18 Compulsory Credits:

4 credits in English (1 credit per grade)

3 credits in mathematics (1 credit at the senior level)

2 credits in science

1 credit in Canadian History

1 credit in Canadian Geography

1 credit in the arts

1 credit in health and physical education

1 credit in French as a second language

.5 credit in career studies

.5 credit in civics

What do you
need to
graduate?

PLUS one credit from each of the following groups:

Group 1: Additional credit in English, or French as a second language, or other international language, or Social Sciences and the Humanities, or Canadian and World Studies, or Guidance & Career Education or Coop

Group 2: Additional credit in Health and Physical Education, or the Arts, or Business Studies, or French as a second language or Coop

Group 3: Additional credit in senior level science, or Technological education, or French as a second language or computer studies or Coop

OSSLT

Written in Grade 10, usually in same semester you have English.

Based on expectations up to & including Grade 9

If a student is unable to meet standards in first attempt they will:

take the test again in Grade 11, or
may be directed to complete the Ontario Literacy Course in Grade 12 (OLC40)

Grade 10 Courses

Types of Courses

The 4th character of a course code denotes the year in which the course is offered.

The 5th character of the course code denotes the level of the course.

Choosing Levels

Academic Courses

- Geared to students who have strong learning skills
- Greater emphasis on THEORY as a basis for future learning
- Students who enjoy problem solving, working more independently and developing new ideas through research

Applied Courses

- Geared to students who are continuing to improve on their learning skills
- Emphasis is on PRACTICAL and hands-on application of learned concepts
- Students who enjoy to learn by doing, make connections between new ideas and their own lives

Choosing Levels

Locally-developed Courses

- Offered in English, Math, and Science
- Lead to the workplace stream in grade 11 and 12

Open Courses

- Open courses have one set of expectations and are appropriate for all students.

Choosing Course Levels

Consult with your grade 9 teachers

Carefully consider your
learning skills

Independent work,
initiative, homework
completion, goal setting,
and problem solving

Carefully consider your interests and possible
career goals

You may choose to take a combination of
applied and academic courses (i.e., academic
English, applied math, applied science)

GRADE 10	Media Arts (AMS2OE)	
GRADE 11	CGF3ME (Forces of Nature) CLU3ME (Understanding Canadian Law) HPC3OE (Raising Healthy Children) HSP3CE (Intro to Anthro, Psych, Sociology) ICS3CE (Intro to Computer Programming) MBF3CE (Foundations for College Math)	PPZ3CE (Health for Life) SBI3CE (College Biology) SBI3UE (Biology) SCH3UE (Chemistry) SPH3UE (Physics) SVN3ME (Environmental Science)

Online Courses

- ☐ An online course will appear as a scheduled class
- ☐ Select ELEAR1 in **Online Learning (eLearning) Courses** folder in myBlueprint, and then select your course in the dropdown menu
- ☐ Log on daily (for 75 minutes), all work completed on computer
- ☐ Visit with Guidance to discuss

Alternative Courses

You will also be asked to select 2 alternative courses:

- These alternate course selections will be used in case one of your originally selected courses is not running or if there is a course conflict (i.e., 2 courses in the same period, unable to be moved).
- Please choose these wisely!
- The alternate will automatically be put in if either of the scenarios mentioned above happen.

Community Involvement (40 hours)

Pick up a form in Student Services or visit the St. FX website for a form to record the details of your involvement – dates, hours completed and organization/contact names, signatures, and phone numbers. Alternatively, you can submit a letter from the organization (on letterhead) that outlines the details of your involvement. A letter is required for any activities >40 hours. Return the letter or form to Student Services.

Ontario Student Transcript

- Students' official record of credits earned
- Grades 9 and 10 – only successfully completed courses are recorded
- Grades 11 and 12 – all attempts, and the marks, are recorded (unless course dropped by mark maintain date)

Summer School (July)

- 4-week courses are offered:
 - For repeating a failed course
 - For earning a reach-ahead course
- Registration will take place via myBlueprint in Spring 2024. Listen to announcements for details and check the school website and @stfxguidance Twitter and Instagram.
- If you plan on taking a course in summer school, **do not select it in myBlueprint**. If it is a compulsory course, you will have to show proof of completion in September.
- You may enroll in only one course.

Pathways

Pathways in the HCDSB involves students & their parents gathering information to make informed decisions in a Faith centered environment, that leads them to a post-secondary destination:

- Workplace
- Apprenticeship
- College
- University

How do you decide?

What are your future goals? Do research on myBlueprint to determine the post-secondary requirements for different occupations.

Backwards Map: Plan your courses from grade 12 to grade 10 on myBlueprint

Ensure that you have the necessary prerequisites for subjects you want to take in the future.

Prerequisite Missing

English

Grade 12 ENG4U1 1 Credit University

This course emphasizes the consolidation of the literacy, communication, and critical and creative thinking skills necessary for success in academic and daily life. Students will analyse a range of challenging literary texts from various periods, countries, and cultures; interpret and evaluate informational and graphic texts; and create oral, written, and media texts in a variety of forms. An important focus will be on using academic language coherently and confidently, selecting the reading strategies best suited to particular texts and particular purposes for reading, and developing greater control in writing. The course is intended to prepare students for university, college, or the workplace.
