Admissions Information

Selection process for oversubscribed programs:	<p>Cut-off scores vary from year to year; as a result we do not publish these scores. Applications are evaluated based on the published admission requirements. Some programs are ranked by the average of the required subjects; some programs are ranked by assessment results. http://www.algonquincollege.com/ro/apply-to-college-and-program-eligibility/program-requirements/how-applicants-are-selected/</p>
---	---

Selection process for non-oversubscribed programs:	Applications are evaluated based on the published admission requirements; once the applicants meet these requirements, an offer of Admission is issued, as long as space is available in the program.
Grade 11 marks:	Grade 11 marks are used only for ranking highly competitive programs.
Dual credits/SHSM programs:	1050 high school students may register for dual credit courses at all three campus locations. Admission into College programs is not given preference upon completion of dual credits or SHSM programs.
Alternate offers of admission:	Yes, we do offer alternative offers of admissions.
Supplemental admission requirements:	Portfolios, admission assessments, interviews or auditions. (Please refer to our publication or website for more information)
Differentials:	We do not differentiate between C, M, and U level courses; all are equally considered.
Workplace pathways:	Applicants taking Workplace courses have to write an admission assessment. Each student is assessed on an individual basis.
Upgrading pathways:	Academic Access Centre: caac@algonquincollege.com or 613-727-4723 ext. 5722 or online at: http://www.algonquincollege.com/access/
Post-graduate Opportunities:	Post-Graduate programs are offered Full time and Part time. http://www.algonquincollege.com/future-students/graduate-certificates/ Articulation Agreements - Degree Pathways offered within Canada, US and abroad. http://www.algonquincollege.com/degree-pathways/
Deferral policy:	\$500 tuition deposit must be paid before June 15, 2021 with the Registrar's Office. The balance of tuition fees owing is due by the 4 week after the term begins.
Students with disabilities:	http://www.algonquincollege.com/cal/ or 613-727-4723 ext. 7200

Scholarship & Financial Aid Information

Scholarships, bursary and awards application information and deadlines:	The Financial Aid and Student Awards Office administers federal and provincial loan programs, which include OSAP and out-of-province funding, as well as scholarships and bursaries. The online bursary application, which considers students for all applicable bursaries in any given term, is available for approximately 6-8 weeks at the beginning of each term. http://www.algonquincollege.com/ro/financial-aid/
--	--

Residence Information

Residence options:	<p>Ottawa Campus: Houses 1,050 students in 525 two-bedroom suite style rooms. Residence spaces are offered on a first come first serve basis. A non-refundable \$75 application fee is required with an application to residence. www.algonquincollege.com/residence</p> <p>Pembroke Campus: 5 privately-owned residence buildings. Applications and deposits facilitated with the buildings, not Algonquin College. https://www.algonquincollege.com/pembroke-housing/</p> <p>Perth Campus: Local landlords offer a variety of student accommodations in the Town of Perth and in the surrounding area. An off-campus housing list is available to student's year-around. http://www.algonquincollege.com/perth/current/student-services/student-accommodations/</p>

Cambrian will also pay the college application fee for students who come to the event who haven't applied. 		

Admissions Information

Selection process for oversubscribed programs:	Program	# Seats	Benchmarks	<i>As of April 14, 2022, and is subject to change</i>
	Bachelor of Science in Nursing	70	75%	
	Medical Radiation Technology	35	85.5%	
	Powerline Technician	24	84.5%	
	Dental Hygiene	70	70%	

Selection process for non-oversubscribed programs:	Open enrolment programs require that the applicant meets institutional requirements (OSSD or mature student status or equivalent) and the specific program requirements. If these are met, offers of admissions are made. Where any requirements are not yet met, conditional offers may be made. All conditions must be met before the start of classes.
Grade 11 marks:	Grade 11 marks are used only when the admission requirement calls for either Grade 11 <u>or</u> 12 marks. If the requirement is Grade 12, the applicant's Grade 11 marks would not be considered.
Dual credits/SHSM programs:	In partnership with the Rainbow District School Board and the Sudbury Catholic District School Board, Regional Planning Team 1 offers over 25 different delivery options for dual credits in the areas of arts, business, health sciences, trades, mining, and more. For more information, please contact Diane Boyce at diane.boyce@CambrianCollege.ca .
Alternate offers of admission:	Applicants who do not meet the admission requirement(s) for a chosen program will receive an alternate offer, where eligible: Pre-Health Sciences Pathway to Advanced Diplomas and Degrees (for health-related applicants) and Pre-Trades/Technology (for technology-related applicants).
Supplemental admission requirements:	If there are additional admission requirements for an applicant's program of choice, they will be identified on myCambrian, the applicant's secure web portal.
Differentials:	Cambrian College does not apply differentials/weights, as per Ministry requirements.
Workplace pathways:	Applicants with workplace-level English can apply to the Pre-Trades/Technology (PRET), General Arts and Science – Indigenous Specialization (GAIN), and General Arts and Science Certificate (GAPG) programs or pursue Academic Upgrading (UPGR).
Upgrading pathways:	Academic Upgrading (UPGR) and General Arts and Science – English for Academic Purposes (EAPP) .
Post-graduate Opportunities:	Cambrian offers 19 graduate certificate programs in business, health, community services, law and justice, and information technology. Cambrian also has 750+ articulation agreements with universities for graduates to pursue degree opportunities. CambrianCollege.ca/gradcerts ♦ CambrianCollege.ca/pathways
Deferral policy:	We do not defer offers of admission and do not carry over waitlists from year to year.
Students with disabilities:	For more than 20 years, The Glenn Crombie Centre for Accessibility and Wellness has been a leading accessibility centre in North America. Supports and services include testing accommodations, assistive technology, personal care rooms, learning skills advisor services, counselling, assessment services, classroom supports, and specialized orientation programs. CambrianCollege.ca/accessibility

Institutional Information

Student Population:	Full-time students: 23,000 Apprenticeship: 3,338 Part-time: 30,000+
New Programs:	<ul style="list-style-type: none"> • Bachelor of Engineering – Cyber Systems Engineering, 4-year degree (Fall 2022) • Bachelor of Commerce - Financial Services, 4-year degree (Fall 2022) • Esthetician, 2-year diploma (Fall 2022) • Massage Therapy, 3-year advanced diploma (Fall 2022) • Heavy Equipment Techniques - Agricultural Equipment Maintenance and Operation (Fall 2023)
Program Changes:	Practical Nursing - Starting with the Fall 2022 intake of 1077 Practical Nursing, the HOAE exam will no longer be part of the admission requirements for this program.
What's New:	<ul style="list-style-type: none"> • Conestoga engineering degree students place first at provincial competition. • Conestoga's new Skilled Trades Campus will be opening this fall 2022. • Conestoga named among Canada's top 20 research colleges.

Admissions Information

Selection process for oversubscribed programs:	Electrical Technician – Industrial (Optional Co-op) – 75% Powerline Technician (Optional Co-op) – 75% Nursing (BScN) and RPN to BScN – McMaster University now overseeing admissions process Practical Nursing – Fall 2022: Doon campus – 95%, Waterloo campus – 93% Paramedic – 85% Respiratory Therapy – 85% Aviation – 70%
Selection process for non-oversubscribed programs:	Varies depending on the program. Some programs have minimum admission averages and some programs require supplemental admission information.
Grade 11 marks:	Where the minimum subject requirement is grade 12, grade 11 marks in required subjects may be used in the calculation of academic strength for those applicants currently enrolled in the required subjects. In such cases, any offers of admission would be conditional upon the successful completion of the required Grade 12 course and the final grade in that course.
Dual credits/SHSM programs:	Conestoga College, in partnership with School College Work Initiative and eleven area school boards, offers a variety of dual credit courses and OYAP level 1 programs. SHSM reach ahead, experiential learning activities and workshops are available. These opportunities offer pathways to postsecondary programs, trades, and apprenticeship,

