

St Francis Xavier Catholic Secondary School

Mission Statement:

By promoting a Catholic view of faith and works exemplified by St. Francis Xavier, staff and students strive to live the Xavier Way. Rooted in Gospel values, the Xavier Way calls us to accept, include, and serve with love.

Achieving: Meeting the Needs of All Learners

- All stakeholders work collaboratively to support the learning process.
- Educators work with one another to support resiliency in learning.
- Educators and students reflect on their learnings.

Believing: Celebrating our Catholic faith

- Catholic Graduate Expectations form a part of student's development of resiliency.
- Students are involved in non-academic programming that builds positive assets.

Belonging: Providing an environment that is inclusive and welcoming

- All our students accept, include, and serve with love.
- All students are provided with opportunities to improve their mental health.

Foundational Elements: Optimizing Organizational Elements

- School activities and events will be communicated with clarity and in a timely fashion.
- Technology will continue to be a large part of the school's growth
