COURSE SELECTIONS

# Overview

---

Course selection will be done online using myBlueprint.

Activity Fee Payment must be paid through SchoolCashOnline (please keep a copy of your receipt).

# Can you access myBlueprint?

---

You will access myBlueprint via D2L:

Focus on Faith   D2L Resources ▼   Learning Resources ▼   **myBlueprint**

# Will I graduate?

---

Have you earned 30 credits, including all compulsory credits?

Have you completed 40 hours of Community Service?

Have you passed the Literacy Test?\*

\*If you were unsuccessful on the Literacy Test you must select the following course in grade 12: **OLC401**. This course, once earned, will satisfy the Literacy requirement.

# What do you need to graduate?

In order to obtain your Ontario Secondary School Diploma (**O.S.S.D**) you need:

## **18 Compulsory Credits:**

4 credits in English (1 credit per grade)

3 credits in mathematics (1 credit at the senior level)

2 credits in science

1 credit in Canadian History

1 credit in Canadian Geography

1 credit in the arts

1 credit in health and physical education

1 credit in French as a second language

.5 credit in career studies

.5 credit in civics

What do you  
need to  
graduate?

**PLUS one credit from each of the following groups:**

**Group 1:** Additional credit in English, or French as a second language, or other international language, or Social Sciences and the Humanities, or Canadian and World Studies, or Guidance & Career Education or Coop

**Group 2:** Additional credit in Health and Physical Education, or the Arts, or Business Studies, or French as a second language or Coop

**Group 3:** Additional credit in senior level science, or Technological education, or French as a second language or computer studies or Coop

# Grade 12 Courses

## **2 Compulsory courses:**

ENG4U1 or ENG4C1 or ENG4E1

HRE4M1 or HRE4O1 or HSE4M1

## **4-6 elective courses:**

When choosing electives:

- What is your destination after graduation?
- What prerequisites do I need for grade 12 courses?
- Do you have all your compulsory credits?
  - Art
  - Phys Ed
  - Group 1
  - Group 2
  - Group 3

# Online Courses

- ☐ An online course will appear as a scheduled class
- ☐ Select ELEAR1 in **Online Learning (eLearning) Courses** folder in myBlueprint, and then select your course in the dropdown menu
- ☐ Log on daily (for 75 minutes), all work completed on computer
- ☐ Visit with Guidance to discuss

# Alternative Courses

---

You will also be asked to select 2 alternative courses:

- These alternate course selections will be used in case one of your originally selected courses is not running or if there is a course conflict (i.e., 2 courses in the same period, unable to be moved).
- Please choose these wisely!
- The alternate will automatically be put in if either of the scenarios mentioned above happen.

# Grade 12 Workload Scenarios

Grade 12 students carry *at least* 6 courses (min 3 each semester).

This means that grade 12s who finish grade 11 with at least 24 credits could have 1-2 spares.

Grade 12 students need to weigh the pros and cons to having a spare. For example, if you have a spare will you use this time wisely?

Suggestion: Select 8 courses with your course selection submission. This way if you are uncertain about whether you want to take a course, you will still have a “spot” in the class. If you decide you don’t want to take it after all, it is easier to drop that course than to try to add it later.

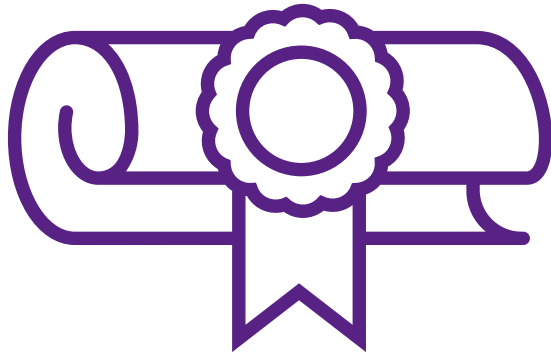

## Community Involvement (40 hours)

---

Pick up a form in Student Services or visit the St. FX website for a form to record the details of your involvement – dates, hours completed and organization/contact names, signatures, and phone numbers. Alternatively, you can submit a letter from the organization (on letterhead) that outlines the details of your involvement. A letter is required for any activities >40 hours. Return the letter or form to Student Services.

# Ontario Student Transcript

---

- Students' official record of credits earned
- Grades 9 and 10 – only successfully completed courses are recorded
- Grades 11 and 12 – all attempts, and the marks, are recorded (unless course dropped by mark maintain date)

## Summer School (July)

- 4-week courses are offered:
  - For repeating a failed course
  - For earning a reach-ahead course
- Registration will take place via myBlueprint in Spring 2024. Listen to announcements for details and check the school website and @stfxguidance Twitter and Instagram.
- If you plan on taking a course in summer school, **do not select it in myBlueprint**. If it is a compulsory course, you will have to show proof of completion in September.
- You may enroll in only one course.

# Pathways

Pathways in the HCDSB involves students & their parents gathering information to make informed decisions in a Faith centered environment, that leads them to a post-secondary destination:

- Workplace
- Apprenticeship
- College
- University

## How do you decide?

What are your future goals? Do research on myBlueprint to determine the post-secondary requirements for different occupations.

*Backwards Map:* Plan your courses from grade 12 to grade 10 on myBlueprint

Ensure that you have the necessary prerequisites for subjects you want to take in the future.