	connecting students to their future and beyond. For more information, please contact Rosie Hessian Chair, School of Interdisciplinary Studies at rhessian@conestogac.on.ca .
Alternate offers of admission:	Where possible, alternate offers of admission will be made to programs similar in nature to the original program and for which applicants meet admission requirements.
Supplemental admission requirements:	It depends on the program and may include mandatory information meetings, portfolios, interviews, resumes and/or questionnaires. Details about these requirements can be found online on the program page.
Differentials:	For all certificate, diploma and advanced diploma programs, secondary school marks for required courses will be awarded a 10-mark bonus as follows: Any U Level, any U/C or M level, any courses at the advanced level from the old curriculum – Advanced Level OAC. Note: differentials will NOT be applied to academic strength calculations for any degree or graduate certificate programs.
Workplace pathways:	Conestoga offers programs that require an OSSD or equivalent with no specific course requirements. These include: Business Fundamentals, Food Service Worker, Bartending, Bookkeeping, Construction Techniques (multi trade), Brick & Stone Fundamentals and Community Integration through Co-operative Education.
Upgrading pathways:	Academic Upgrading and Preparatory Programs provide individuals, with and without their high school diploma (or equivalency), the opportunity to complete the required admission/prerequisite courses for entry into certificate and diploma programs. Free programming is available based on eligibility. upgrading@conestogac.on.ca
Post-graduate Opportunities:	Agreements between Conestoga College and other post-secondary institutions are designed to allow our students the opportunity to study elsewhere, usually in the pursuit of a degree or other academic credential. conestogac.on.ca/credit-transfer/agreement
Deferral policy:	Not applicable.
Students with disabilities:	Conestoga provides support for students with permanent and temporary disabilities. Staff work with students to understand the impact of their disability in the college environment and develop a success plan that considers the student's goals and the academic and testing accommodations available to support the student's full participation in Conestoga life. studentsuccess.conestogac.on.ca/myLearning/AcademicAndTestingAccommodations
Scholarship & Financial Aid Information	
Scholarships, bursary and awards application information and deadlines:	We make it very easy for students to apply for awards, bursaries and scholarships. Student Financial Services provides students with one online application, which they complete in the first month of the fall and winter semester to be considered for most of Conestoga's awards, bursaries and scholarships. Availability and deadlines are emailed to each student.
Residence Information	
Residence options:	Residence is on a first-come, first-serve basis and we continue to accept students until we are full (no application deadline). Historically, Residence is full around the end of May or early June. There is a non-refundable application fee of \$100 that is to be paid before a student is accepted to Residence. info@conestogaresidence.ca

Open House – November 2022 www.confederationcollege.ca/open-house

INSTITUTIONAL INFORMATION

Over 6000 full-time and part-time students – 60,000+ alumni

Fitness & Health Promotion – 2-year diploma: This program prepares students to perform the roles and responsibilities of fitness and health consultants who plan, promote, and deliver a wide variety of services. Learn to facilitate activity and educational programs that enhance the health, fitness, and well-being of individuals and groups in diverse settings.

Onajigawin Indigenous Services – 2-year diploma: This program is grounded in Indigenous knowledge and Pedagogy with a decolonized approach to curriculum and assessment. Topics covered include cultural safety and continuity; culture and language, intergenerational health and well-being; Indigenous wellness and addictions prevention; child and family well-being and more!

Health Administration and Leadership – Graduate Certificate: Focus on real-world contemporary issues that provide you with the opportunity to acquire the practical skills needed to be a successful leader in a health organization. Learn about leadership skills in areas such as ethics, policy and law, research, operations, cultural safety, human resources, and finance.

Accommodation and Human Rights Management – Graduate Certificate: This program prepares students to work in the fields of Accommodation, Human Rights, Disability Management, Return to Work, Advocacy or to continue their academic careers in a variety of fields including Social Science, Law, or Human Resources.

Advanced Care Paramedic- Graduate Certificate: Students will gain an enhancement of their critical thinking during high-level emergencies, broadening of their Controlled Medical Act skill base, and operating at peak performance under pressure. Once completed, students can access other specialized training programs in the urban, flight and tactical paramedic communities.

Admission Requirements: Aerospace Manufacturing Engineering Technician/Technology: No longer requires math.

Confederation College will be completely transforming our Lecture Theatre! \$1.5 million has been committed to creating a new, immersive learning facility that will include a “720-degree” learning theatre and production environment. This will enhance learning for Confederation College students across Northwestern Ontario, as well as provide Thunder Bay with a specialized theatre for performances, TED Talk-like events, and travelling lectures while meeting today’s accessibility standards.

ADMISSIONS INFORMATION

Applications received by February 1st will be scored and ranked based on program admission requirements. Offers will be extended to the top ranked applicants and a wait list will be established. For specific program requirements, visit:

www.confederationcollege.ca/admissions

Program	Min. Avg. – 1 st Round Offer	# of Seats	Courses Required for Admissions
Aviation – Flight Management	85%	65	Gr. 12 English, Gr. 12 Math – MCT4C or University Preparation
Dental Hygiene	80%	30	Gr. 12 English, Gr. 11 or 12 Biology, Gr. 11 or 12 Chemistry at C/U level. Min. midterm & final grade of 70% required in each course.

Medical Radiation Technology	87.2%	18	Gr. 12 English, Gr. 12 Math – C/U level, Gr. 11 or 12 Physics, Gr. 11 or 12 Biology OR Chemistry at the C/U level. Min. midterm and final grade of 75% required in each course.
Paramedic	75%	28	Gr. 12 English, Gr. 11 Math, Gr. 11 or 12 Biology, Gr. 11 or 12 Chemistry at C/U level. Min. midterm and final grade of 65% required in each course.

All applicants who apply by February 1st, and meet minimum eligibility requirements, will be extended an offer of admission. If the applicant applies after February 1st, and meets the minimum eligibility requirements, they will be extended an offer of admission on a first-come, first-served basis. Once all seats are filled, a wait list will be established.

Grade 11 marks may be used as substitutes for required courses. If a program indicates grade 11 or 12 is accepted, the higher grade will be used for admission purposes.

A variety of dual-credit options are available. **NEW!** Contact our new Recruitment Officer for SCWI (School College Work Initiative) for any questions about Skilled Trades/Dual Credits or SHSM!

Visit: www.confederationcollege.ca/scwi

We do extend alternate offers to programs based on availability. Eligible programs are reviewed on an annual basis.

Visit www.confederationcollege.ca/programs, select your program of interest and find other requirements on the Admission Requirements tab. Note: Medical Radiation Technology and Community Integration through Cooperative Education require supplemental admission packages.

We do not use differentials for admission purposes.

Workplace level applicants will be eligible for our 1-year College Access Certificate Program, or our General Arts and Science 1-year Certificate or 2-year Diploma programs.

Applicants can contact our Academic Upgrading Office: www.confederationcollege.ca/academicupgrading Phone: 807-475-6418

We offer Post-Graduate programs, Accelerated programs, and have a variety of articulation agreements. Visit: www.confederationcollege.ca/articulation-agreements

We do not defer offers of admission. We also do not carry over wait lists from year to year.

Student Accessibility Services:

www.confederationcollege.ca/accessibility

Phone: 807-475-6618

Upcoming events:	For a full list of our upcoming events and information sessions please visit https://durhamcollege.ca/info-for/future-students/future-students-events Fall Open House - Saturday, November 12, 2022.

INSTITUTIONAL INFORMATION

Student population:	Over 11,000 full-time students and approximately 1000+ apprentices.
New programs:	View full list here: https://durhamcollege.ca/new-programs Artificial Intelligence – Honours Bachelor ; Behavioural Science – Honours Bachelor ; Behavioural Science Technician ; Construction Management – Honours Bachelor ; Internet of Things (IoT) (graduate certificate) ; Office Administration – Executive (Four consecutive semesters) ; Pharmaceutical Science (graduate certificate) ; Supply Chain Management – Global (graduate certificate) ; Web Development
Program changes:	Co-operative education : Updated list of programs offering co-op .
What's new:	New weekend delivery format for the following programs: Personal Support Worker and Entrepreneurship and Small Business – Business . New Centre for Organic Regeneration at the W. Galen Weston Centre for Food. A 1,500-sq. ft. facility and composting system, the Centre for Organic Regeneration will enable DC to complete the field-to-fork (and now back-to-field) loop.

ADMISSIONS INFORMATION

2021/2022 Admissions scores and selection process for oversubscribed programs:	Admission is based on the average of four prerequisite senior-level (grade 11 and grade 12) subjects at the C, M, or U levels, excluding co-op, and any other admission requirements noted on the program page. Please see our website for details. Highly competitive programs for 2021/2022 are as follows: Paramedic / Practical Nursing / Dental Hygiene / Behavioural Science Technician.
Selection process for non-oversubscribed programs	Applications received by February 1st will receive equal consideration. Following this date, all applications will be considered on a first-come, first-serve basis. Applications are evaluated based on published admission requirements. Qualified applicants to non-competitive programs may receive offers of admission as soon as Nov 1, 2022, for the 2023/2024 academic year.
Grade 11 marks:	Where grade 12 marks are not available because a student is either in the process of completing or is registered for a grade 12 prerequisite subject, the grade 11 mark for the same subject will be substituted. If a grade 11 chemistry mark is not available, the average final chemistry mark from the previous year's qualified applicant pool for the same program will be used for ranking.
Dual credits/SHSM programs:	Dual credits are considered for credit transfer. SHSM credits are not considered in the admission/selection process.
Alternate offers of admission:	Applicants who do not receive an offer to their program of choice should contact the Student Recruitment office.

