

GET INVOLVED TODAY!

Eco-Opportunities in Burlington

Engagements for Children & Youth

To help celebrate our 15th birthday, we have compiled a list of eco-resources & action opportunities for students, educators & parents. Get engaged in your community by marking your calendars for these 2023 events and help support local action for the planet by participating in some rewarding fundraising opportunities on page 2.

BURLINGTONGREEN YOUTH NETWORK

Join us for monthly meetings (online and in-person), hikes, clean ups, invasive plant removals, our social media subcommittee, event greening, guest speakers and more! Everyone ages 14-24 is welcome.

All meetings are eligible for volunteer hours

AGE TO AGE NATURE FRIENDS

On your own or with your class, friends, or club, create nature-themed messages, artwork, photos, poetry and more for BurlingtonGreen to share with older adults to enjoy.

Each art piece contributed can count for up to 1 volunteer hour

CLEAN UP GREEN UP - 2023

Once the snow melts, join Burlington's city-wide effort to clean up our parks, schoolyards, creeks and neighborhoods. A great activity to do on your own, with friends, your class, or the entire school!

SIGN UP FOR OUR POPULAR NEWSLETTER

If you are interested in staying up to date with local eco-issues, events, volunteer opportunities, resources for educators and more!

THE TIME IS NOW

Support Local Eco-Action

FUNdraising Ideas for BurlingtonGreen - Your Local Eco-Charity

Searching for a fun and rewarding opportunity to help the planet locally? Our team has lined up a variety of fun and rewarding opportunities to support environmental action right here in Burlington - a special place we all value and love.

We love to see YOUR ideas too, so feel free to think of BG when planning your next bake sale, clothing swap, class buy-out, plant sale, bottle drive or special event.

SEEKING GENTLY-USED KID'S "STUFF"

Keep them out of landfill, support re-using & raise funds to protect local nature. Ask your friends, family, neighbors, class or club for (clean) children's clothing, toys & equipment.

Take the items to the new Kid to Kid Burlington store & ask them to direct the proceeds to BurlingtonGreen.

E-WASTE COLLECTION

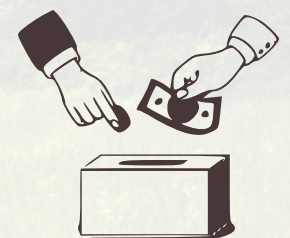

Help us promote our spring and fall e-waste collections, ensuring materials are not sent to landfill *while* raising funds to support our work in the community.

Organize a school or class-wide electronic waste drive and bring everything to one of BurlingtonGreen's Zero Waste events or simply encourage your school community to drop-off items directly at the events themselves. *(Dates TBA - likely May and November)*

DONOR MATCHING

If you're organizing a special event this holiday season, any funds donated to BurlingtonGreen can be matched by a community member challenging us to raise a total of \$2000 by December 31st!
