Current St. Kateri students need to enter their requested courses into My Blueprint and pay the Student Activity Fee of \$65.00 by 'Cash On-line' by the Tuesday before March break. The Student Activity fee is an annual voluntary fee that is used to offset costs for school initiatives, materials, and activities that enhance the school experience. This fee pays for a student's yearbook, events, speakers etc. In accordance with Policy II-47, it is our school and Board's commitment that every student should have an equal opportunity to benefit from the school environment, regardless of financial hardship or barriers. Families who are unable to pay school fees are to contact the school Principal. Please see school website https://secondary.hcdsb.org/stkateri for further details. Payment can be made by 'Cash Online', visit the St. Kateri website for link. Please be advised some course offerings may be cancelled due to low student interest. Not all courses are guaranteed. Students may be able to make course changes until JUNE 1st based on course availability. Use the course selection guide below to assist you in finding the correct codes in My Blueprint. All course descriptions can be found in My Blueprint. Shaded sections are mandatory courses in which students need to select for each grade.