Supplemental admission requirements:	Additional requirements can include testing, a portfolio submission, questionnaire, interview, etc. Please see the program page for details.
Differentials:	Durham College does not apply differentials to C, M, or U level credits.
Workplace pathways:	Prerequisite subjects required for admission to Durham College must be at the C, M, or U levels.
Upgrading pathways:	For applicants 19 and older Academic Upgrading is available: https://durhamcollege.ca/programs-and-courses/academic-upgrading-college-preparation Durham College offers Foundation programs in all areas of study. We also offer a variety of General Arts & Science and Pre-Health pathway options: www.durhamcollege.ca/academic-schools/school-of-interdisciplinary-studies
Post-graduate opportunities:	Durham College offers many graduate certificate programs, view a full list here: https://durhamcollege.ca/programs-and-courses/graduate-certificates There are also many diploma-degree options available: www.durhamcollege.ca/pathways Durham College Transfer Guide
Deferral policy:	Durham College does not have a deferral policy. Students may re-apply for consideration to a subsequent intake.
Student with disabilities:	The Access and Support Centre (ASC) offers a variety of supports for students with documented exceptionalities: www.durhamcollege.ca/asc .
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	Durham College offers over \$5 million per year in financial aid through a variety of scholarships, bursaries and awards. Information is available at www.durhamcollege.ca/financialaid . Students can use the program fee calculator to view program costs: https://durhamcollege.ca/program-fee-calculator Durham College will continue to provide students with opportunities to help fund their educational costs. These opportunities include in-course scholarships based on GPA; bursaries based on financial need; and financial awards.
RESIDENCE INFORMATION	
Residence options:	Oshawa and Whitby Campus have on-campus residences. On-campus residence options and residence applications are available at http://www.duramresidence.ca <ul style="list-style-type: none"> ● Our residence is guaranteed for first-year students (conditions apply) ● Application deadline: June 1, 2022. ● Residence application fee \$100.00 (non-refundable). ● \$500 deposit.

Program Changes:	Changes to admission requirements, supplemental requirements, intakes, delivery models and program locations are posted on the program pages on our website, fanshawec.ca – click on full time programs.
What's New:	Work continues on Innovation Village - https://www.fanshawec.ca/about-fanshawe/choose-fanshawe/innovation-village

Admissions Information

Selection process for oversubscribed programs:	Fanshawe Admissions – www.fanshawec.ca/admissions Information about Competitive Programs – www.fanshawec.ca/hcp 10 of Fanshawe's 240+ programs are oversubscribed. Applicants interested in health programs should take Pre-Health Sciences - www.fanshawec.ca/phs2 . New competitive programs: 911 and Public Safety Communications
Selection process for non-oversubscribed programs:	All applicants who meet the minimum admission requirements and apply by February 1 are admitted. After this date, Fanshawe College will admit eligible applicants on a first-come, first-served basis until the program is full.
Grade 11 marks:	Grade 11 courses may be listed as minimum admission requirements. For oversubscribed programs with less than 3 required courses, the overall grade 11 and 12 average is used for selection.
Dual credits/SHSM programs:	Dual credit – see www.fanshawec.ca/scwi SHSM programs do not provide any extra consideration in the admission process. Admission

	decisions are based solely on the required courses listed on the program pages of the website.
Alternate offers of admission:	Fanshawe does not offer alternate offers of admission. Applicants who are ineligible for their chosen programs and applicants who are not admitted to oversubscribed programs are personally contacted by the admission team and provided with suggested alternatives. It is up to the applicants to apply for the suggested alternative program.
Supplemental admission requirements:	Most of our programs do not require supplemental material. Programs with supplemental requirements will notify applicants by email after application. Programs requiring supplemental material: Graphic Design, Music Industry Arts, Journalism – Broadcast, Community Integration Through Co-operative Education, Respiratory Therapy, Bachelor of Interior Design, Game Design and four graduate certificates.
Differentials:	As per Ministry directive, no differential between O, M, C, or U courses is provided.
Workplace pathways:	Please contact an Admissions and Pathways Advisor, advising@fanshawec.ca or www.fanshawec.ca/advising/booknow . Admission on a case-by-case basis
Upgrading pathways:	Academic Upgrading at Fanshawe - www.fanshawec.ca/upgrading General Arts & Sciences - for those with an OSSD or those without who are over 19 years of age. www.fanshawec.ca/gap1 We also have 1-year prep programs in Pre-Media, Design Foundations, Business Fundamentals, Pre-Technology, Human Services Foundations and Public Safety Fundamentals.
Post-graduate Opportunities:	62+ Graduate Programs - www.fanshawec.ca/graduate Complete your Degree or Master's at over 60 institutions worldwide. www.fanshawec.ca/pathways
Deferral policy:	Fanshawe does not have a deferral policy. Exceptions are made in extreme circumstances by request to the Senior Associate Registrar Admissions, kvogt@fanshawec.ca
Students with disabilities:	www.fanshawec.ca/accessibility
Scholarship & Financial Aid Information

Institutional Information

Student Population:	6,000 full-time
New Programs:	Agriculture Equipment Operator: 12-week local board certificate Aquaculture Foundations: 1-year certificate Electrical Engineering Technology: 3-year advanced diploma Motive Power Technician – Recreation & Sport Vehicle (Optional Co-op): 2-year diploma
Program Changes:	Beginning Sept 2023, Construction Engineering Technician will require Grade 12 (C) math
What's New:	Heavy Equipment Simulators feature operation simulation for earthmoving, construction, forestry and agriculture heavy equipment, and allow users to experience what it is like to operate a backhoe, dozer, excavator, wheel loader, a forestry forwarder and harvester or a tractor, combine or skid steer. Simulators include a motion platform vibration that is experienced while driving, digging and lifting. Business – Human Resources will provide graduates with all nine of the required courses for the Certified Human Resources Professional designation. Graduates from this program can complement their diploma with a degree at various partner institutions. Detailed degree transfer options are available on our program's webpage , including our popular 2 plus 2 pathways .

Admissions Information

Selection process for oversubscribed programs:	Equal consideration will be given to qualified applicants who submit applications by the Equal Consideration deadline. The number of seats will be determined proportional to the number of applicants in each pool (i.e. high school and post-secondary). A limited number of offers may be sent to exceptionally qualified applicants beginning in November, with the majority of offers being sent after February 1 st . Practical Nursing: OSSD including Gr 12 (C) English, Gr 12 (C) Math and two different Gr 11 or Gr 12 (C) Science subjects (i.e. Chemistry, Biology, Physics). Minimum final grade of 65% in each required course. Paramedic: OSSD including Gr 12 (C) English, Gr 11 (C) Math, Gr 11 (U) or Gr 12 (C) Chemistry, and Gr 11 (C) Biology. Minimum final grade of 65% in each required course. Averages will be calculated on the prerequisite courses only. When a required course is in progress, a standard grade will be used in calculating admission averages. Cut-off averages were 79.54 for Practical Nursing and 87.00 for Paramedic for the 2022 Academic Year.
Selection process for non-oversubscribed	Selection based on meeting admission requirements which can be complete or in progress at time of application. Offers will be send on a rolling basis after November 1 st based on GPA until February 1 st .

Grade 11 marks:	Overall average is calculated on all completed Grade 11 and 12 courses (final grades only). Courses required for admission can be in progress at time of application and in this case an offer of admission will be conditional upon successful completion in each required course. (Averages for Practical Nursing and Paramedic, calculated on prerequisites only, see above)
Dual credits/SHSM programs:	Dual Credit programming is offered in partnership with local school boards. Dual Credits earned either through Fleming or through other colleges may be credited toward diploma or certificate programs. No preferential admissions given to SHSM graduates.
Alternate offers of admission:	Alternate offers are extended to related programs for applicants to oversubscribed programs, who meet admission requirements for the alternate program. Up to 25% of seats are reserved in Practical Nursing, Paramedic and Occupational Therapist Assistant and Physiotherapist Assistant for graduates from Fleming's Pre-Health Sciences Pathway to Certificates & Diplomas program.
Supplemental admission req.	No mandatory requirement for admission consideration (i.e. portfolio). See individual program web pages for information about First Aid, CPR, immunization requirements.
Differentials:	No differentials for C, M, U level courses.
Workplace pathways:	Programs that lead to careers for Workplace (E) Graduates are: Agriculture Equipment Operator, Aquaculture Foundations, Blasting Techniques, Esthetician, Heavy Equipment Operator, Personal Support Worker, Mechanical Techniques-Plumbing, Trades Fundamentals (OLC 40 meets the English Req)
Upgrading pathways:	Academic upgrading available with continuous intakes.
Post-graduate opportunities:	25 Graduate Certificate Programs and over 70 Advanced Standing Opportunities and many University and College Articulations. (flemingcollege.ca/programs/post-graduate)
Deferral policy:	Students may re-apply for consideration to a subsequent entry point via OCAS. Applications for a different academic year are subject to a separate application fee.
Students with disabilities:	Each summer, Fleming College offers the First at Fleming program that focuses on the transition from high school to post-secondary and the introduction of services available to you at Fleming. For more information, contact CAES@flemingcollege.ca
Scholarship & Financial Aid Information	
Scholarships, bursary, awards app info & deadlines:	We have approximately \$2 million available annually for student bursaries and scholarships. Financial Need Bursary: Over the last two years, approximately 75% of those who applied with a complete application were eligible to receive this bursary.
Residence Information	
Residence options:	Residence is available in Peterborough & Lindsay. Rooms are allocated on a 1 st come, 1 st served basis, starting February 1 st . Apply at flemingcollege.ca/student-life/housing .

