

Interim SGF Reports

Schools are to prepare interim SGF reports and post them on the schools' websites at a minimum of 4 times per year. It is recommended that the reports be prepared at the end of November, February, April, and May. The following is a guide on how to create a SGF report for posting on your school's website:

1. In School Cash Accounting (SCA), run either report #4 or #5.
 - Make sure to check the "Select all" for category umbrellas.
 - Report #4 will prepare a report for all transactions for the year.
 - Report #5 allows you to run a report within a specified date range.
2. Using your SCA report, proceed to fill out the SGF Report template (elementary or secondary) which can be found here:

<https://staffnet.hcdsb.org/C12/School%20Generated%20Funds/default.aspx>

3. Your SCA report will be broken down by category umbrellas, with subtotals. Using the subtotals for each category umbrella, fill in the corresponding line on the template.

For example:

From your SCA Report, use the amounts found on the Totals line

<u>Administration Category Umbrellas</u>		Opening Balance	Expense	Revenue	Balance