# Pathway Programs

---

## CO-OP

[Ontario.ca/SHSM](http://Ontario.ca/SHSM)

- Students receive credits toward their OSSD while at the same time earning College credits in a specified program
- This helps in the successful transition from high school to College and Apprenticeship programs

# Co-op & Ontario Youth Apprenticeship Program

---

- Get hands on experience in a career/profession of your choice and an employment opportunity.
- Explore Apprenticeship through a **CO-OP** work placement by turning it into an OYAP.
- Students can be registered as an apprentice while still in high school
- 2 weeks pre-placement preparation
- 3 hours a day in a workplace environment
- Monthly integrations sessions back at school

# Why Consider Chef/Baker Concentrated OYAP at St. Francis Xavier?

---

- The Chef/Baker Concentrated OYAP is a program specifically designed to help students make a smooth, successful transition from high school directly into their post-secondary Cook/Chef Apprenticeship.
- It is the best course offered in our high schools to prepare students for a career in a Baker/Pâtissier Apprenticeship.
- It is free! Similar pre-apprenticeship programs are offered at community colleges and private technical training centres where they cost between \$2,500 and \$6,500.

# Eligibility

---

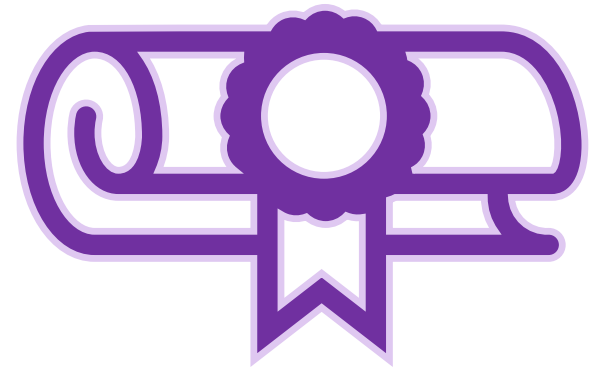

- ☑ Grade 11 or 12 students (Grade 11 students are encouraged to apply, but preference will be given to Grade 12 students).
- ☑ Be at least 15 years of age by February, eligible to work in Ontario, and have a social insurance number.
- ☑ Have a strong interest in pursuing a career as a cook or food service professional.
- ☑ Have taken at least 1 Hospitality and Tourism (TFJ) course in either Grade 10 or 11.
- ☑ Demonstrates a positive attitude towards school and work.
- ☑ Have a proven record of good attendance and punctuality.

# SHSM

---

A Specialist High Skills Major (SHSM) program includes the following components:

1. **Bundle of credits:** A defined bundle of credits consisting of eight to ten Grade 11 and Grade 12 credits, including cooperative education credits
2. **Certification and training experiences:** Sector-recognized certifications and/or training courses
3. **Experiential learning:** career exploration activities within the sector
4. **Reach ahead experiences:** Learning experiences connected with the student's postsecondary plans
5. **Sector-partnered experiences:** Experiences in which students engage with a sector partner to explore sector-related content, skills, and knowledge involving either ICE (innovation, creativity, and entrepreneurship), coding, or mathematical literacy.

## SHSM @ St. FX

St. Francis Xavier offers the following SHSM programs:

- Business
- Fitness and Sports Leadership
- Information & Communications Technology
- First Responders Services
- Arts and Culture: Performing Arts

# Apprenticeship

- OSSD
- Choose co-op
- OYAP
- Apprenticesearch.com
- Many pathways are available! See your counsellor to discuss your interests and options.

# College

- OSSD required
- **All Gr. 11 & 12** high school grades are sent to colleges.
- Some programs will only use the grades of the required courses – English, Math, Science, etc.
- Specific courses and grades may be required.
- [www.ontariocolleges.ca](http://www.ontariocolleges.ca)
- Some programs are highly competitive.
- Colleges also offer Bachelor Degrees which need 6 Grade 12 U or M courses

The screenshot shows the homepage of the Ontario Universities' Info website. At the top, there is a navigation bar with links for HIGH CONTRAST, FRANÇAIS, ABOUT, CONTACT, FAQs, and HELP, along with a search bar. Below this is a maroon banner with the Ontario Universities' Info logo and four main categories: PROGRAMS (WHAT INTERESTS YOU?), UNIVERSITIES (WHERE ARE YOU GOING?), FINANCE (FEES & SCHOLARSHIPS), and APPLICATIONS (WHAT YOU NEED TO KNOW). The main content area features a large image of a diverse group of students. Overlaid on this image is a dark grey box with the text "Welcome to Ontario Universities' Info" and "A guide to Ontario's universities for high school students." Below the image, there are three columns of content, each with an icon and a title: "Find a Program" (graduation cap icon), "Choose a University" (shield with 'U' icon), and "How to Apply" (checkmark icon). Each column contains a brief description of the service. A small red icon is visible in the bottom right corner.

# University Admission Requirements

---

In Ontario you will apply via OUAC, and your transcripts will be sent automatically by the school board. Due date to apply is in January.

Universities **OUTSIDE** of Ontario: it is the student's responsibility to research and apply directly to the university. Be aware of application deadlines.

Planning to attend a university/college in the U.S? You may need to write your **SATs**. Plan early. Find a testing facility. Begin your research now!

# Planning Considerations

---

Research university/college programs and their course requirements using **myBlueprint**, **ontariocolleges.ca**, or **OntarioUniversitiesInfo**. Every university program can have different requirements.

For example, Engineering programs usually require Physics, Chemistry, and Math, while Health Science programs require Biology, Chemistry, and Math. All programs require English!

You should also check the admission requirements on the university's website. In particular, check to see if repeated/upgrade courses are accepted.

Grade 12 ENG4U1 1 Credit University

This course emphasizes the consolidation of the literacy, communication, and critical and creative thinking skills necessary for success in academic and daily life. Students will analyse a range of challenging literary texts from various periods, countries, and cultures; interpret and evaluate informational and graphic texts; and create oral, written, and media texts in a variety of forms. An important focus will be on using academic language coherently and confidently, selecting the reading strategies best suited to particular texts and particular purposes for reading, and developing greater control in writing. The course is intended to prepare students for university, college, or the workplace.