INSTITUTIONAL INFORMATION

Student Population:	27,128 full-time (equivalent) students	
New Programs:	Program Name and Code	Certification
	Electromechanical Engineering Technology - Power and Control (T182)	Ontario College Advanced Diploma
	Food Tourism Entrepreneurship (H147)	Ontario College Graduate Certificate
	Honours Bachelor of Food Studies (H317)	Honours Bachelor's Degree
	Pre-Health Sciences Pathway to Advanced Diplomas and Degrees (A108)	Ontario College Certificate
	Advanced Butchery & Charcuterie (H416)	Ontario College Graduate Certificate
	Honours Bachelor of Business Administration (Business Analytics) (B303)	Honours Bachelor's Degree
	Bachelor of Business Administration (Trades Management) (Honours)	Honours Bachelor's Degree
Program Changes:	Pre-Community Services (A103) has been changed to Human Services Foundations (A113)	
What's New:	<p>The School of Media & Performing Arts has some amazing new tech for our students to use: a 2.5-by-5-meter LED wall which will give students hands-on experience working with industry-leading technology. It's the same technology used in many popular sci-fi shows, giving our media students hands-on experience working with industry-leading technology.</p> <p>The new Pre-Health Sciences Pathway to Advanced Diplomas and Degrees prepares students to gain entry to health science programs at college or university. Students develop their knowledge and skills in communication, mathematics, human anatomy, biology, physics, and organic/inorganic chemistry so that they can be well-prepared for the rigours of a degree or advanced diploma program. This program contains advanced level English and elective courses that may be eligible for transfer credits in other programs where applicable. Within George Brown College, graduates can apply to health science programs including Dental Hygiene, Denturism, Dental Technician, and Hearing Instrument Specialist.</p> <p>Bachelor of Business Administration (Trades Management) (Honours) is a degree-completion program where the knowledge and skills gained through apprenticeship/journeyperson training, or trade-related diploma programs, provide the basis for advanced standing into the program. This unique, collaborative program between Algonquin, Mohawk and George Brown delivers business administration competencies needed by people working in or with the skilled trades to grow their own businesses, take on greater responsibilities in their current work environments, and/or pursue management careers in medium to large organizations. The colleges are sharing their academic and industry expertise to deliver an innovative program that aligns with the technological shifts in the sector.</p>	

ADMISSIONS INFORMATION

Selection process for non-oversubscribed programs:	Highest marks in the program prerequisites and any relevant supplementary admission requirements as applicable will receive an "Offer of Admission" in the first round of offers. The program waitlist is determined based on the quality and number of applicants. Meeting the minimum requirements does not guarantee admission to a program.									
Selection process for oversubscribed programs:	<table border="1"> <thead> <tr> <th>Program Changes</th> <th>New Admissions Changes</th> </tr> </thead> <tbody> <tr> <td>Bachelor of Science in Nursing (S118)</td> <td>Grades of low 90% to be competitive</td> </tr> <tr> <td>Orthotic / Prosthetic Technician (S102)</td> <td>Minimum grade needed to proceed to additional testing that will confirm admission to program</td> </tr> <tr> <td>Honours Bachelor of Digital Experience Design – G301</td> <td>Six (6) Grade 12 University (U) or University/College (M) courses or equivalent with a required average of 60% or above (including English, Math)</td> </tr> </tbody> </table>	Program Changes	New Admissions Changes	Bachelor of Science in Nursing (S118)	Grades of low 90% to be competitive	Orthotic / Prosthetic Technician (S102)	Minimum grade needed to proceed to additional testing that will confirm admission to program	Honours Bachelor of Digital Experience Design – G301	Six (6) Grade 12 University (U) or University/College (M) courses or equivalent with a required average of 60% or above (including English, Math)	
Program Changes	New Admissions Changes									
Bachelor of Science in Nursing (S118)	Grades of low 90% to be competitive									
Orthotic / Prosthetic Technician (S102)	Minimum grade needed to proceed to additional testing that will confirm admission to program									
Honours Bachelor of Digital Experience Design – G301	Six (6) Grade 12 University (U) or University/College (M) courses or equivalent with a required average of 60% or above (including English, Math)									
Grade 11 marks:	Minimum of 60% in Grade 11 C or U English can be used to receive a Conditional Offer in certain programs.									
Dual credits/SHSM programs:	George Brown does not give any advantage to applicants with Dual Credits or Specialist High Skills Majors (SHSM) in making admissions decisions.									
Alternate offers of admission:	Applicants who do not meet the program admission requirements or are not competitive enough may receive an "Alternate Offer" of admission to a related or Foundation-level program.									
Supplemental admission requirements:	Some programs require a letter of intent, interview, portfolio, audition, etc. Academic Departments will issue notification to applicants regarding supplemental admission requirements. See individual program admission requirements for details at georgebrown.ca/programs .									
Differentials:	George Brown does not use grade differentials.									
Workplace pathways:	College Vocational Program accepts students from "Workplace" programs. Learn more about School of Work and College Preparation programs at georgebrown.ca/preparation/programs .									
Upgrading pathways:	Academic Upgrading is available for Mature Students. High school students are not eligible for Academic Upgrading. georgebrown.ca/preparation/programs .									
Post-graduate Opportunities:	A diploma or degree is an admission requirement for most Postgraduate programs. Some programs also have a work experience requirement. georgebrown.ca/postgrad/ .									
Deferral policy:	George Brown does not defer Offers of Admission. Apply in the year and term you are able to attend.									
Students with disabilities:	Students who have a permanent or temporary disability or who suspect they have a disability and are awaiting an assessment are eligible to receive academic accommodations from Accessible Learning Services. Accommodations may include but are not limited to: extra time and use of a computer to write a test, note-taking assistance in class and negotiated extensions for assignments. To register, fill out our confidential intake form and submit it to our office along with supporting documentation for your disability or disabilities. http://www.georgebrown.ca/accessible-learning-services/ or contact us at letstalk@georgebrown.ca .									
SCHOLARSHIP & FINANCIAL AID INFORMATION										
Scholarships, bursary and awards application information and deadlines:	In 2020-2021, over more than 11,400 students received almost \$120 million in OSAP loan and grant funding, and more than 4,300 students received almost \$7.2 million in scholarships/awards/bursary funding. Information about financial assistance programs is available at georgebrown.ca/financialaid . Students at George Brown can apply for various in-course scholarships, awards, and bursaries by logging into the Stu-View portal. Information about awards and application deadlines is on georgebrown.ca/financialaid/awards . Check in August for the availability of awards and bursaries for the upcoming year. We also participate in HigherEdPoints.com , which allows family and friends to donate Aeroplan Miles and convert them into funds to cover education costs.									
RESIDENCE INFORMATION										
Residence options:	George Brown's student residence, The George, offers fully furnished 2-bedroom suites with a kitchenette, Wi-Fi, cable television, and all utilities. It is approximately a 15-minute walk from both Waterfront and St. James campuses and is on a major transit line. With ample community spaces that include a state-of-the-art games lounge, fitness area, BBQ patio, and study spaces, the residence combines the complete student experience with proximity to all the city's amenities. Residence application has no deadline. Applications are based on a first come, first served basis, so there is no guaranteed residence for any student. The room deposit fee is \$475 and is refundable for Fall/Winter applicants if they cancel by June 17 and for Summer the refund deadline is April 1. georgebrown.ca/residence

Institutional Information

Student Population:	13,000 full-time students, including 4,700 international students from 85 countries
New Programs:	Game Design and Simulation – 2 yr. diploma Jewellery Design, Bench Skills and Business – 2 yr. diploma Maajii – Anishnaabemdaa – 1 yr. certificate Visual and Digital Media Arts – 2 yr. diploma Cryptocurrency and Blockchain Technology – 1 yr. graduate certificate Digital Content Creation and Strategy – 1 yr. graduate certificate Artificial Intelligence Leadership and Management – 1 yr. graduate certificate
Program Changes:	Massage Therapy – applicants are required to have an up-to-date clear criminal reference check and vulnerable sector check prior to placements. Students should obtain their reference check three months prior to placement or six weeks before the start of their program.
What's New:	Georgian will be the first college to pilot a new real-time admissions experience starting Fall 2022. Imagine applying to the college and being presented with an offer of admission within minutes. This will soon be a reality for applicants to Georgian. Georgian will be a pilot college to implement the first phase of a near real-time admissions experience through the Ontario College Application Service. Georgian is also pleased to announce the introduction of a new state-of-the-art platform to support student success. This new management system brings together the latest evidence-based tools, practices and technology to help ensure students are supported to persist and graduate. Soon, Georgian will be the first higher education institution in Canada able to answer students' questions through Amazon Alexa and Google Home. This will all be possible thanks to ServiceNow, a central platform where student queries and requests for support can be met.

