contemporary societies. It examines issues, such as migration and refugees, intercultural and inter-generational relationships, multilingualism, discrimination and social exclusion, racism and oppression, and gender and sexuality. Examples of job opportunities: Policy analyst, civil service manager or executive, social service worker, community development worker, non-profit organization manager or employee, diversity specialist or graduate student.
Urban Environments	<ul style="list-style-type: none"> The Honours BA in Urban Environments addresses urban environments and the human activity that takes place therein, including natural space and biodiversity, architecture and public spaces, mobility of people, goods and services, and social and cultural practices, especially in the context of smart and sustainable cities. We develop knowledge and skills to participate in the design, planning and management of cities in a perspective of sustainable and fair development. Examples of job opportunities: Urban planner, town planner, policy analyst, environmental compliance officer, municipal services inspector or graduate student.

Renseignements sur l'université

Introduction	<ul style="list-style-type: none">L'Université de l'Ontario français (UOF) est un établissement innovant axé sur la création et la mobilisation des connaissances en français. L'excellence, la pluralité, l'inclusion et la collaboration guident l'UOF dans toutes ses activités. Elle préconise des démarches d'apprentissage et de recherche, inductives et transdisciplinaires, fondées sur l'expérience. Gouvernée par et pour les francophones de l'Ontario, elle offre une éducation résolument connectée sur le monde favorisant un exercice écoresponsable de la citoyenneté.
Emplacement	<ul style="list-style-type: none">L'UOF a pignon sur rue au 9 Lower Jarvis, dans le corridor de l'innovation de Toronto, la plus grande ville du Canada, avec une population de 6 millions pour sa région métropolitaine. L'une des villes les plus multiculturelles du monde, Toronto attire plus d'étudiants, de visiteurs et compte une plus large communauté immigrante que toute autre ville canadienne. Elle représente le centre des arts, des affaires, des communications et de la gastronomie au pays. C'est tout simplement l'endroit rêvé pour étudier, entreprendre une carrière et vivre au Canada.
Admission	<ul style="list-style-type: none">L'admission aux programmes de baccalauréats spécialisés exige 6 cours 4U/M et le Diplôme d'études secondaires de l'Ontario, ainsi que 3 ans d'étude dans une école dont l'enseignement se fait principalement en français. Un des cours doit être le français, soit FRA4U, FIF4U ou FEF4U. Les candidates et candidats n'ayant pas un cours de français peuvent soumettre leur DELF de niveau B2 (70%), plutôt que le prérequis en français.