Admissions Information

Selection process for oversubscribed programs:	Applicants are ranked using academic grades and other selection tools such as resumés, etc. Once the desired number of offers have been reached through rounds of offers, only qualified applicants may be placed on a waiting list.
---	--

Selection process for non-oversubscribed programs:	Applicants are ranked based on academic grades. Once the desired number of offers have been reached, qualified applicants are placed on a waiting list.
Grade 11 marks:	Some programs will accept a Grade 11 Biology or Chemistry as part of the admission requirement. Some programs will accept Grade 11 math with a minimum grade of 60%. For programs requiring Grade 12 courses, and if a Grade 11 final grade has been provided, we may use the Grade 11 mark as an estimate until a mid-term or final grade for the Grade 12 course is received. It is always recommended that students challenge themselves in high school and complete the highest levels of a subject to better prepare for success in college.
Dual credits/SHSM programs:	Dual Credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/credit transfer opportunities.
Alternate offers of admission:	Georgian will identify whether programs have a winter or summer intake and provide alternative offers if possible. If there are no alternative intakes, we offer preparatory programs such as Pre-Health Sciences for our health programs or other programs of interest.
Supplemental admission requirements:	See individual program web pages for information about G2 driver's licence, First Aid, CPR, immunization requirements, Police Vulnerable Sector Check, portfolios and all other non-academic requirements.
Differentials:	Georgian does not use grade differentials for C, M or U level courses.
Workplace pathways:	All postsecondary programs at Georgian require a minimum of C, M or U level courses. Workplace credits may be considered as part of an application to the Community Integration through Co-operative Education (CICE) program. Applicants who have workplace levels in required courses will be counselled to pursue academic upgrading through Georgian's free Academic and Career Preparation program.
Upgrading pathways:	Applicants taking upgrading can apply to all certificate and diploma programs. Once enrolled, students have many pathway options to transfer into degree programs offered at Georgian. GeorgianCollege.ca/degrees
Graduate Opportunities:	Georgian offers 25 graduate certificates – diploma and degree holders can fast-track into the workplace in just nine to 12 months.
Deferral policy:	Offers of admission and waiting lists are valid for the current term only. Deferrals are not available.
Students with disabilities:	All Georgian students with disabilities are eligible for accommodations and support services. Student Success Services provides students with supports that are essential for their success at college. GeorgianCollege.ca/accessibility
Scholarship & Financial Aid Information	
Scholarships, bursary and awards application information and deadlines:	Georgian raises over \$1 million annually for awards and scholarships. There are two award application cycles: once in the fall semester and once in the winter semester. GeorgianCollege.ca/awards Lakehead-Georgian: Over \$11 million in scholarships, bursaries and awards offered through Lakehead University. LakeheadGeorgian.ca/financialaid

What's New:	<ul style="list-style-type: none"> Humber College has long been recognized as an innovative applied research institution, and in 2021, the college cemented that status rising to a second place ranking of Canada's Top 50 Research Colleges and the top college in Ontario. - Research Infosource Inc. Humber announced their Climate Action Plan. The plan sets a course for the college to be net-zero emissions by 2050. Humber's Cultural Hub will provide world-class multimedia performance spaces, including a 500 seat Performance Hall, a 130-seat Recital Hall along with professional-quality music, film/TV, and multimedia teaching and training facilities. IL Creative Studios have Launched at North Campus in March 2022 where you can create videos, webinars and other media using Panopto, Teams, or our professional suite of tools such as PowToon, Lumen5, Adobe Creative Suite, Final Cut, and more. The Humber Hawks had a gold rush this year in Varsity Athletics. 2022 CCAA Men's Basketball National Champions, Badminton Mixed Doubles National Champions, Badminton Women's Doubles National Champions 2022 OCAA Women's Basketball, Men's Basketball, Women's Volleyball, Men's Volleyball Provincial Champions

Admissions Information

Selection process for oversubscribed programs:	Applicants are ranked based upon grades/test scores and additional requirements. Offer of admission GPA scores vary from year to year depending on applicant pool. Applications to highly competitive programs must be received by the February 1st equal consideration deadline. Applications received after February 1st will only be considered if space permits.
Selection process for non-oversubscribed programs:	Humber may begin sending offers of admission to eligible students starting in November for the next upcoming academic year. Offers will continue to be issued until programs are waitlisted or full.

Grade 11 marks:	Grade 11 marks may be used to evaluate applications and issue conditional offers. For degree level programs, grade 11 marks may be used as placeholders for incomplete or in progress grade 12 courses. For certificate or diploma programs, grade 11 marks may be used as elective courses and used for GPA calculation.
Dual credits/SHSM programs:	Please see https://liberalarts.humber.ca/current-students/departments/dual-credit.html for more information on Humber's dual credit program. Connect with us at student.recruitment@humber.ca for SHSM partnership opportunities.
Alternate offers of admission:	Applicants may receive alternate offers to related or preparatory programs.
Supplemental admission requirements:	Additional requirements (where applicable) can be viewed by clicking the "Admission Requirements" button on each respective program pages. https://humber.ca/search/full-time.html
Differentials:	Humber does not use grade differentials for admission purposes.
Workplace pathways:	Humber will only review courses at the C, M or U level for admissions.
Upgrading pathways:	Humber offers different upgrading pathways for students including foundation programs such as arts, design and media; General Arts and Science programs in areas such as College or University Transfer, Health and Science and Technology. We offer a range of pre-apprenticeship programs including Electrical, Plumbing, Welding and Mechanical Techniques – Millwright. Please see https://humber.ca/transferoptions/transfer-in.html
Post-graduate Opportunities:	Humber offers in total 80 Ontario Graduate Certificates in various disciplines. Most of our Ontario Graduate Certificates now have pathways into Master's programs at our various partner institutions. Contact transferoptions@humber.ca for more information.
Deferral policy:	We do not defer admission offers Students must re-apply to each intake or academic year.
Students with disabilities:	Humber's Accessible Learning Services facilitates equal access for students with disabilities by coordinating academic accommodations and services. Visit wegotyou.humber.ca for more information on services and supports for students.

Institutional Information

Student Population:	Approximately 3,000
New Programs:	<ul style="list-style-type: none"> • Finance & Analytics: In this two-year diploma program, students learn how to harness data science to generate growth, forecast market trends and inform financial decisions. • Heating, Refrigeration & Air Conditioning Techniques/Technician: Loyalist's one-year techniques certificate and two-year diploma programs provide students with a balanced blend of theoretical knowledge and experiential learning in installing, servicing, maintaining and updating heating, refrigeration, and air conditioning systems. • Mechatronics: In this two-year diploma program, students will gain the skills and knowledge to enter the workforce in a wide variety of industrial environments and advanced manufacturing facilities. • Nursing – Honours Bachelor of Science: Upon graduation from this four-year degree program, students will have earned a BScN credential which meets all the requirements of the College of Nurses of Ontario and qualifies them to write the National Council Licensure Examination (NCLEX) exam and allows them to register as a Registered Nurse (RN) in Canada and the United States.
Program Changes:	<p><u>Program Name Changes</u></p> <ul style="list-style-type: none"> • Animation & Game Development (formerly Interactive Media Development – Animation & Game Development) • Inspections, Enforcement, Safety & Investigations (formerly Protection, Security & Investigation) • Radio (formerly Broadcasting – Radio) • Recreation, Sport & Leisure (formerly Recreation & Leisure Services – Sports) • Television, Filmmaking & Digital Content Creation (formerly Broadcasting – Television, Filmmaking & Digital Content Creation) <ul style="list-style-type: none"> • RPN Bridge Semester: Upon successful completion of the six courses in the bridge semester curriculum, students will be eligible for entry into Semester 5 of Loyalist's Nursing – Honours Bachelor of Science program.
What's New:	<ul style="list-style-type: none"> • Loyalist College received \$2.8 million of provincial funding to modernize infrastructure, which will help the College acquire lab equipment to support new and existing programming and applied research, and replace and upgrade equipment in the Health, Human and Justice Studies programs. • Loyalist College is the highest ranked Top 50 research college in the region. According to the annual analysis published by Research Infosource Inc., the College achieved significant growth in a number of key categories, ranking no. 4 in Canada for Research Income Growth and no. 3 overall for Research Income/Researcher. • Loyalist College and GreenCentre Canada signed a Memorandum of Understanding (MOU) to support innovation in sustainable chemistry and advanced materials. • Loyalist College and Olds College signed an agriculture applied research MOU which will establish new and enhanced work-integrated learning opportunities for students between the two institutions, and explore potential areas of collaboration in smart agriculture, vertical farming and aspects of urban planning around farming and food sustainability. • Loyalist College established a Downtown Belleville Business Accelerator, providing students and community members a supportive space from which to incubate their entrepreneurial ideas with the goal of transitioning to mainstream businesses, vitalizing, and diversifying the city's core and the region.

Admissions Information

Selection process for oversubscribed programs:	An applicant must first meet the minimum required grade(s) in each of a program's pre-requisite course(s) and then be ranked by an overall average in these courses and any other courses specified. Additional OSSD credits and overall GPA are not calculated during the competition. In the event that the required credits are in progress, the Admissions team may refer to the applicant's relevant Grade 11 mark. Meeting the minimum admission requirements does not guarantee admission.
---	---

Selection process for non-oversubscribed programs:	All qualified applicants who apply before Feb. 1 are issued an offer. Qualified applicants who submit applications after Feb. 1 will receive offers on a first-come, first-served basis.
Grade 11 marks:	For non-oversubscribed programs, Grade 11 marks are not evaluated during the application process unless the credit is a specific requirement of a program.
Dual credits/SHSM programs:	Loyalist currently offers 40 dual credit classes for secondary school students in the following local area school boards: Algonquin & Lakeshore Catholic; Hastings and Prince Edward; Kawartha Pine Ridge; Limestone; Peterborough, Victoria, Northumberland and Clarington Catholic; and Trillium Lakelands. For more information, please contact SCWI Program Coordinator Edina Cappuccitti at ecappuccitti@loyalistcollege.com .
Alternate offers of admission:	Students who do not meet the minimum admission requirements for a desired program, or who are unsuccessful in an admissions competition, are issued an alternate offer to a similar program for which they qualify.
Supplemental admission requirements:	Supplemental admission requirements may be required. Requirements may include portfolios, criminal record checks, driver's licences, immunization records, CPR and First Aid, and anaphylaxis certificates.
Differentials:	C, M, U credits are all weighted equally where applicable. Nursing – Honours Bachelor of Science degree program applicants must possess the required U and M level credits.
Workplace pathways:	Loyalist offers the Community Integration Through Co-operative Education (CICE) program, and academic upgrading is available through the Career & College Prep program.
Upgrading pathways:	Certain conditions may allow applicants to gain admission to their desired program by completing our Career & College Prep program or by successfully completing the Mature Applicant Pre-Entry Test.
Post-graduate Opportunities:	Please visit loyalistcollege.com/postgrad for a full list of post-graduate programs, including Artificial Intelligence & Data Science, Financial Technology, Public Relations – Event Management, Human Resources Management and Cannabis Applied Science, among others.
Deferral policy:	N/A
Students with disabilities:	AccessAbility Services assists students with disabilities in adjusting to the College environment. Since each student's needs are unique, supports and accommodations are arranged on an individual basis. Services are free, voluntary and confidential. Students must self-identify and are encouraged to contact AccessAbility Services well in advance of attending to arrange a time to discuss services and supports, and to provide documentation such as assessments (psycho-educational, occupational therapist, etc.) and IEPs. For more information, students, families, and guidance counsellors may contact studentsuccess@loyalistcollege.com or call 613-969-1913, ext. 2519.

Scholarship & Financial Aid Information

Scholarships, bursary and awards application information and deadlines:	<ul style="list-style-type: none"> • Loyalist College Entrance Scholarship: Students who have a high school average of 87% or higher and accept our offer of admission by May 1 are eligible to receive a \$1,000 scholarship (average is based on all Grade 11 and the top six Grade 12 courses). Students must maintain their 87% average through to graduation to receive the scholarship. • Specialist High Skills Major Award: This annual bursary is available to students who have received their SHSM designation and are entering first year in a post-secondary program at Loyalist College. Up to ten students who submit their SHSM certificate to the Awards Office by the tenth day of classes will receive a \$1,000 scholarship for their tuition costs.
--	--

Residence Information

Residence options:	Loyalist College Residence provides a safe and vibrant community that engages students in enriching living and learning experiences. With 580 beds between two different styles of fully furnished residences (apartment or townhouse), students will benefit from live-in peer supports, full-time professional staff, 24/7 security staff, and a variety of social and developmental programming opportunities. Loyalist also boasts access to a Residence outreach worker and bi-weekly wellness checks. Students are accepted on a first-come, first-served basis. Potential students may apply before confirming an offer of admission. There is no application deadline. Students can apply online; a \$50 application fee and \$500 deposit are required.

Admissions Information

Selection process for oversubscribed programs:	Eligible applicants to oversubscribed programs, who have applied before the Equal Consideration Date (Feb 1), are ranked by grades of required courses. We do not publish cut-off scores for oversubscribed programs as they are determined based on the applicant pool and vary from year to year.
Selection process for non-oversubscribed programs:	All eligible applicants who have applied before the Equal Consideration Date (Feb 1) receive an offer of admission.
Grade 11 marks:	When an applicant does not have a midterm or final grade for their Grade 12 requirement(s), we will consider their Grade 11 final grade, when ranking for competitive programs only.
Dual credits/SHSM programs:	Health & Wellness, Design/Engineering, Welding, Media, Automotive and Indigenous Studies complement the existing General Education, Technology, and OYAP programs offered on campus and in secondary schools throughout the Golden Horseshoe and Haldimand-Norfolk communities. Visit mohawkcollege.ca/DualCredit

Alternate offers of admission:	Applicants to waitlisted programs, and applicants not eligible to their program of choice who are not pursuing upgrading or testing options, may be sent an alternative offer for a related program.
Supplemental admission requirements:	Additional selection criteria may be used for oversubscribed programs. Examples are portfolios, interviews, résumés, auditions, questionnaires, testing etc.
Differentials:	Information on how C, M or U level courses are considered as part of our admissions process: As per the Ministry's Binding Policy Directive, all C, M or U level courses are considered equally for the purpose of admissions decisions.
Workplace pathways:	Art & Design Foundations (270), Career Pathways (361), Human Services Foundation (276), Pre-Media and Entertainment (194), Mechanical Techniques – Welding and Fabrication (574), Construction Techniques (452), Construction Techniques – Plumbing (584), Visit mohawkcollege.ca .
Upgrading pathways:	Opportunities exist through Continuing Education mohawkcollege.ca/CE and through the Academic Upgrading program funded by Employment Ontario (EO) mohawkcollege.ca/AU Earn college credits through City School by Mohawk. Visit mohawkcollege.ca/CitySchool For English as a Second Language applicants, we offer General Arts & Science- English for Academic Purposes mohawkcollege.ca/278 (Domestic) and mohawkcollege.ca/478 (International).
Post-graduate Opportunities:	Mohawk offers a number of graduate programs. Visit mohawkcollege.ca/GradStudies including newer programs in Digital Health (594) and Project Management (399).
Deferral policy:	n/a
Students with disabilities:	Mohawk has a comprehensive Accessible Learning Services department to support academic accommodations, assistive technology, alternate format, and learning skills for students with disabilities. Visit mohawkcollege.ca/Als Questions? email als@mohawkcollege.ca or Phone 905-575-2122
Scholarship & Financial Aid Information	
Scholarships, bursary and awards application information and deadlines:	Mohawk College has always offered an affordable education, giving students access to more than \$3 million in Mohawk College bursaries, and Ministry-partnered bursaries and scholarships to help meet our student's financial needs. Each semester, complete your Financial Assistance Profile to be considered for all the awards, bursaries and scholarships available through Mohawk College. The application opens prior to the start of every semester at www.mohawkcollege.ca/FinancialProfile Mo' Money Financial Literacy Resource Centre supports students in becoming more confident with their finances. Whether saving for school, making a budget, or planning for a major purchase we can help. Visit us any time at mohawkcollege.ca/MoMoney .
Residence Information	
Residence options:	Residence applications open on February 1 each year. Residence provides an excellent opportunity for students to live in a community and build lasting friendships. Spaces are limited, with applications being accepted on a first-come, first-served basis. A non-refundable application fee of \$100 is due at the time of application. Should a student choose to cancel their application, they must do so before June 15 to avoid cancellation penalties. Visit mohawkresidence.ca and click the 'Apply Now' on the main page to get started. General application inquiries can be sent to info@mohawkresidence.ca .

INSTITUTIONAL INFORMATION

Student population:	Over 10,000 Full-time students
New programs:	3 new Graduate Certificates in Business Analytics, Social Media Management and Supply Chain Management
Program changes:	Office Administration – Executive, Office Administration - Health Services and Office Administration – General: have improved the curriculum and program flow, with more consistent hours in all semesters. Now all 3 programs have an intake in the Fall Term.
What's new:	<ul style="list-style-type: none"> - Business – General Business, General Arts and Science and Pre-Health Sciences for Certificates and Diplomas are all available fully online. - HOAE pre-admission testing is no longer required for admission for health programs. - Preferred Admission Bonus for Niagara College Pre-Health students to Niagara College Health programs. Details available at NiagaraCollege.ca/0850 - Facilitated Indigenous Application process, NiagaraCollege.ca/indigenouseducation/apply/

ADMISSIONS INFORMATION

2022 Admissions scores and selection process for oversubscribed programs:	<p>For competitive programs, applications received on or before the application deadlines are equally considered, based on published admission requirements and residency priority. Selection is based on the average of final grades in all required courses and, if required, pre-admission test or portfolio scores. Course averages are based on the highest final grade available at the time of evaluation. Mid-term grades are not considered for competitive programs. However, grade 11 final grades are considered where the required grade 12 course is in progress. For detailed Pre-Admission Requirements and important dates visit: https://www.niagaracollege.ca/enrolmentservices/admissions/par/</p> <p>Detailed information and examples on admission decisions is available at (click on Admission Decisions) https://www.niagaracollege.ca/enrolmentservices/</p>
Selection process for non-oversubscribed programs	Applications to open programs are evaluated based on published admission requirements. Acceptances are issued upon receiving admission requirements and continue to be issued until the program reaches capacity.
Grade 11 marks:	Grade 11 final grades are considered where the required grade 12 course is in progress. Example: When an applicant is enrolled in a required grade 12 English (and has no previous final mark for grade 12 English) evaluation will be based on the final mark for

	grade 11 English. Offers of admission granted in this circumstance will be conditional upon successful completion of the required grade 12 English.
Dual credits/SHSM programs:	Dual credits and SHSM courses are not given extra consideration for admission. However, Dual Credits may be considered for exemption/transfer credit opportunities. SHSM Scholarship: Niagara College offers a \$1,000 Specialist High Skills Major Scholarship for eligible applicants applying for admission into an identified related Niagara College program. For details visit: https://www.niagaracollege.ca/enrolmentservices/financialaid/scholarships/shsm/ Niagara College has awarded over \$593,000 in scholarships to graduating high school students completing their SHSM credentials.
Alternate offers of admission:	Alternate offers of admission may be issued to related or preparatory programs. Applicants with E level English will be considered for an alternate offer to General Arts and Science – College Exploration, Pre-Community and/or Pre-Technology.
Supplemental admission requirements:	We refer to supplemental admission requirements as Pre-Admission Requirements. Additional fees may apply. For detailed Pre-Admission Requirements and important dates visit: https://www.niagaracollege.ca/enrolmentservices/admissions/par/
Differentials:	Niagara College does not differentiate between C, M or U level courses.
Workplace pathways:	All post-secondary programs at NC require a minimum of C, M or U level courses. Workplace credits may be considered on an individual basis for admission to some preparatory certificate programs or as part of admission to either the General Arts and Science Certificate or the Community Integration through Continuing Education (CICE) program.
Upgrading pathways:	Preparatory Certificate programs are offered in Pre-Health, Pre-Community, Pre-Technology and College Exploration. The Academic and Career Entrance (ACE) certificate program is available for candidates who are at least 19 years of age and do not have the required courses for admission. https://www.niagaracollege.ca/liberal/program/literacy/
Post-graduate opportunities:	Graduate Certificate programs are offered at Niagara College. Niagara College also offers pathways to other degrees and diplomas at both Niagara College and other institutions. To review established pathways visit: https://www.niagaracollege.ca/pathways/
Deferral policy:	Offers of admission and waiting lists are valid for the current term only. Deferrals are considered on an individual basis when documentation (e.g., medical note) is provided.
Student with disabilities:	Accessibility Services Welland Campus: 905-735-2211 ext. 7778/7635 Niagara-on-the-Lake Campus: 905-641-2252 ext. 4408/4449 For types of support and accommodations visit: https://www.niagaracollege.ca/hwas/services/accessibility/
SCHOLARSHIP AND FINANCIAL AID INFORMATION	
Scholarships, bursary and awards application information and deadlines:	Niagara College offers over \$1.5 million in scholarships and bursaries each year. We continue to offer Specialist High Skills Major scholarships, Entrance Bursaries, and a variety of donor funded scholarships and bursaries. All award opportunities and deadline dates are posted on our financial aid website: https://www.niagaracollege.ca/enrolmentservices/financialaid/
RESIDENCE INFORMATION	
Residence options:	Welland Campus Tel: 905-732-9700 Niagara- on- the- Lake Campus Tel: 905-641-4435 Residence Application Deadline: April 15, 2022 Residence Guaranteed: Priority is given to those residing outside of the Niagara Region. Compressed Civil Engineer Technologist is now a 2 year Civil Engineering Technician.
What's New:	Northern college will now have programs starting in three intakes: September, January and May. New 23,000 sq. ft. Innovation Hub Opening Summer 2022 at our Timmins Campus. Usable labs for research and student technology. Will consist of eight labs – two manufacturing labs, plus one each for carpentry, virtual reality, simulation, alternate energy, mining exploration and 3D printing – two classrooms and two shops.

Admissions Information

Selection process for oversubscribed programs:	Varies from year to year, only minimum requirements are published. However, the cut off for highly competitive programs is higher than the minimum requirement issued. Highly competitive programs are programs that receive more applications than seats available in the program. As a result, applications received by February 1st are ranked in order of priority according to highest academic achievement in the admission requirements published for the program. After the February 1st equal consideration date, applications are waitlisted should seats become available in the program.
Selection process for non-	Must meet minimum admissions requirements or be in the process of obtaining admission course

oversubscribed programs:	requirements to receive a conditional offer. Proof of registration in high school courses or upgrading is required. Applicants continue to be assessed until September, or until the program cap is reached and then a waitlist is created.
Grade 11 marks:	Admissions may use marks from Grade 11 for students in highly competitive programs where Admissions does not have Grade 12 marks to base their offer. However, we recommend that applicants if possible, try to have Grade 12 requirement course(s) for a highly competitive program completed in the first semester of their last year to be more competitive in the process.
Dual credits/SHSM programs:	Dual credits would be looked at for credit exemption. List of dual credit programs available upon request.
Alternate offers of admission:	Applicants that do not meet admission requirements for selected programs may be provided an alternative offer where they do meet the admission requirements, dependent on availability of seats in any given program.
Supplemental admission requirements:	No admissions testing - Veterinary Sciences, Health Sciences and Community Services placement (First Aid, CPR, Immunization records, police check). Admission testing is offered to mature students who do not have the required English or Math, (no testing available for sciences).
Differentials:	Northern College does not use differentials.
Workplace pathways:	Students with workplace level courses can study our Animal Grooming Certificate program. We also offer academic upgrading. For more information, please visit the Northern College website regarding workplace level courses.
Upgrading pathways:	Academic upgrading available. Preparatory programs; Pre-Health Sciences Pathway to Advanced Diploma and Degrees. General Arts and Science – Exploratory. Pre-Technology Certificate.
Post-graduate Opportunities:	Companion Animal Physical Rehabilitation, Healthcare Management, Welding Design – International, and Emergency Management, Terrorism and Pandemic Response, Accommodation and Human Rights Management, Welding Design – International and Electrical Engineering Technician – Level 3 for Instrumentation Grads.
Deferral policy:	Only in extenuating circumstances – requests must go to our Registrar and are considered on an individual case-by-case basis.

What's New:	Master's Degrees: 50 + master's degree pathways through our partnerships that allow you to build on your Seneca degree or graduate certificate and further your education.

Admissions Information

Selection process for oversubscribed programs:	Oversubscribed Programs	To Be Competitive Applicants Require	Number of Seats	Number of Applications
	Animation	Portfolio of work and drawing test	105	740
	Bach of Behavioural Psychology	Min. 65% in six 12U courses	115	700
	Bach of Aviation Technology	Min. 65% in six 12U courses with min. 70% in four required courses	90	470
	Nursing - BSN	Min 75% in six grade 12U courses	200	1,700
	Practical Nursing	70% in four required courses	280	2,035
	Veterinary Assistant	Min. 60% 12C English	80	390
	Veterinary Technician	Min. 85% in required courses	110	1,090
Selection process for non-oversubscribed programs:	The selection process for non-oversubscribed programs is based on published admission requirements.			
Grade 11 marks:	In the absence of mid-term or final Grade 12 marks for pre-requisite subjects for a given program, Grade 11 marks may be considered as criteria in the selection process.			

Dual credits/SHSM programs:	Seneca has more than 50 dual credit courses across various academic areas, supporting over 1,000 high school students annually. Courses include aeronautics, psychology, marketing, drawing, design, AutoCAD, animal behaviour, forensic crime and nutrition. Many courses support Specialist High Skills Major (SHSM) programs. Seneca offers a non-renewable \$1,000 dual credit bursary to full-time students in their first year who complete a dual credit course at Seneca while in high school and demonstrate financial need. senecacollege.ca/counsellors/school-college-work-initiative/courses										
Alternate offers of admission:	When a student does not meet the admission requirements, they may be given an alternate program recommendation which is relevant to their chosen area of study.										
Supplemental admission requirements:	Some programs use additional admission criteria such as portfolios or skills tests. The following are some examples. <table border="1" data-bbox="512 488 1506 658"> <thead> <tr> <th>Program</th> <th>Supplemental Admission Requirement</th> </tr> </thead> <tbody> <tr> <td>Acting for Camera & Voice</td> <td>Acting resumé and audition</td> </tr> <tr> <td>Animation</td> <td>Applicant profile and writing assignment</td> </tr> <tr> <td>Graphic Design</td> <td>Portfolio of work and design assignment</td> </tr> <tr> <td>Illustration</td> <td>Portfolio of work and drawing test</td> </tr> </tbody> </table>	Program	Supplemental Admission Requirement	Acting for Camera & Voice	Acting resumé and audition	Animation	Applicant profile and writing assignment	Graphic Design	Portfolio of work and design assignment	Illustration	Portfolio of work and drawing test

Acting for Camera & Voice	Acting resumé and audition										
Animation	Applicant profile and writing assignment										
Graphic Design	Portfolio of work and design assignment										
Illustration	Portfolio of work and drawing test										
Differentials:	Seneca does not use differentials in the selection process.										
Workplace pathways:	Applicants who have workplace level courses are encouraged to consider Seneca's Academic Upgrading program to prepare for college.										
Upgrading pathways:	Seneca offers a free academic upgrading program for students missing admission requirements. Our English/Math 12U equivalency programs allow applicants to upgrade their high school English or math skills to qualify for a Seneca degree. Other upgrading options include the Academic and Career Entrance (ACE) certificate, Youth to Postsecondary (Y2P) program, General Arts diploma and one-year certificates.										
Post-graduate Opportunities:	Diploma and degree graduates who would like a competitive edge can apply to a graduate certificate program. senecacollege.ca/gradcerts										
Deferral policy:	An applicant may change their start date at OCAS within the same application cycle and will be considered for an offer if there is room in the program. There is no guarantee of a seat if the program is highly competitive.										
Students with disabilities:	Seneca Counselling & Accessibility provides short-term supportive counselling and academic accommodations to students who have documented disabilities or medical conditions. We also offer assistive technology training, learning strategy instructions, workshops, groups and more. Seneca continues to offer the Program for the Education and Enrichment of Relationship Skills (PEERS®), a social skills program for young adults with Autism Spectrum Disorders. senecacollege.ca/counselling										
Scholarship & Financial Aid Information											
Scholarships, bursary and awards application information and deadlines:	Seneca offers millions of dollars in scholarships, bursaries and awards each year. Renewable degree scholarships are available for those whose Gr. 12 average is 70%+. A \$2,500 scholarship is available for qualified diploma graduates pursuing a degree. First year students applying to OSAP may qualify for up to \$2,000 towards a degree or up to \$1,000 towards a diploma/certificate.										
Residence Information											
Residence options:	Residence living is an opportunity to build friendships, gain independence and experience life on campus. Applications are completed online and will be accepted on a first-come, first-served basis. senecaresidence.ca

What's New:	Student Centre at Hazel McCallion Campus A five-storey recreation and athletics hub for students, by students, with a former student managing the \$43-million project – the Hazel McCallion Campus Student Centre is the newest kid on the block at Sheridan, and it's a tribute to the imagination and creativity of its student community. The brand-new building offers fun and relaxation to students taking a break away from lectures, labs and curriculum by having; a coffee station and a full-service bar, double-height gym with a basketball court, exercise room with state-of-the art cardio and weight equipment, studio space for yoga and dance classes, and an elevated running track.

Admissions Information

Selection process for oversubscribed programs:	Applicants to some oversubscribed programs are admitted based on a combination of both academic criteria and the ranking of a supplemental item. These scored supplementals are used in conjunction with the applicant's academic performance.
---	--

Selection process for non-oversubscribed programs:	Applicants to some programs are admitted based on academic criteria alone. Selection is based on the average of their six highest senior-level credits, including required courses. Sheridan uses a limit of one cooperative education mark as part of the average.
Grade 11 marks:	For certificate and diploma programs, appropriate grade 11 marks can be used as electives in the calculation of an admissions average if the applicant is registered in the required courses.
Dual credits/SHSM programs:	Marks for dual credits and/or SHSM courses are used in the calculation of admission averages and are treated as electives, if they are part of the six highest senior-level marks used in the average. They are not used as pre-requisite courses.
Alternate offers of admission:	Applicants who do not meet the admission requirements for their program of choice will be assessed and advised and may be considered for other related programs.
Supplemental admission requirements:	Supplemental admission requirements can include portfolios, auditions, resumes, questionnaires, creative projects, essays, etc. Information about supplemental admission requirements can be found at guidance.sheridancollege.ca .
Differentials:	Sheridan does not use grade differentials in the selection process.
Workplace pathways:	Sheridan will only review courses at the C, M or U level for admissions.
Upgrading pathways:	Free academic courses in English, Math, Chemistry and Biology (ACE Core), and Computer Applications and Strategies for Success (Elective). For more information visit: upgrading.sheridancollege.ca .

ADMISSIONS INFORMATION

2022 Admissions scores and selection process for oversubscribed programs:	With the exception of the Collaborative Nursing Program (BScN), admissions to oversubscribed programs will be based on the average of all grade 11 and 12 marks. In addition, the HOAE test is required for Cardiovascular Technology, Dental Hygiene, Diagnostic Medical Sonography, Medical Laboratory Science and Respiratory Therapy. ** <i>*Collaborative Nursing is based on the average of final first semester grade 12 required (U) courses. If you have not taken the required Chemistry or Biology in your first semester of Grade 12, your Grade 11 (U) marks will be used.</i> ** Programs using the HOAE Test could change due to the COVID 19 pandemic, visit program pages for most up to date information.		
Selection process for non-oversubscribed programs:	Ontario Secondary School Diploma (OSSD) with a majority of credits at the College (C), University (U), College/University (M), or Open (O) level or equivalent. All applicants must meet program specific requirements.		
Grade 11 Marks:	For oversubscribed programs, with the exception of Collaborative Nursing (BScN), applicants are ranked by the average of all grade 11 and 12 marks. Also, for selected “popular” programs, a grade 12 English mark will be used for ranking purposes. If a grade 12 English is not available, the grade 11 English mark will be used. NBE 3(C) or 3(U) Contemporary Aboriginal Voices is considered a Grade 11 English for ranking purposes.		
Dual Credits/SHSM programs:	St. Clair College offers a number of courses through the Dual Credit Program. For further information, please call: 1-519-972-2727 ext. 5403. \$1,000 SHSM Scholarship available, applicants must apply online.		
Alternate offers of admission:	No alternate offers of admission are automatically given, unless requested by applicant.		

Supplemental admission requirements:	Music Theatre Performance – Audition (can be submitted electronically) Graphic Design – Art Portfolio Animation 2D/3D – Drawing Test Paramedic – Questionnaire Diagnostic Medical Sonography – Health Occupations Aptitude Examination (HOAE)
Differentials:	St. Clair College does not differentiate between C, M, and U level courses; they are treated equally.
Workplace Pathways:	Applicants who have workplace/essential/basic levels in required courses will be counselled to pursue academic upgrading through the Academic Career Entrance, Community Integration through Cooperative Education, General Arts & Science & Pre-Health programs.
Upgrading Pathways:	Pre-Health Sciences, Academic Career Entrance (ACE) or General Arts & Science
Post-graduate Opportunities:	Autism and Behavioural Science, Child and Youth Care – Accelerated, Early Childhood Education – Accelerated, Development Service Worker – Accelerated, Construction Project Management, Paralegal – Accelerated, Event Management, Web & Interactive Advertising, and Human Resource Management, International Business Management - Logistics Systems, Media Convergence, Advanced Medical Esthetics Practitioner, Diagnostic Cardiac Sonography
Deferral Policy:	\$100.00 Deferral fee to be paid to the college for students awaiting OSAP or RESP.
Student with Disabilities:	To receive services, students must meet with an Accessibility Services counsellor and present documentation that provides written verification of the diagnosis. This could include: <ul style="list-style-type: none"> ▪ Medical reports ▪ Clinical psychologist report ▪ Psychiatric report ▪ Educational assessments <p>(Individual Education Plans – IEP, Individual Placement and Review Committee – IPRC) he student and counsellor will then develop an appropriate Accommodation Plan which will outline the in-class, instructional testing, and out-of-class accommodations to be provided by St. Clair College. If you have any questions or concerns regarding services for students with disabilities, please contact Student Services at: Email: studentservices@stclaircollege.ca or Phone: 519-972-2727 ext. 4226</p>
